

Монография посвящена вопросам становления местного самоуправления в Республике Казахстан. Рассмотрены понятие и основные теории местного самоуправления, его базовые принципы и формы. Проанализированы исторические этапы становления системы местного самоуправления в Казахстане, включая советский период, и определены ключевые положения законодательства, регулирующего вопросы местного управления на каждом этапе. Особое внимание уделено современному состоянию местного самоуправления в Республике и мерам по его развитию. В работе также рассмотрены модели муниципальной власти в Казахстане, предлагаемые учеными и практиками, исследованы их слабые и сильные стороны. На основе анализа законодательства и практики его реализации, изучения международного и зарубежного опыта определены недостатки и проблемы, мешающие развитию местного самоуправления в стране, и предложены конкретные рекомендации по их устранению и решению. Работа будет полезна для ученых и преподавателей в области конституционного и муниципального права, студентов и магистрантов юридических вузов, депутатов парламент, работников государственных и муниципальных органов.

Cameron Ross, Adrian Campbell

Mestnoe Samoupravlenie:

Decentralization and Local Democracy in the World United Cities and Local Governments (UCLG), 2008-11-04

Decentralization and Local Democracy in the World constitutes a global reference on decentralization by presenting the contemporary situation of local governments in all regions of the world. The report analyzes local authorities in each continent under three main themes: the evolution of territorial structures, responsibilities and power management, and finances and local democracy. An additional chapter is dedicated to the governance of large metropolises where rapid growth presents major challenges, in particular in the fast developing countries of the South. This report also offers a comparative overview of the different realities concerning the state of decentralization and how the basic indispensable mechanisms for local democracy do or do not exist in some countries. Relationships between the state and local authorities are evolving toward innovative forms of cooperation. In this context, the role of local authorities in the development of global policies is increasingly recognized. The first Global Observatory on Local Democracy and Decentralization (GOLD) Report is one of the main products of United Cities and Local Governments (UCLG). The GOLD Report is the first of what will be a triennial publication. UCLG represents and defends the interests of local governments on the world stage regardless of the size of the communities they serve. Headquartered in Barcelona, the organization's stated mission is to be the united voice and world advocate of democratic local self-government, promoting its values, objectives and interests through cooperation between local governments and within the wider international community.

The Politics of Local Government in Russia Alfred B. Evans, Vladimir Gel'man, 2004-06-03. According to the Constitution of the Russian Federation adopted in 1993, local autonomy is one of the fundamental principles of the constitutional system. The Politics of Local Government in Russia aims to provide a dedicated and comprehensive discussion of the pursuit of local self-government in contemporary Russia, where local refers to the third tier of government beyond federal and regional governments. Some of the ablest scholars in the field focus on the existing institutional and social climate for municipal and district level government in Russia while placing recent reforms in a comparative and historical perspective.

Federalism and Local Politics in Russia Cameron Ross, Adrian

Campbell, 2008-10-27. This book examines federalism and regional and local politics in Russia. Many commentators have alluded to the unique nature of Russia's dual transition and its difficult task of simultaneously reforming its economy and polity. But there is in fact a third transition under way in Russia that is of no less importance: the need to reconfigure central local relations and to create a stable and viable form of federalism. Federal states are much more difficult to set up than unitary ones, and forging a new federal system at the same time as privatising the economy and trying to radically overhaul the political system has clearly made Russia's transition triply difficult. The book discusses how Vladimir Putin has reasserted the power of the centre in Russia and tightened the federal government's control of the regions. It shows how contrary to his rhetoric about developing Russia as a free and democratic state, authoritarianism has been extended through his

reorganisation of the Federation Council his usurpation of powers to dismiss regional assemblies and chief executives and his creation of seven unelected super governors The book explores a wide range of issues related to these developments including a comparative study of Russian federalism and local politics ethnic federalism the merging of federal units regional governors electoral and party reforms and regional and local politics It also includes case studies of local and regional politics in specific regions **Autocracy in the Provinces** Valerie Ann Kivelson,1996 This book explores the possibilities for rich and varied social cultural and political development under the rule of an autocratic state The author situates Muscovite history within a comparative framework demonstrating that seventeenth century Russia was neither backward nor peculiar but developed its own variant of the concurrent state building processes of Western European monarchies

Nation Building And Ethnic Integration In Post-soviet Societies Jorn Holm-hansen,2019-04-16 Of all the states of the former Soviet Union it is in Latvia and in Kazakstan that the titular nation represents the lowest share of the total population as of 1997 approximately 57 per cent in Latvia and 50 per cent in Kazakstan In such a situation it is difficult to see how the titular Latvian Kazak culture can serve as a consolidating ele Protest in the Provinces Allison D.

