Lucky Legs:

Lucky Legs Steve Gurney, 2010-05-01 The keys to success in a motivational autobiography by New Zealand's top multisport athlete Steve Gurney is an exceptional athlete. He has been in 19 of the epic Coast to Coast races in a row and he has won nine of them. He has represented New Zealand twice at the World Mountain Bike champs and has spent a lot of time adventure racing in far flung jungles, caves, mountains and deserts. This motivational, funny and frank autobiography covers Steve's multisport career and his life in general. It's aimed at business sports people wanting to know the keys to success, people interested in mental health issues, people who want to be inspired and to get motivated and driven, people who want to understand themselves better. Have really enjoyed the read. A number of my training mates are also reading it and it has created quite a lot of discussion while running, cycling and over coffees/ beers. We have definitely picked up some training tips and also probably made us reflect on why we do this type of sport personally. I think his honesty makes it a book well beyond multisport. It was built in such prodigious quantities that it played a vital role in the Allies' victory in WW2. Published to commemorate 70th anniversary of the D Day landings.

Hussain Zaidi, 2023-07-04 In September 2011 the double murder of gangsters Raju Pargai and Amit Arya rocked the Indian state of Uttarakhand. Pargai, who was well on his way to become a national security threat by smuggling weapons into India, had risen up the ranks of criminal quickly but that also made him the target of Indian intelligence agencies which then ordered the covert assassin named Agent Lima to put him down. The day after the murder, Laxman Lucky Bisht, an NSG commando who had also been the personal security officer for politicians such as L. K. Advani and then CM of Gujarat Narendra Modi, was arrested from his home in Haldwani, accused of the double murder. Thereafter begins a tale shrouded in mystery and suspense. Was Agent Lima and Lucky Bisht one and the same person? And if they were not the same person, why did Lucky Bisht languish in prison for more than five years, being transported from jail to jail, his bail application denied if he was working for the government? Master thriller writer S. Hussain Zaidi is back with a tale of intrigue and deceit in R A W

Last Stands from the Alamo to Benghazi Frank Wetta, Martin Novelli, 2016-12-08 Last Stands from the Alamo to Benghazi examines how filmmakers teach Americans about the country s military past Examining twenty three representative war films and locating them in their cultural and military landscape the authors argue that Hollywood s view of American military history has evolved in two phases The first phase extending from the very beginnings of filmmaking to the Korean War projected an essential patriotic triumphalism The second phase from the Korean and Vietnam Wars to the present reflects a retreat from consensus and reflexive patriotism In describing these phases the authors address recurring themes such as the experience of war and combat the image of the American war hero race gender national myths and more With helpful film commentaries that extend the discussion through popular movie narratives this book is essential for anyone interested in American military and film history
