Our Unknown, Undeserved, Preplanned Journey Jan Gingrich,2020-01-30 Life is often referred to as a journey Without a doubt every person who uses that analogy does so from at least a different perspective and likely a different reason Sometimes it is because they have found life hard and the term journey represents the struggle and its length they have experienced There is some of that factor in our so titling the book Other times it is used to express finding life delivering beyond their expectations and the experience took them where they never imagined going There is that factor in our so titling the book also Sometimes it is because life seems mundane repetitious and they feel caught in its cycle There is nothing of that in our book There is a poem called Footprints in the Sand by Mary Fishback Powers that illustrates the caring hand of God she experienced in hard times of life when she saw only one set of prints Too often that is all we look for help in the parts of life s journey we think we need help with True we should look for that but the promise of God to his children is I will never leave nor forsake you good or hard times This book was written to demonstrate the truth and reality of that promise made over 200 times in various wordings of the Bible This book was written no had to be written so every child of God is alertly looking for what God is doing for them every day in ways they have not considered before Then experience the amazement of realizing their Journey has been part of the Creator s plan from the beginning who works all things according to his good and perfect will so that they can know purpose and blessing in life and

not just an aimless Journey What the Dog Knows Cat Warren,2013-10-01 A firsthand exploration of the extraordinary abilities and surprising sometimes life saving talents of working dogs pups who can sniff out drugs find explosives even locate the dead as told through the experiences of a journalist and her intrepid canine companion which The New York Times calls a fascinating deeply reported journey into the amazing things dogs can do with their noses There are thousands of working dogs all over the US and beyond with incredible abilities they can find missing people detect drugs and bombs pinpoint unmarked graves of Civil War soldiers or even find drowning victims more than two hundred feet below the surface of a lake These abilities may seem magical or mysterious but author Cat Warren shows the science the rigorous training and the skilled handling that underlie these creatures amazing abilities Cat Warren is a university professor and journalist who had tried everything she could think of to harness her dog Solo s boundless energy and enthusiasm until a behavior coach suggested she try training him to be a working dog What started out as a hobby soon became a calling as Warren was introduced to the hidden universe of dogs who do this essential work and the handlers who train them Her dog Solo has a fine nose and knows how to use it but he s only one of many astounding dogs in a varied field Warren interviews cognitive psychologists historians medical examiners epidemiologists and forensic anthropologists as well as the breeders trainers and handlers who work with and rely on these intelligent and adaptable animals daily Along the way Warren discovers story after story that prove the capabilities as well as the very real limits of working dogs and their human partners Clear eyed and unsentimental Warren explains why our partnership with working dogs is woven into the fabric of society and why we keep finding new uses for the wonderful noses of our four legged friends Puppy Pal Pointers Pamela J.
