

Two perspectives on Jesus - Acts 7:54-59

Acts 7:54 The Jewish leaders were infuriated by Stephen's accusation, and they shook their fists at him in rage.

Luke 5:39 But no one who drinks the old wine seems to want the new wine. 'The old is just fine,' they say."

⁵⁷ Then they put their hands over their ears and began shouting. They rushed at him ^{58a} and dragged him out of the city and began to stone him.....

⁵⁵ But Stephen, full of the Holy Spirit, gazed steadily into heaven and saw the glory of God, and he saw Jesus standing in the place of honor at God's right hand.

⁵⁶ And he told them, "Look, I see the heavens opened and the Son of Man standing in the place of honor at God's right hand!"

⁵⁹ As they stoned him, Stephen prayed, "Lord Jesus, receive my spirit." ⁶⁰ He fell to his knees, shouting, "Lord, don't charge them with this sin!" And with that, he died.

Ross Wagner, C. Kevin Rowe, A. Katherine Grieb, 2008-11-05 This is a collection of essays to celebrate Richard Hays 60th birthday It is written by colleagues and friends whose scholarly imaginations have been sparked in numerous ways by his insights The Passion According to Luke Jerome H. Neyrey, 2007-05-01 Jerome Neyrey brings a remarkably enlightened approach to the Passion Narrative and to Luke's particular version of it The book begins where previous studies leave off for it goes beyond traditional questions of source and historicity and treats the Lukan Passion Narrative from the standpoint of redaction criticism Neyrey offers a fresh literary analysis of the text along with significant thematic and theological insights into Luke's version of Jesus's Passion Five major episodes in the Passion Narrative are treated The Farewell Address at the Last Supper the Garden Jesus's Trials his Address to the Women and the Crucifixion Although rich in detail this book continually offers a unified view of the text readers are constantly offered overviews summaries of the data and interpretation of it The book breaks new ground in suggesting a distinctive Lukan soteriology of the cross and a corresponding Christology Study of the faith of the dying Jesus becomes a major clue for seeing Jesus as the New Adam in Luke Acts This book significantly advances our reading of Luke especially by the way Acts is brought to bear as an interpretive clue to Luke's whole project Luke Acts Contemporary interpretation of Luke demands study of the way Lukan structures and themes are continued and confirmed in Acts which holds true especially for the Passion Narrative Luke brings the story of Jesus into harmony with the story of his church

New Perspectives on Land Registration Amy Goymour, Stephen Watterson, Martin Dixon, 2018-02-08 The Land Registration Act 2002 has been in force for almost fifteen years When enacted the legislation which replaced the Land

Registration Act 1925 was intended to offer a clear and lasting framework for the registration of title to land in England and Wales. However, perhaps confounding the hopes of its drafters, the legislation's interpretation and application has since generated many unanticipated problems which demand attention. In this book's twenty chapters, leading land law scholars, Law Commissioners, past and present judges, and Registry lawyers unpick key technical controversies and expose underlying theoretical and policy concerns. Core issues addressed in these chapters include the legitimate ambitions of registration regimes, the nature and security of title afforded by registration, the resolution of priority disputes affecting registered titles, the relationship between the general law and the registration regime, and new challenges presented by modern technological developments.

Exploring Second Corinthians B. J. Oropeza, 2016-04-15. A multi-faceted commentary that breathes fresh insight into Paul's letter. In Second Corinthians, Paul responds to reports of the Corinthian congregation questioning his competency as a divinely sent messenger. Through apologetic demagogia and the use of graphic imagery related to triumphal processions, siege warfare, and emissary travels and negotiation, Paul defends his constancy, persona, and speaking abilities as he extends the offer of clemency and reconciliation to his auditors. Oropeza combines rhetorical pictures, rhetography, with interpretative layers, literary features, intertextuality, socio-cultural, ideological, and sacred textures to arrive at the rhetorical impact of Paul's message for ancient Mediterranean discourse. Features: A visual, sensory, and imaginative interpretation of the scripture. A comprehensive commentary. An avant-garde approach to biblical interpretation. **Journal of Greco-Roman Christianity and Judaism, Volume 13** Stanley E. Porter, Matthew Brook O'Donnell, Wendy J. Porter, Hughson T.

Ong, 2018-09-01. Volume 13, 2017. This is the thirteenth volume of the hard copy edition of a journal that has been published online at www.jgrchj.net since 2000. As they appear, the hard copy editions replace the online materials. The scope of JGRChJ is the texts, language, and cultures of the Greco-Roman world of early Christianity and Judaism. The papers published in JGRChJ are designed to pay special attention to the larger picture of politics, culture, religion, and language, engaging as well with modern theoretical approaches.

The Writings of Luke and the Jewish Roots of the Christian Way J. Andrew Cowan, 2019-02-21. J. Andrew Cowan challenges the popular theory that Luke sought to boost the cultural status of the early Christian movement by emphasising its Jewish roots, associating the new church with an ancient and therefore respected heritage. Cowan instead argues that Luke draws upon the traditions of the Old Testament and its supporting texts as a reassurance to Christians, promising that Jesus' life, his works, and the church that follow legitimately provide fulfilment of God's salvific plan. Cowan's argument compares Luke's writings to two near contemporaries, Dionysius of Halicarnassus and T. Flavius Josephus, both of whom emphasized the ancient heritage of a people with cultural or political aims in view, exploring how the writings of Luke do not reflect the same cultural values or pursue the same ends. Challenging assumptions on Luke's supposed attempts to

assuage political concerns capitalize on antiquity and present Christianity as an inner Jewish sect Cowan counters with arguments for Luke being critical of over valuing tradition and defining the Jewish people as resistant to God and His messages Cowan concludes with the argument that the apostle does not strive for legitimisation of the new church by previous cultural standards but instead provides theological reassurance to Christians that God's plan has been fulfilled with implications for broader debate

