New Mebiahs:

The Jewish Messiahs Harris Lenowitz, 2001-09-27 In this book Harris Lenowitz explores the fascinating history of Jewish messianic movements Looking in detail at all of the Jewish messiahs about whom anything is known he introduces each of these figures in turn and offers extensive excerpts of the original texts that tell their stories The messiahs whom we meet in these pages range from the inspiring to the tragic and bizarre By examining the messianic idea in the tradition which gave birth to it Lenowitz both sheds new light on this engrossing aspect of Jewish history and provides a firmer basis for understanding contemporary messianic groups

The Jewish Messiahs : From the Galilee to Crown Heights Harris Lenowitz Professor of Hebrew in the Department of Languages and Literature and the Middle East Center University of Utah, 1998-10-23 In this book Harris Lenowitz explores the fascinating history of Jewish messianic movements Looking in detail at all of the Jewish messiahs about whom anything is known he introduces each of these figures in turn and offers extensive excerpts of the original texts that tell their stories The messiahs whom we meet in these pages range from the inspiring to the tragic and bizarre By examining the messianic idea in the tradition which gave birth to it Lenowitz both sheds new light on this engrossing aspect of Jewish history and provides a firmer basis for understanding contemporary messianic groups

Messiahs and Messianic Movements through 1899 Roland H. Worth, Jr., 2010-06-28 A messiah is an individual appointed by God to a specific task of importance and elevated to a level of far greater authority than a prophet by leading or claiming to lead a group or movement The movement comes to be uniquely centered on his or her teachings and the messiah claims spiritual and temporal authority over its followers This book is an examination of both males and females in the Judeo-Christian heritage excluding Jesus of Nazareth who either claimed to be the messiah were viewed by contemporaries as such or are considered by a significant number of scholars to have been motivated by messianic goals The work is arranged chronologically with details about messiahs from before Christ through the dawn of the technological age at the end of the nineteenth century It covers nearly 100 individual messiahs including such Old Testament figures as King Hezekiah and Herod the Great as well as later messiahs both obscure and historically renowned even Queen Elizabeth I and King Charles I were touted as messiahs by certain devoted followers Meticulously researched the book includes an extensive bibliography

Messiahs of 1933 Joel Schechter, 2008-05-07 A lively examination of Yiddish theatre during the Great Depression

Jewish Messiahs in a Christian Empire Martha Himmelfarb, 2017-02-20 Text and context The mother of the messiah The messiah son of David and the suffering servant The servant messiah beyond Sefer Zerubbabel The dying messiah son of Joseph Sefer Zerubbabel after Islam

Modern Messiahs and Wonder Workers William Oxley, 1889

Messiah Pulpit, 1896 Contains text of sermons delivered by M J Savage and others in New York City

The Gospel of Matthew, Volume 1 George Wesley Buchanan, 2006-08-01 Prof George Wesley Buchanan PhD Litt D D S L Recognized in academic circles for being the first for the following 1 use of insights from the Dead Sea Scrolls to solve biblical problems 2 discover midrash

commentary on Scripture in the First Testament 3 publish intertextual commentaries both in the First Testament and in the New Testament 4 discover the northern boundaries of the Promised Land 5 discover independently as one of two scholars the true location of the temple at Zion 6 discover the method for distinguishing the teachings of Jesus from the additions of the later church Other scholars have followed Schweitzer in declaring that this could not be done Other Biographical Data for Prof Buchanan Ordained elder in the United Methodist Church pastor of churches for fourteen years Horowitz Fellow Scheuer Fellow Rosenstiel Fellow Association of Theological Schools Fellow Claremont Society of Biblical Literature Fellow Recipient of the Alumni Achievement Award Simpson College Recipient of Numerous Research Grants **God's Judgment**

through the Davidic Messiah Myongil Kim,2020-10-02 This dissertation examines the role of the Davidic Messiah who is the agent of God s judgment in Romans 1 18 4 25 It may be summarized in two theses First of all the Davidic Messiah was expected in the Old Testament and the Second Temple Jewish writings which establish the foundation for Paul s Davidic Messiah Christology in Romans Second the language in the role of the agent of God s judgment cannot be identified with the term faithfulness *The Rest on the Flight* Peter Porter,2010-11-23 Satirist philosopher elegist aphorist cultural historian

