Housman Country Peter Parker, 2017-06-20 Parker's beautiful *Housman Country* tells you everything you want to know about the life and influence of England's most satirised but inimitable poets Evening Standard A New York Times Book Review Editor's Choice Nominated for the 2017 PEN Bograd Weld Prize for Biography A E Housman's *A Shropshire Lad* made little impression when it was first published in 1896 but has since become one of the best loved volumes of poetry in the English language Its evocation of the English countryside thwarted love and a yearning for things lost is as potent today as it was more than a century ago and the book has never been out of print In *Housman Country* Peter Parker explores the lives of A E Housman and his most famous book and in doing so shows how *A Shropshire Lad* has permeated English life and culture since its publication The poems were taken to war by soldiers who wanted to carry England in their pockets were adapted by composers trying to create a new kind of English music and have influenced poetry fiction music and drama right up to the present day Everyone has a personal land of lost content with blue remembered hills and Housman has been a tangible and far reaching presence in a startling range of work from the war poets and Ralph Vaughan Williams to Inspector Morse and Morrissey *Housman Country* is a vivid exploration of England and Englishness in which Parker maps out terrain that is as historical and emotional as it is topographical A rich blend of literary criticism and cultural history *The Spectator*

The Road of Danger, Guilt, and Shame Carol Efrati, 2002 The commentaries of other critics are taken into account but the author also presents her own explications based on her close reading and wide knowledge of literature **BOOK JACKET** *Small Press Review*, 1986

Gay & Lesbian Literature Sharon Malinowski, Tom Pendergast, Sara Pendergast, 1994 Biographical bibliographical and critical information on more than four hundred authors who have figured prominently in gay and lesbian literature and culture since 1900 *Housman's Poems* John Bayley, 1992

Although Housman's three collections of poems the third published posthumously have remained continuously popular they have not received much serious critical attention Bayley makes up for the omission in this thorough and comprehensive reappraisal of the whole oeuvre placing Housman's achievement in the context of the poetry of his own time and of more recent European and American poetry Close analysis and comparison with other poets Hardy Frost Edward Thomas Larkin and Paul Celan prove illuminating in relation to a poet who has usually been considered something of an odd man out and even an anachronism in the modern era Bayley explores and explains the continuing appeal of the poetry to present day readers and the nature of craftsmanship and psychology which lie behind its deceptive simplicities The book is a valuable introduction to Housman's achievement for the specialist and the poetry lover alike

A Shaping Joy Cleanth Brooks, 2024-10-31 In *A Shaping Joy* originally published in 1971 Cleanth Brooks writes about modern literature and the criticism that has been developed to deal with it Most of the essays concern poets and novelists of the twentieth century but there are also discussions of nineteenth century American writers such as Mark Twain and Edgar Allen Poe and of traditional English poets such as Wordsworth Milton and Marlowe Among the functions of literature described in the first essay are those of nourishing the imagination and keeping the language alive and the channels of communication open The criticism contained in the essays that follow admirably exemplifies these concerns Whether writing on the world of William Faulkner and the literature of the American South or on subjects more familiar to the British reader Joyce Auden and T S Eliot for example Professor Brooks keeps the methods of communication marvelously unblocked It is criticism of the rarest kind alert imaginative and wholly invigorating This book will be a beneficial read for students and researchers of English literature particularly of literary criticism