Evans,2025-05-20 Protest in the Provinces studies protest in Russia s company towns after the collapse of the Soviet Union when reforms in Russia led to a severe economic depression and political chaos Protests about these crises were scattered and varied By examining the responses to the reforms by three company towns Cherepovets steel Komsomolsk na Amure defense and Surgut oil and gas this book argues that a city s level of dependence on the central state and the presence or absence of elite divisions shape how local elites interact with the public which influences the size and intensity of protests

Union List of Serials in Libraries of the United States and Canada Gabrielle (Ernits) Malikoff,1927 **The Constitution of the Russian Federation** Jane Henderson,2022-08-25 The scholarship is consistently thorough and lucid and absolutely reliable European Public Law As reviews of the first edition attest this book gives a unique critical and contextual insight into the Constitution of one the world s most powerful countries Its first edition was published in 2011 when Dmitrii Medvedev was Russia s President Since then there was a regime change in 2012 as Vladimir Putin returned to the presidency and significantly dramatic shifts in constitutionality as Russia pursues a return to traditional values The book explores the Constitution s evolution over its nearly 30 years existence including the significant amendments of 2020 This second edition situates these important changes in the context of Russia s historical and legal development as Putin continues to dominate the political scene It also looks at broader constitutional questions on the interrelation between the main State agencies the role of the courts human rights and their enforcement *Post-Liberal Statebuilding in Central Asia* Philipp Lottholz,2022-05-25 Drawing on decolonial perspectives on peace statehood and development this illuminating book examines post liberal statebuilding in Central Asia Through its analysis the book highlights the problem with assumptions about liberal democracy modern statehood and capitalist development as the standard template for post conflict countries

Shadow Separatism Matthew Crosston, 2019-06-04 Originally published in 2004 Examining autonomy in the Russian Federation Matthew Crosston ascertains how the regional use of bilateral autonomy treaties has influenced the long term stability legitimacy and efficacy of the state The study challenges some long accepted conclusions about democratization and the devolution of power advancing into new international arenas Riker and Dahl s relatively ignored theoretical concerns that decentralized federations are ineffective and disintegrative while centralized federations are consolidating Scholars of Russian politics democratization ethnic conflict comparative intergovernmental relations and development will find this book particularly stimulating

Taxes and Trust Marc P. Berenson, 2018-01-25 Emphasizes how trust can turn a coercive tax state into a modern legitimate one This title is also available as Open Access

Russia and the EU Thomas Hoffmann, Andrey Makarychev, 2018-07-27 The annexation of Crimea in 2014 and Russia s support for military insurgency in eastern Ukraine undermined two decades of cooperation between Russia and the EU leaving both sides in a situation of reciprocal economic sanctions and political alienation What is left of previous positive experiences and mutually beneficial interactions between the two parties And what new communication practices and strategies might Russia and Europe use Previously coherent and institutionalized spaces of communication and dialogue between Moscow and Brussels have fragmented into relations that while certainly not cooperative are also not necessarily adversarial Exploring these spaces contributors consider how this indeterminacy makes cooperation problematic though not impossible and examine the shrunken yet still existent expanse of interaction between Russia and the EU Analysing to what extent Russian foreign policy philosophy is compatible with European ideas of democracy and whether Russia might pragmatically profit from the liberal democratic order the volume also focuses on the practical implementation of these discourses and conceptualizations as policy instruments This book is an important resource for researchers in Russian and Soviet Politics Eastern European Politics and the policy politics and expansion of the European Union

Russian Electricity and Energy Investment Law Anatole Boute, 2015-08-11 Electricity supply plays a strategic role for Russia s economic development and for social peace As a main consumer of natural gas electricity is also of central importance for the efficient management of Russia s energy resource basis Today however the electricity sector is in an obsolete condition Investments are needed in the modernization of the infrastructure This book analyzes the liberalization and privatization program that Russia is implementing to attract private investments in this modernization process Taking a comparative approach this analysis critically assesses Russian electricity law in the light of the European liberalization experience Given the strategic importance of electricity investors face significant risks of government intervention This book identifies these regulatory risks and examines investment protection mechanisms under Russia s national and international investment obligations

The War and the Russian Government Pavel Pavlovich Gronskiĭ, 1929

Rural Russia Under the Old Régime Geroid Tanquary Robinson, 1967

For the Common Good and Their Own Well-being Alison Karen Smith, 2014 Every subject of the Russian Empire had an official

legal place in society marked by his or her social estate or soslovie This book looks at the many ways that soslovie affected individual lives and traces its legislation and administration from the early eighteenth through to the early twentieth century

