*Home-work* Cynthia Conchita Sugars,2004-06-22 Canadian literature and specifically the teaching of Canadian literature has emerged from a colonial duty to a nationalist enterprise and into the current territory of postcolonialism From practical discussions related to specific texts to more theoretical discussions about pedagogical practice regarding issues of nationalism and identity Home Work constitutes a major investigation and reassessment of the influence of postcolonial theory on Canadian literary pedagogy from some of the top scholars in the field      **From Historical to Critical Post-Colonial Theology** Robert S Heaney,2016-05-26 What is post colonial theology How does it relate to theology that emerged in historically colonial situations These are two questions that get to the heart of Robert S Heaney s work as he considers the extent to which theologians predating the emergence of post colonial theology might be considered as precursors to this theological movement Heaney argues that the work of innovative theologians John S Mbiti and Jesse N K Mugambi important in their own right must now also be considered in relation to the continued emergence of post colonial theology When this is done fresh perspectives on both the nature of post colonial theology and contextual theology emerge

Through a sympathetic and critical reading of Mbiti and Mugambi Heaney offers a series of constructive moves that counter the ongoing temptation toward acontextualism that continues to haunt theology both in the North and in the South
