Loving In The War Years:

Loving in the War Years Cherrie Moraga, 2023-08-15 An updated edition combining two classic works of Chicana and queer literature with a new introduction by renowned writer and luminary Cherr e Moraga In celebration of the 40th anniversary of its original publication this updated edition of *Loving in the War Years* combines Moraga s classic memoir with *The Last Generation* Poetry and Prose resulting in a challenging inspiring and insightful touchstone for artists and activists and for anyone striving to foster care and community Cherr e Moraga s powerful memoir remains as urgent as ever She explores the intersections of her Chicana and lesbian identities moving gracefully between poetry and prose Spanish and English personal narratives and political theory Moraga recounts navigating the world largely as an outsider circling the interconnected societies around her from a distant yet observant perspective Ultimately however her writing serves as a bridge between her cultures languages family and herself enabling her to look inward to forge connections from otherwise inaccessible parts of her interior world to show how deep self awareness and compassionate engagement with one s surroundings are key to building global solidarity among people and political movements

Loving in the War Years Cherrie Moraga, 1983 Weaving together poetry and prose Spanish and English family history and political theory *Loving in the War Years* has been a classic in the feminist and Chicano canon since its 1983 release It remains a testament of Moraga s coming of age as a Chicana and a lesbian at a time when the political merging of those two identities was severely censured

Changing the Wor(l)d Stacey Young, 2014-01-02 *Changing the Wor l d* draws on feminist publishing postmodern theory and feminist autobiography to powerfully critique both liberal feminism and scholarship on the women s movement arguing that both ignore feminism s unique contributions to social analysis and politics These contributions recognize the power of discourse the diversity of women s experiences and the importance of changing the world through changing consciousness Young critiques social movement theory and five key studies of the women s movement arguing that gender oppression can be understood only in relation to race sexuality class and ethnicity and that feminist activism has always gone beyond the realm of public policy to emphasize improving women s circumstances through transforming discourse and consciousness Young examines feminist discursive politics critiques social science methodology and proposes an alternative approach to understanding the women s movement

Reading U.S. Latina Writers A. Quintana, 2003-03-18 This essential teaching guide focuses on an emerging body of literature by U S Latina and Latin American Women writers It will assist non specialist educators in syllabus revision new course design and classroom presentation The inclusive focus of the book that is combining both US Latina and Latin American women writers is significant because it introduces a more global and transnational way of approaching the literature The introduction outlines the major historical experiences that inform the literature the important genres periods movements and authors in its evolution the traditions and influences that shape the works and key critical issues of which teachers should be aware The collection seeks to provide readers with a variety of Latina texts that will guarantee its long term usefulness to teachers and students of pan American literature Because it is no longer possible to understand U S Latina literature without taking into consideration the histories and cultures of Latin America the volume will through its organization argue for a more globalized type of analysis which considers the similarities as well as the differences in U S and Latin American women s cultural productions In this context the term Latina evokes a diasporic transnational condition in order to address some of the pedagogical issues posed by the bicultural nature which is inherent in pan American women s literature

The Wounded Heart Yvonne Yarbro-Bejarano, 2011-05-18 In her work as poet, essayist, editor, dramatist, and public intellectual, Chicana lesbian writer Cherríe Moraga has been extremely influential in current debates on culture and identity as an ongoing, open-ended process. Analyzing the in-between spaces in Moraga's writing where race, gender, class, and sexuality intermingle, this first book-length study of Moraga's work focuses on her writing of the body and related material practices of sex, desire, and pleasure. Yvonne Yarbro-Bejarano divides the book into three sections which analyze Moraga's writing of the body, her dramaturgy in the context of both dominant and alternative Western theatrical traditions, and her writing of identities and racialized desire. Through close textual readings of *Loving in the War Years*, *Giving Up the Ghost*, *Shadow of a Man*, *Heroes and Saints*, *The Last Generation*, and *Waiting in the Wings*, Yarbro-Bejarano contributes to the development of a language to talk about sexuality as potentially empowering the place of desire within politics and the intricate workings of racialized desire.