Arctic Marine Sustainability Eva Pongrácz,Victor Pavlov,Niko Hänninen,2020-03-06 This book presents the latest scientific views on resource use conflicts in the Arctic seas The main areas of focus are the biological resources of Arctic seas vs exploitation of oil and gas resources and the conflicts in between In addition climate change is presented as a stressor which both limits and facilitates the economic availability of resources in the Arctic The book is divided into five parts Part 1 examines Arctic ecosystems resilience of the marine environment and possible conflicts between industrial sector and biological world The focus of Part 2 is on transport infrastructure along the northern routes Issues such as Arctic maritime operations black carbon and unmanned aerial vehicles are considered Part 3 focuses on resource use conflicts in Arctic seas and on the most recent threats in terms of Arctic oil and gas exploration offshore logistics operations as well as transportation of oil and oil products Discussions in Part 4 of the book are concentrated around social aspects and involvement of local communities Tourism development preservation of indigenous culture engagement of communities on relevant Arctic issues search and rescue in the cold marine environment are examples of questions raised The book reviews Arctic specific petroleum regulations the state of preparedness to oil spill accidents in the region as well as the latest developments in oil spill response technologies and their limitations Search and rescue operations are reviewed and how working in this harsh Arctic environment affects the ability of rescue technicians to perform the required technical skills Part 5 considers the sustainability challenges arising from the marine resource exploitation The focus is on the vulnerability of Arctic ecosystems to disturbance both natural and anthropogenic

Performing Russia Laura Olson,2004-07-31 This book examines folk music and dance revival movements in Russia exploring why this folk culture has come to represent Russia how it has been approached and produced and why memory and tradition in these particular forms have taken on particular significance in different periods Above all it shows how folk tradition in Russia is an artificial cultural construct which is periodically reinvented and it demonstrates in particular how the folk revival has played a key role in strengthening Russian national consciousness in the post Soviet period

Local Politics and Democratization in Russia Cameron Ross,2008-10-27 This comprehensive study of local politics in Russia shows that the key reforms of local government and the struggle to forge viable grassroots democracies have been inextricably linked to the wider struggle for power between the regions and the Kremlin and to the specific nature of Russia's highly politicized and negotiated form of asymmetrical federalism During the Yeltsin era all attempts to create a universal and uniform system of local self government in the federation were a failure Under the protection of their constitutions and charters and the extra constitutional rights and powers granted to them in special bilateral treaties regional leaders particularly in Russia's 21 ethnic republics were able to instigate highly authoritarian regimes and to thwart the implementation key local government reforms Thus by the end of the

Yeltsin era the number of municipalities their type status and powers varied tremendously from region to region Putin's local government reforms also need to be viewed as an integral component of his wider centralizing political agenda and his assault on the principles and practices of federalism With the instigation of his dictatorship of law and power vertical Putin has thwarted the development of grassroots democracy and overseen the creation of local electoral authoritarian regimes Putin's new system of local self government marks a victory for the proponents of the statist concept of local self government over those who championed the societal concept codified in Article 12 of the Russian Constitution Overall this book is an important resource for anyone seeking to understand politics in Putin's Russia

Liberal City, Conservative State Robert William Thurston, 1987-09-17 Between 1906 and the outbreak of World War I Moscow was the locale of great uncertainty and experimentation Moscow's liberal leaders sought social and political stability for their city following the violence of the 1905 revolution by offering attractive programs in education employment housing and other areas to Moscow's unruly lower classes They were countered in their efforts however by central authorities of the Old Regime who feared the political effects of these programs and stressed social rigidity *Liberal City Conservative State* examines the resulting clash between the city and the state as it brought to the surface and exacerbated the deep tensions plaguing Russia by the eve of World War I It focuses on the roots of this dispute juxtaposing the Old Regime's rural background and orientation with the urban concerns of Moscow's liberals and sees the state's essential failure in its inability to come to terms with the realities of urban life and growth Providing new perspectives and insights into Russian liberalism the scope and urgency of urban problems and the importance of tsarist ideology in conditioning development after 1905 Moscow's story sheds light on the unsolved dilemmas and contradictions that pushed Russia inexorably toward revolution

Mestnoe Samoupravlenie Introduction

In today's digital age, the availability of Mestnoe Samoupravlenie books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mestnoe Samoupravlenie books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mestnoe Samoupravlenie books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mestnoe Samoupravlenie versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mestnoe Samoupravlenie books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mestnoe Samoupravlenie books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mestnoe Samoupravlenie books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mestnoe Samoupravlenie books and manuals for download have transformed the way we access

information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mestnoe Samoupravlenie books and manuals for download and embark on your journey of knowledge?

FAQs About Mestnoe Samoupravlenie Books

What is a Mestnoe Samoupravlenie PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Mestnoe Samoupravlenie PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Mestnoe Samoupravlenie PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Mestnoe Samoupravlenie PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Mestnoe Samoupravlenie PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection,

editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
