Loving Enchantment:

Love the Greatest Enchantment: The Sorceries of Sin: The Devotion of the Cross ... Attempted strictly in English asonante and other imitative verse, by Denis Florence Mac-Carthy. With an introduction to each drama, and notes by the translator, and the Spanish text from the editions of Hartzzenbusch, Keil, and Apontes Pedro Calderón de la Barca,1861 *Love the Greatest Enchantment ; the Sorceries of Sin ; the Devotion of the Cross* Pedro Calderón de la Barca,1861 **Love the greatest enchantment: The sorceries of sin: The devotion of the Cross, from the Span. in Engl. verse by D.F. Mac-Carthy, with an intr. and notes and the Span. text** Pedro Calderón de la Barca,1861 Enchanted Love Marianne Williamson,2013-12-17 Three of Marianne Williamson s previous bestsellers *A Return to Love A Woman s Worth* and *Illuminata* explored the issue of relationships Now in this deeply personal collection of essays prayers and self reflection she turns to romantic love In *Illuminata* Williamson wrote that we experience God to the extent to which we love forgive and focus on the good in others and ourselves Now in *Enchanted Love* she writes that enchanted partnership begins with the conscious understanding on the part of two people that the purpose of their relationship is not so much material as spiritual and the internal skills demanded by it are prodigious High romance she says is not about past or future It is not about practicality It is not about society or worldly routines It is an audacious ride to the center of what is at the heart of every person It is a bold and masterful inquiry into what two people really are and how we might become while still on earth the angels who reside within us Three dramas of Calderon, Love the greatest enchantment, The sorceries of sin, and The devotion of the cross [tr.] by D.F. Relentless Love Edwin Carl Smith,2004 Ed Smith defines enchantment as that place where our life and our deepest dreams merge and he maintains that it is our true nature In Relentless Love he proposes that we can live lives of enchantment through the practice of relentless love He inspires us to create a world based on our intention to love and our faith in life and contends that evolution is propelling us to do so He defines evolution as events you do not like that converge to create a possibility you could not anticipate This is an original lucid voice with something very compelling and vital to say that can change all of our lives **Love** Simon May,2019-03-28 What is love s real intent Why can love be so ruthlessly selective How is it related to sex beauty and goodness And is the child now the supreme object of love In addressing these

questions Simon May develops a radically new understanding of love as the emotion we feel towards whomever or whatever we experience as grounding our life as offering us a possibility of home in a world that we supremely value He sees love as motivated by a promise of ontological rootedness rather than as two thousand years of tradition variously asserts by beauty or goodness by a search for wholeness by virtue by sexual or reproductive desire by compassion or altruism or empathy or in one of today's dominant views by no qualities at all of the loved one After arguing that such founding Western myths as the Odyssey and Abraham's call by God to Canaan in the Bible powerfully exemplify his new conception of love May goes on to re-examine the relation of love to beauty sex and goodness in the light of this conception offering among other things a novel theory of beauty and suggesting against Plato that we can love others for their ugliness while also seeing them as beautiful Finally he proposes that in the Western world romantic love is gradually giving way to parental love as the most valued form of love namely the love without which one's life is not deemed complete or truly flourishing May explains why childhood has become sacred and excellence in parenting a paramount ideal as well as a litmus test of society's moral health In doing so he argues that the child is the first genuinely modern supreme object of love the first to fully reflect what Nietzsche called the death of God Readers will find Love Excitingly new yet immediately recognizable that's the paradox at the very heart of love and it is what Simon May has achieved Los Angeles Review of Books

Faith, Hope, and Love in the Kingdom of God

Robert Hernan Cubillos, 2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today's world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre
