Nothing but Love in God's Water Robert Darden, 2016-09-02 Volume 1 of *Nothing but Love in God's Water* traced the music of protest spirituals from the Civil War to the American labor movement of the 1930s and 1940s and on through the Montgomery bus boycott This second volume continues the journey chronicling the role this music played in energizing and sustaining those most heavily involved in the civil rights movement Robert Darden former gospel music editor for *Billboard* magazine and the founder of the Black Gospel Music Restoration Project at Baylor University brings this vivid vital story to life He explains why black sacred music helped foster community within the civil rights movement and attract new adherents shows how Martin Luther King Jr and other leaders used music to underscore and support their message and reveals how the songs themselves traveled and changed as the fight for freedom for African Americans continued Darden makes an unassailable case for the importance of black sacred music not only to the civil rights era but also to present day struggles in and beyond the United States Taking us from the Deep South to Chicago and on to the nation's capital Darden's grittily detailed lively telling is peppered throughout with the words of those who were there famous and forgotten alike activists such as Rep John Lewis the Reverend Ralph Abernathy and Willie Bolden as well as musical virtuosos such as Harry Belafonte Duke Ellington and The Mighty Wonders Expertly assembled from published and unpublished writing oral histories and rare recordings this is the history of the soundtrack that fueled the long march toward freedom and equality for the black community in the United States and that continues to inspire and uplift people all over the world [Love, Liberation, and Escaping Slavery](#) Barbara McCaskill, 2015 The spectacular 1848 escape of William and Ellen Craft 1824 1900 1826 1891 from slavery in Macon Georgia is a dramatic story in the annals of American history Ellen who could pass for white disguised herself as a gentleman slaveholder William accompanied her as his master's devoted slave valet both traveled openly by train steamship and carriage to arrive in free Philadelphia on Christmas Day In *Love Liberation and Escaping Slavery* Barbara McCaskill revisits this dual escape and examines the collaborations and partnerships that characterized the Crafts activism for the next thirty years in Boston where they were on the run again after the passage of the 1850 Fugitive Slave Law in England and in Reconstruction era Georgia McCaskill also provides a close reading of the Crafts only book their memoir *Running a Thousand Miles for Freedom* published in 1860 Yet as this study of key moments in the Crafts public lives argues

the early print archive newspapers periodicals pamphlets legal documents fills gaps in their story by providing insight into how they navigated the challenges of freedom as reformers and educators and it discloses the transatlantic British and American audiences changing reactions to them By discussing such events as the 1878 court case that placed William s character and reputation on trial this book also invites readers to reconsider the Crafts triumphal story as one that is messy unresolved and bittersweet An important episode in African American literature history and culture this will be essential reading for teachers and students of the slave narrative genre and the transatlantic antislavery movement and for researchers investigating early American print culture A Book of Love for My Daughter H.