Peter Porter is perhaps too singular a talent to be described as representative of the age an Australian whose easy familiarity with the breadth of European culture puts most Europeans to shame he has long held the reputation of one of our most intellectually promiscuous and culturally sophisticated writers Porter uses the poem as a means through which a thought can be pursued this selection from fifty years work allows us the first opportunity to fully survey the quality and breadth of that thought and the unfailing intensity of its light In short his *Selected Poems* is a one volume education Porter s subtle and profound sense of history permits him to read any event as a point in a dynamic space where the forces of time and culture converge From these coordinates he gives perspective direction and bearing to our contemporary life and allows us to read the pattern of our ideas art and loves on the map of an ancient terrain That he has done all this with such immense good humour and human compassion is one of the literary miracles of our time *In Rome We Trust* Manlio Graziano,2017-03-21

A tightly written dispassionate and unsentimental account of American Catholic political history one backed by substantial research Jason K Duncan *The Review of Politics* In *Rome We Trust* examines the unusually serene relationship between the chief global superpower and the world s most ancient and renowned institution The Catholicization of the United States is a recent phenomenon some believe it began during the Reagan administration others feel it emerged under George W Bush s presidency What is certain is that the Catholic presence in the American political ruling class was particularly prominent in the Obama administration over one third of cabinet members the Vice President the White House Chief of Staff the heads of Homeland Security and the CIA the director and deputy director of the FBI the Chairman of the Joint Chiefs of Staff and other top military officers were all Roman Catholic Challenging received wisdom that the American Catholic Church is in crisis and that the political religion in the United States is Evangelicalism Manlio Graziano provides an engaging account of

the tendency of Catholics to play an increasingly significant role in American politics as well as the rising role of American prelates in the Roman Catholic Church Graziano's convincing conclusions with regard to the current mutually influential relationship between United States and Rome make for fascinating reading Timothy Byrnes Colgate University Graziano demythologizes the U S Vatican relationship in the post World War II era David T Buckley Political Science Quarterly A priceless interpretation of the geopolitics that the Roman Church and America have recently practiced and will continue to practice in the post Cold War era Corriere della Sera *A Spot to Perch* Dr. Oliver Akamnonu, 2011-08-19 They had initially made yearly vacation visits to the United States Those were fun and relaxation times But the monumental insecurity in their homeland coupled with disgust with the incessant mounting corruption and harassment from men in flowing robes and in uniform who were supposed to protect the citizens became so unbearable that the couple started surveying avenues for relocation to God's Own Country When the opportunity finally came by and the couple landed in Los Angeles airport they came to discover new challenges which they were to grapple with The belief that a perfect spot to perch had been found was soon to be soured by the saga of two apparently innocuous tubers of yams whose combined value was less than one dollar Even after the yams were confiscated and destroyed at the airport the aftermath of the violation was to replay nearly five years later when naturalization for citizenship of the United States was sought The enormous powers of two tubers of yams were greatly displayed as the applicants grappled with unforeseen situations which had sought to thwart the life long desires of a couple to be participants of the promises of God's own country Would the promise of realization of the American Dream succumb to the evil machinations of two inanimate tubers of yams Or would the justice and fair play in a country that prides itself with its trust in God one that holds certain truths as self evident once again proclaim its superiority over apparent trivialities in the Land of the free and the Home of the brave

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 United States. Internal Revenue Service, 2002

The Cambridge History of Seventeenth-century Philosophy Daniel Garber, Michael Ayers, 2003 Annotation The Cambridge History of Seventeenth Century Philosophy offers a uniquely comprehensive and authoritative overview of early modern philosophy written by an international team of specialists As with previous Cambridge Histories of Philosophy the subject is treated by topic and theme and since history does not come packaged in neat bundles the subject is also treated with great temporal flexibility incorporating frequent reference to medieval and Renaissance ideas The basic structure of the volumes corresponds to the way an educated seventeenth century European might have organised the domain of philosophy Thus the history of science religious doctrine and politics feature very prominently

