Loving Lily:

Loving Lily Jennifer Smith Widmer, 2021-06-30 He was only half paying attention to the lingering tourists but then his eyes caught hold of an image that immediately captured his attention He realized that she was alone and apparently so absorbed in her thoughts that she failed to notice that she was the last one inside the castle walls besides himself and a few workers He took several pictures before she suddenly sensed the quiet He lowered his camera before she saw him and was rewarded with only a slightly interested glance as she walked past the stables on her way out As he once again raised his camera and began taking pictures he found he could not entirely rid himself of the one image he had not meant to capture today but which somehow he knew he would never be able to forget Lily Manning loves her life She has a wonderful family a fulfilling job and several hobbies that keep her busy and happy Still she feels like there s something wrong with her because despite everything going for her she s still single at twenty eight When she meets Ammon Hunter she hopes she finally has a chance to feel complete But when things don t go the way she planned will she be able to overcome her despair and learn that she can love herself for who she already is
