Secretive Numbers, Mysterious Destiny Varun L. Rupani,2021-07-19 Every relationship goes through ups and downs and no matter how much ever you try to be happy together there will be times when two individuals will stand opposite each other because of different views on the same point At this point how you handle the situation and understand each other shows maturity and strength in the relationship This numerology book based on relationship compatibility will not tell you who will win or lose the discussions and fights It will not tell you whether the relationship between two numbers is a thumbs up or thumbs down because no number is good or bad right or wrong and so judging someone on the basis of just numbers is incorrect What this book can rightfully do is to help you find the hurdles or differences that can probably occur in the relationship Knowing the potential differences and personality traits in advance can guide you in taking the correct steps before getting into a relationship This book allows you to see the potential troubles in a relationship along with its possible outcomes This book also helps give you key advice and suggestions for each relationship that you can apply and refer to in daily life **Love Numbers** Margaret Arnold,2000 Why do some relationships work others fail Why do you immediately like some people while others leave you feeling cold Why do you click with someone even when it appears by worldly standards that you shouldn't The answer to these questions lies in the interrelationships of energy patterns called vibrations which make up our bodies personalities One way to understand analyze these patterns is through the science of numerology With a knowledge of numerical vibrations you can know ahead of time how your own another person's personalities will interact If you're a 4 for example you want dependability order structure you will want to avoid 5s which crave change lots of freedom You'd be better off with an 8 because you can both be very hard workers This book gives you all the simple formulas you need to determine the numerology for anyone **Astro-Numerology Fusion: Exploring Cosmic Connections** Mitchel P.
