ZaSu Pitts Charles Stumpf, 2010-04-13 Most often remembered for her gestures expressive eyes and body language on the screen ZaSu Pitts was an unusual actress and also an excellent cook she often gave homemade candies to her coworkers and her collection of candy recipes was published posthumously. This affectionate study of both her private life off screen and her public persona details how the multi talented actress become one of filmdom s favorite comediennes and character players The book includes many rare photographs The First Hollywood Musicals Edwin M. Bradley, 2004-08-25 As Hollywood entered the sound era it was rightly determined that the same public fascinated by the novelty of the talkie would be dazzled by the spectacle of a song and dance film In 1929 and 1930 film musicals became the industry s most lucrative genre until the greedy studios almost killed the genre by glutting the market with too many films that looked and sounded like clones of each other From the classy movies such as Sunnyside Up and Hallelujah to failures such as The Lottery Bride and Howdy Broadway this filmography details 171 early Hollywood musicals Arranged by subgenre backstagers operettas college films and stage derived musical comedies the entries include studio release date cast and credits running time a complete song list any recordings spawned by the film Academy Award nominations and winners and availability on video or laserdisc These data are followed by a plot synopsis including analysis of the film's place in the genre's history Includes over The Films of the Eighties Robert A. famous for being Nico Yet Nico's talent and her contribution to rock culture are often overlooked She spent most of her career as a solo artist on the road determined to make music seemingly against all the odds enduring empty concert halls abusive fans and the often perilous reality of being an ageing artist and drug addict She created mesmerizing and unique projects that inspired a generation of artists including Henry Rollins Morrissey Siousxie Sioux and the Banshees and Iggy Pop Drawing on the archives at the Andy Warhol Museum and at Nico's record labels various private collections and rarely seen footage and featuring exclusive new interviews from those who knew her best including Iggy Pop and Danny Fields and those inspired by her legacy YOU ARE BEAUTIFUL AND YOU ARE ALONE reveals the complicated often compromised self destructive and always head strong woman behind the one dimensional myths