American and British Writers in Mexico, 1556-1973 Drew Wayne Gunn, 2014-07-03 American and British Writers in Mexico is the study that laid the foundation upon which subsequent examinations of Mexico's impact upon American and British letters have built Chosen by the Mexican government to be placed in translation in its public libraries the book was also referenced by Nobel Laureate Octavio Paz in

an article in the New Yorker Reflections Mexico and the United States Drew Wayne Gunn demonstrates how Mexican experiences had a singular impact upon the development of English writers beginning with early British explorers who recorded their impressions for Hakluyt's Voyages through the American Beats who sought to escape the strictures of American culture Among the 140 or so writers considered are Stephen Crane Ambrose Bierce Langston Hughes D H Lawrence Somerset Maugham Katherine Anne Porter Hart Crane Malcolm Lowry John Steinbeck Graham Greene Tennessee Williams Saul Bellow William Carlos Williams Robert Lowell Ray Bradbury Allen Ginsberg William Burroughs and Jack Kerouac Gunn finds that while certain elements reflecting the Mexican experience colors landscape manners political atmosphere a sense of the alien are common in their writings the authors reveal less about Mexico than they do about themselves A Mexican sojourn often marked the beginning the end or the turning point in a literary career The insights that this pioneering study provide into our complex cultural relationship with Mexico so different from American and British authors encounters with Continental cultures remain vital The book is essential for anyone interested in understanding the full range of the impact of the expatriate experience on writers

Handel's Messiah Calvin Stapert, 2010-10-12 Handel's oratorio Messiah is a phenomenon with no parallel in music history No other work of music has been so popular for so long Yet familiarity can sometimes breed contempt and also misunderstanding This book by music expert Calvin Stapert will greatly increase understanding and appreciation of Handel's majestic Messiah whether readers are old friends of this remarkable work or have only just discovered its magnificence Stapert provides fascinating historical background tracing not only Messiah's unlikely inception but also its amazing reception throughout history The bulk of the book offers scene by scene musical and theological commentary on the whole work focusing on the way Handel's music beautifully interprets and illuminates the biblical text For anyone seeking to appreciate Handel's Messiah more this informed yet accessible guide is the book to have and read Handel's Messiah Comfort for God's People is the newest volume in the flourishing Calvin Institute of Christian Worship Liturgical Studies Series edited by John D Witvliet

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986, 1987

The Nonviolent Messiah Simon J. Joseph, 2014-06-02

When scholars have set Jesus against various conceptions of the messiah and other redemptive figures in early Jewish expectation those questions have been bound up with the problem of violence whether the political violence of a militant messiah or the divine violence carried out by a heavenly or angelic figure Missing from those discussions Simon J Joseph contends are the unique conceptions of an Adamic redeemer figure in the Enochic material conceptions that informed the Q tradition and he argues Jesus own self understanding

Prophets and Prophecy in the Late Antique Near East

Jae Hee Han, 2023-11-09 In this volume Jae Han investigates how various Late Antique Near Eastern communities Jews Christians Manichaeans and philosophers discussed prophets and revelation among themselves and against each other Bringing an interdisciplinary historical approach to the topic he interrogates how these communities used discourses of

prophethood and revelation to negotiate their place in the world Han tracks the shifting contours of prophecy and contextualizes the emergence of orality as the privileged medium among rabbis Manichaeans and Jewish Christian communities He also explores the contemporary interest in divinatory knowledge among Neoplatonists Offering a critical re-reading of key Manichaean texts Han shows how Manichaeans used concepts of prophethood and revelation within specific rhetorical agendas to address urgent issues facing their communities His book highlights the contingent production of discourse and shows how contemporary theories of rhetoric and textuality can be applied to the study of ancient texts

Sixty Years of Moral Theology Curran, Charles E., 2020 Following the model of the previous volumes Charles Curran has gathered here fourteen articles relating to three areas in moral theology I Vatican II and Its Aftermath II Humane Vitae and Its Aftermath III Subsequent Developments
