The Changing Dynamics of Bisexual Men's Lives Eric Anderson, Mark McCormack, 2016-05-05 This important book provides unique new knowledge on the lived experience of openly bisexual men without medicalizing or pathologizing them Presenting research from sexology sociology and psychology it features extensive findings on the sexual social romantic and emotional behaviors of the 90 men interviewed in the U S and U K Issues and challenges are examined in such areas as identity and self concept along with the burden of social erasure and the paradox of stigma from both the gay and straight communities However the research reveals evidence of a recent cultural transition toward acceptance of bisexual identity and behavior with younger bisexual men experiencing better social lives and increased recognition of the legitimacy of bisexuality Among the topics covered Examining the components of sexuality Measuring and surveying bisexuality Bisexual burden Demonstrating a generational cohort effect Expansion of gendered boundaries Erosion of the one time rule of homosexuality Coming out in the 21st century Bringing clarity and focus beyond the gender binary and compelling insights into why society and science have trouble shedding that paradigm The Changing Dynamics of Bisexual Men s Lives will interest sexuality scholars sexologists and social scientists studying the

social aspects of sexuality White Sight Nicholas Mirzoeff, 2023-02-14 From the author of *How to See the World* comes a new history of white supremacist ways of seeing and a strategy for dismantling them White supremacy is not only perpetuated by laws and police but also by visual culture and distinctive ways of seeing Nicholas Mirzoeff argues that this form of white sight has a history By understanding that it was not always a common practice we can devise better ways to dismantle it Spanning centuries across this wide ranging text Mirzoeff connects Renaissance innovations from the invention of perspective and the erection of Apollo statues as monuments to white beauty and power to the rise of racial capitalism dependent on slave labor with the ever expanding surveillance technologies of the twenty first century to show that white sight creates an oppressively racializing world in which subjects who do not appear as white are under constant threat of violence Analyzing recent events like the George Floyd protests and the Central Park birdwatching incident Mirzoeff suggests that we are experiencing a general crisis of white supremacy that presents both opportunities and threats to social justice If we do not seize this moment to dismantle white sight then white supremacy might surge back stronger than ever To that end he highlights activist interventions to strike the power of the white heteropatriarchal gaze *White Sight* is a vital handbook and call to action for anyone who refuses to live under white dominated systems and is determined to find a just way to see the world Love and Intimate Relationships Norman M. Brown, Ellen S. Amatea, 2013-06-17 Using a style that draws students into the ongoing inquiry into how intimate relationships work *Love and Intimate Relationships* investigates the life cycle of relationships influences that affect them theories behind them and ways to improve them Dozens of stories from students themselves case examples and over 150 tables figure and the cartoons of Don Edwing of *Mad Magazine* help bring the material alive The book is also unique in exploring aspects of human relationships not covered in other textbooks on the subject *Love and Intimate Relationships* helps bring the complex issues surrounding intimate relationships into focus for students from diverse backgrounds The multidisciplinary perspective of the textbook makes it ideal for introductory courses in psychology marriage counseling human relations and sexuality and interpersonal relationships Bisexuality and the Challenge to Lesbian Politics Paula C Rust, 1995-10-01 The subject of bisexuality continues to divide the lesbian and gay community At pride marches in films such as *Go Fish* at academic conferences the role and status of bisexuals is hotly contested Within lesbian communities formed to support lesbians in a patriarchal and heterosexist society bisexual women are often perceived as a threat or as a political weakness Bisexual women feel that they are regarded with suspicion and distrust if not openly scorned Drawing on her research with over 400 bisexual and lesbian women surveying the treatment of bisexuality in the lesbian and gay press and examining the recent growth of a self consciously political bisexual movement Paula Rust addresses a range of questions pertaining to the political and social relationships between lesbians and bisexual women By tracing the roots of the controversy over bisexuality among lesbians back to the early lesbian feminist debates of the 1970s Rust argues that those debates created the circumstances in which bisexuality became an inevitable challenge to

lesbian politics She also traces it forward predicting the future of sexual politics
