Martha C. Nussbaum, 1990 This volume brings together Nussbaum s published papers on the relationship between literature and philosophy especially moral philosophy The papers many of them previously inaccessible to non specialist readers deal with such fundamental issues as the relationship between style and content in the exploration of ethical issues the nature of ethical attention and ethical knowledge and their relationship to written forms and styles and the role of the emotions in deliberation and self knowledge Nussbaum investigates and defends a conception of ethical understanding which involves emotional as well as intellectual activity and which gives a certain type of priority to the perception of particular people and situations rather than to abstract rules She argues that this ethical conception cannot be completely and appropriately stated

without turning to forms of writing usually considered literary rather than philosophical It is consequently necessary to broaden our conception of moral philosophy in order to include these forms Featuring two new essays and revised versions of several previously published essays this collection attempts to articulate the relationship within such a broader ethical inquiry between literary and more abstractly theoretical elements [The Cambridge Introduction to Postmodern Fiction](#) Bran Nicol,2009-10-08 Postmodern fiction presents a challenge to the reader instead of enjoying it passively the reader has to work to understand its meanings to think about what fiction is and to question their own responses Yet this very challenge makes postmodern writing so much fun to read and rewarding to study Unlike most introductions to postmodernism and fiction this book places the emphasis on literature rather than theory It introduces the most prominent British and American novelists associated with postmodernism from the pioneers Beckett Borges and Burroughs to important post war writers such as Pynchon Carter Atwood Morrison Gibson Auster DeLillo and Ellis Designed for students and clearly written this Introduction explains the preoccupations styles and techniques that unite postmodern authors Their work is characterized by a self reflexive acknowledgement of its status as fiction and by the various ways in which it challenges readers to question common sense and commonplace assumptions about literature **Awakening Love** Gregory Cleveland,2019-03-25 The Spiritual Exercises of St Ignatius have had a tremendous impact in the history of the Church while the Song of Songs describes mystical union with God in prayer Written following the format of a personal retreat Awakening Love includes chapters tracing the themes of the Song of Songs as a very Christian prayer and meditation **Between Two Loves, a Novel** Robert Jones Griffiths,1872 *Love, Love, Love* Charles Taliaferro,2006-04-25 In forty three brief essays from the life of a philosopher Charles Taliaferro guides us toward the heart of human being in all of its absurdity and joy Electrocuted by his coffee maker during class battling dragons on his rooftop and accompanying his father to the border between life and death Taliaferro recommends to us a life vulnerable to silliness pain and the depths of love they create in us Hilarious and sobering Love Love Love investigates what we need most to live humanely humorously faithfully and well **Dead Mile** Jo Furniss,2024-06-20 Perfect for fans of Belinda Bauer and Ruth Ware DEAD MILE is the most relatable locked room mystery you ll ever read set on a gridlocked motorway during rush hour I LOVED IT T M LOGAN SPELLBINDINGLY ORIGINAL AND UTTERLY COMPELLING JACK JORDAN AN INVENTIVE GRIPPING TAKE ON A LOCKED ROOM MYSTERY HARRIET TYCE Friday afternoon and the traffic is bloody murder Sergeant Belinda Billy Kidd is driving home from the airport jet lagged and ready to resign from a career that has left her traumatised Menopause has robbed her confidence too now she s a traffic cop who s afraid to drive When brake lights haemorrhage up the motorway the cars grind to a halt Moments later she finds a dead driver in a black sedan He has a metal skewer in his neck But how The killer can t have left the scene without being spotted by the dozens of witnesses so he must still be there among them If the traffic jam stays put they re all in danger if the traffic clears she ll lose her suspect The clock is ticking but she doesn t know how fast A WHITE KNUCKLE RIDE TIGHTLY

Love's Gamble Betty McLain, 2022-01-15 Life was always a struggle for Lanie. Widowed at a young age and left to raise a baby by herself, she was abandoned by her family when she needed them the most. She worked two full-time jobs to make ends meet. But she had her son. For her, that was enough. Then, as her fragile world began to crumble around her, a stranger swept in with the promise of a better life. Marcel knew all about true love. His family was full of stories of how magical the bond could be and how unexpectedly it could appear in one's life, so when he met the young waitress on his way back home, he recognized their connection instantly. Seeing her struggle, he opened his home and heart to Lanie and her son. But can she learn to trust in a future of hope and love when the past has been so bleak? Can he persuade her to take the leap and build a future with him? And if he can, with outside forces threatening to tear apart their burgeoning family, will their gamble be enough?

Love's Release Antoinette DePoi, 2012-07-11 Antoinette DePoi's novella *Love's Release* defines the genre of Christian Romance. DePoi weaves Christian themes of fellowship, trust, fidelity, and forgiveness into Joseph's Coat of Many Colors. What differentiates this genre from other romances with similar themes is that God is the keystone of the love story. The setting is Clayville, a fictitious town in South Jersey. Ronni, the confident protagonist, attends college and maintains herself by delivering newspapers. The reader is never quite sure about her nebulous past. She meets the grounded Connor McGowan, a local detective. As the relationship bumps along, Ronni is welcomed into the McGowan clan. The writer introduces and develops a crime mystery subplot which involves the reader to the end. DePoi garners praise for engaging realism, developed character, plot structure, and an inspiring theme. The answer to the title: What's Love Got To Do With It? Is Everything.