Latino History and Culture David J. Leonard, Carmen R. Lugo-Lugo, 2015-03-17 Latinos are the fastest growing population in America today. This two-volume encyclopedia traces the history of Latinos in the United States from colonial times to the present, focusing on their impact on the nation in its historical development and current culture. *Latino History and Culture* covers the myriad ethnic groups that make up the Latino population. It explores issues such as labor, legal and illegal immigration, traditional and immigrant culture, health, education, political activism, art, literature, and family, as well as historical events and developments. A-Z entries cover eras, individuals, organizations, and institutions; critical events in U.S. history; and the impact of the Latino population, communities, and ethnic groups, and key cities and regions. Each entry includes cross-references and bibliographic citations, and a comprehensive index and illustrations augment the text.

Side Dishes Melissa A. Fitch, 2009-06-25 Moving beyond the main dishes of traditional literary works, *Side Dishes* offers a provocative and delicious new understanding of Latin American women's authorship and activism. The book illuminates a wealth of creative and intellectual work by Latin American women: editors, directors, cartoonists, academics, performance artists, and comedians, and explores them in light of their treatment of women's sexuality. *Side Dishes* considers feminist pornography and literary representations of masturbation, bisexuality, lesbianism, and sexual fantasies; the treatment of lust in stand-up comedy and science fiction; critical issues in leading feminist journals; and portrayals of sexuality in four contemporary Latin American films. Melissa A. Fitch concludes with a look at the rise of women's and gender studies programs in Latin America.

Soto,2010-01-01 A race based oppositional paradigm has informed Chicano studies since its emergence In this work Sandra K Soto replaces that paradigm with a less didactic more flexible framework geared for a queer analysis of the discursive relationship between racialization and sexuality Through rereadings of a diverse range of widely discussed writers from Amrico Paredes to Cherr e Moraga Soto demonstrates that representations of racialization actually depend on the sexual and that a racialized sexuality is a heretofore unrecognized organizing principle of Chican literature even in the most unlikely texts Soto gives us a broader and deeper engagement with Chican representations of racialization desire and both inter and intracultural social relations While several scholars have begun to take sexuality seriously by invoking the rich terrain of contemporary Chicana feminist literature for its portrayal of culturally specific and historically laden gender and sexual frameworks as well as for its imaginative transgressions against them this is the first study to theorize racialized sexuality as pervasive to and enabling of the canon of Chican literature Exemplifying the broad usefulness of queer theory by extending its critical tools and anti heteronormative insights to racialization Soto stages a crucial intervention amid a certain loss of optimism that circulates both as a fear that queer theory was a fad whose time has passed and that queer theory is incapable of offering an incisive politically grounded analysis in and of the current historical moment **Home Girls** Alvina

Quintana,2010-06-30 Home Girls makes an original bold and significant contribution to feminist studies Chicana o studies and literature Quintana accomplishes what few critics in Chicana o studies have done she applies different interpretive paradigms to her reading of Chicana texts blending ethnography with literary criticism ideological analysis with semiotics Her reading of literary texts is rich in texture and detail Rosa Linda Fregoso author of Bronze Screen Chicana and Chicano Film Culture Chicana writers in the United States write to inspire social change to challenge a patriarchal and homophobic culture to redefine traditional gender roles to influence the future Alvina E Quintana examines how Chicana writers engage literary convention through fiction poetry drama and autobiography as a means of addressing these motives Her analysis of the writings of Gloria Anzaldua Ana Castillo Denise Chavez Sandra Cisneros and Cherrie Moraga addresses a multitude of issues the social and political forces that influenced the Chicana aesthetic Chicana efforts to open a dialogue about the limitation of both Anglo American feminism and Chicano nationalism experimentations with content and form the relationship between imaginative writing and self reflexive ethnography and performance domesticity and sexuality Employing anthropological feminist historical and literary sources Quintana explores the continuity found among Chicanas writing across varied genres a drive to write themselves into being