Presidential Privilege and the Freedom of Information Act Kevin M. Baron, 2019-04-01 Tells the story behind the development of the Freedom of Information Act and explores its legacy today The Freedom of Information Act developed at the height of the Cold War highlighted the power struggles between Congress and the president in that tumultuous era By drawing on previously unseen primary source material and exhaustive archival research this book reveals the largely untold and fascinating narrative of the development of the FOIA and demonstrates how this single policy issue transformed presidential behaviour The author explores the policy's lasting influence on the politics surrounding contemporary debates on government secrecy public records and the public's right to know and examines the modern development and use of executive privilege

Key Features Draws on extensive archival research conducted at the Lyndon Baines Johnson Presidential Library the Gerald R Ford Presidential Library the John E Moss Archives The National Archives in Washington DC the Carl Albert Center Archives and the Richard M Nixon Presidential Library Provides deep insights into contemporary debates surrounding issues of government secrecy freedom of information and public records Creates a new multidimensional model to rethink our understanding of the politics of policymaking

Atonement and the New Perspective Stephen Burnhope, 2018-08-10 Atonement has been described as the central doctrine of Christianity and yet surprisingly the church has never insisted on a particular understanding of how redemption in Christ was achieved Instead a miscellany of metaphors has been employed each picturing something of Christ's work Recent debate within Reformed Evangelicalism has been characterized by claims for hegemony to be granted to penal substitution versus counter arguments for a kaleidoscopic multi model understanding Notably absent in these discussions however are two considerations One is any common nexus to draw atonement thought together The other is any positive theological contribution deriving from God's preexisting relationship with Israel the presumed role of which has rather been to provide a negative contrast of law versus grace and works versus faith as the dark background against which the light of Christ may shine more brightly Recent scholarship however particularly the new perspective on Paul has comprehensively dismantled the old stereotypes concerning first century Judaism This book asks how differently we might think about the atonement once it is brought into conversation with the new scholarship It concludes by proposing a new perspective on atonement in which Christ is central Israel and Torah are affirmed and the traditional metaphors continue to find their place

Luke and the Restoration of Israel David Ravens,1995-12-01 Ravens argues that Luke's belief in God's restoration of Israel provides the key context for understanding Luke Acts His attitudes to Jews his surveys of Israel's history and his interest in the Samaritans combine to suggest his wider pre Davidic view of Israel a view that becomes the pattern for the restored Israel under its Davidic king Luke's belief leads him to present Christology and atonement in ways that cohere with Jewish hopes and to correct apparently anti Jewish elements in Paul's letters and Matthew's Gospel This theme also determines his account of the gentile mission and his pastoral concern for unity *Do This in Remembrance of Me* Bradley Billings,2006-06-09 This title posits a new explanation of the longstanding textual problem affecting the Words of Institution in St Luke's Gospel by arguing that the social situation of the early Christian community explains why such emendations were made By examining the manner in which manuscripts function as windows into the social world of early Christianity Billings provides a fruitful study of the longstanding gap in our knowledge of a significant textual problem represented by the Western Text of Luke *The Conclusion of Luke-Acts* Charles B. Puskas,2009-01-01 The conclusion of Luke Acts is regarded as one of the most important chapters of Luke's two volume work Several significant Lukan themes are found in Acts 28 all of which make some contribution to the purpose and aim of the author in writing Luke Acts the Gentile mission the triumph of God's Word and the relationship of Christianity with Judaism and Rome Acts 28 contains many historical problems that have been debated for centuries including the we statements the figure of Paul in Acts 28 and the abrupt ending Puskas compares the conclusion of Acts with other important chapters of Luke Acts the introduction of the Gospel the conclusion of Acts the defense of Paul chapters as well as other passages In this significant chapter of Acts 28 there are still fundamental problems of exegesis that need to be addressed What is the literary function of Acts 28 What is Luke trying to tell his readers in the text New Perspectives on Inner Speech Pablo Fossa,2022-08-08 Inner speech has been a focus of multidisciplinary interest It is a long standing phenomenon of study in philosophy psychology and anthropology Researchers from different disciplines have turned their efforts to understand this inherent experience of being talking to oneself In psychology Vygotsky managed to develop a complete description of the phenomenon giving rise to a great line of research related to inner speech in the human experience Including a compilation of theoretical and empirical advances related to inner speech phenomenon this book is aimed at academics and researchers in the area of psychology education and culture This book will be of interest to international research programs related to cultural psychology socio constructivism developmental psychology and education New Perspectives on Corporate Social Responsibility Linda O'Riordan,Piotr Zmuda,Stefan Heinemann,2015-04-14 Providing a timely contribution to the ongoing questions surrounding topics which are by definition subject to varying stakeholder interpretations this book addresses the missing link between theoretical CSR concepts and everyday management practice It acts as a guide to awaken managers to the advantages of adopting a CSR mindset when developing sustainable business strategies The book consists of three parts 1 A theoretical realm which establishes the key

concepts and rationale for the adoption of a sustainable CSR approach 2 A practical realm which addresses putting CSR and sustainability into business practice 3 An educational realm which proposes how to incorporate the concepts into teaching and training

Luke the Theologian François Bovon, 2006 In this completely revised and updated edition François Bovon provides a critical assessment of the last fifty five years of scholarship on Luke Acts The study divides thematically with individual chapters covering the subjects of history and eschatology the role of the Old Testament Christology the Holy Spirit conversion and the church Each chapter begins with a consideration of the exegetical and theological problems unique to each theme in Luke Acts before providing a detailed survey and critique of contemporary English German French Spanish and Italian New Testament scholarship
