

New Religious Movements Mass Suicide And Peoples Temple

Peter Iadicola, Anson Shupe

New Religious Movements Mass Suicide And Peoples Temple:

New Religious Movements, Mass Suicide, and Peoples Temple Rebecca Moore, Fielding M. McGehee, 1989-01 This is a study by leading scholars of the Jonestown tragedy with a wider discussion of new religious movements and their adherents and an examination of the phenomenon of mass suicide and People's Temple

Understanding New Religious Movements John A. Saliba, 2004-09-08 Discussions of any religion can easily raise passions. But arguments tend to become even more heated when the religion under discussion is characterized as new. Divisions around the study of new religious movements (NRMs) or cults or nontraditional or alternative or emergent religions are so acute that there is even controversy over what to call them. John Saliba strives to bring balance to these discussions by offering perspectives on new religions from different academic perspectives: history, psychology, sociology, law, theology, and counseling. This approach provides rich descriptions of a broad range of movements while demonstrating how the differing aims of the disciplines can create much of the controversy around NRMs. The new second edition has been updated and revised throughout and includes a new foreword by noted historian of religion J. Gordon Melton. For classes in religion or the social sciences or for interested individuals, *Understanding New Religious Movements* offers the most objective introduction possible.

Understanding Jonestown and Peoples Temple Rebecca Moore, 2018-07-06 This in-depth investigation of Peoples Temple and its tragic end at Jonestown corrects sensationalized misunderstandings of the group and places its individual members within the broader context of religion in America. Most people understand Peoples Temple through its violent disbanding following events in Jonestown, Guyana, where more than 900 Americans committed murder and suicide in a jungle commune. Media coverage of the event sensationalized the group and obscured the background of those who died. The view that emerged thirty years ago continues to dominate understanding of Jonestown today despite the dozens of books, articles, and documentaries that have appeared. This book provides a fresh perspective on Peoples Temple, locating the group within the context of religion in America and offering a contemporary history that corrects the inaccuracies often associated with the group and its demise. Although Peoples Temple had some of the characteristics many associate with cults, it also shared many characteristics of black religion in America. Moreover, it is crucial to understand how the organization fits into the social and political movements of the 1950s, 1960s, and 1970s, when race, class, colonialism, gender, and other issues dominated the times and so dominated the consciousness of the members of Peoples Temple. Here Rebecca Moore, who lost three family members in the events in Guyana, offers a framework for U.S. social, cultural, and political history that helps readers to better understand Peoples Temple and its members.

The Oxford Handbook of New Religious Movements James R. Lewis, Inga Bårdsen Tøllefsen, 2016 The Oxford Handbook of New Religious Movements both covers the current state of the field and breaks new ground. Its contributors, drawn from both sociology and religious studies, are leading figures in the study of NRMs.

Historical Dictionary of New Religious Movements George D. Chryssides, 2011-11-25 New religious movements

commonly known as cults are defined as organizations that have arisen within the last 200 years. Most treatments of these movements have typically resorted to sensationalism rather than objectivity, and New religious movements tend to receive negative media publicity. Despite their unfavorable portrayal in popular culture, however, new religious movements are a global phenomenon and much remains to be studied about these movements. In this newly updated second edition of the *Historical Dictionary of New Religious Movements*, George D. Chryssides traces the rise and development of new religious movements throughout the world. An updated introduction summarizes the phenomenon of new religious movements and lays out the changes to the dictionary since the 2001 edition, while the main body of the dictionary consists of close to 600 cross-referenced entries on key figures, ideas, themes, and places related to various new religious movements. An index organizes the information in the dictionary, and a comprehensive bibliography leads the researcher to further sources. This book is an excellent access point for students, researchers, and anyone wanting to know more about new religious movements.

The to Z of New Religious Movements George D. Chryssides, 2006-04-17. Alongside the older and more established religions, there are hundreds, indeed thousands, more which have recently emerged. These new religious movements or NRMs, for lack of a better name, are not only numerous; they are also extremely varied and stem from a wide array of sources. They run the gamut from small to large and all possess a tendency to constantly expand. And while their potential for good is considerable, more often than not, it is their abuses that are noticed. Still, writing them off as sects is too easy, especially when they are as poorly understood as they often are. *The A to Z of New Religious Movements* is a major contribution to understanding these new and formative religions. While leaving any evaluation to the reader, it offers brief descriptions of well over a hundred NRMs in the dictionary section, along with information on the founders and leaders and also their roots in Christianity, Buddhism, Hinduism, Islam, and other more traditional religions. The impact of modern philosophy and science are also weighed. Since their roots often lay further back, the chronology starts in the 18th century and continues to the present, and the introduction attempts the arduous task of defining and categorizing the NRMs. The extensive bibliography provides further reading.

New Age, Neopagan, and New Religious Movements Hugh B. Urban, 2015-09-15. *New Age, Neopagan, and New Religious Movements* is the most extensive study to date of modern American alternative spiritual currents. Hugh B. Urban covers a range of emerging religions from the mid-nineteenth century to the present, including the Nation of Islam, Mormonism, Scientology, ISKCON, Wicca, the Church of Satan, Peoples Temple, and the Branch Davidians. This essential text engages students by addressing major theoretical and methodological issues in the study of new religions and is organized to guide students in their learning. Each chapter focuses on one important issue involving a particular faith group, providing readers with examples that illustrate larger issues in the study of religion and American culture. Urban addresses such questions as: Why has there been such a tremendous proliferation of new spiritual forms in the past 150 years, even as our society has become increasingly rational, scientific, technological, and secular? Why has the United States become the heartland for the explosion of

new religious movements How do we deal with complex legal debates such as the use of peyote by the Native American Church or the practice of plural marriage by some Mormon communities And how do we navigate issues of religious freedom and privacy in an age of religious violence terrorism and government surveillance

Violence and New Religious Movements James R. Lewis, 2011-04-06 The relationship between new religious movements NRMs and violence has long been a topic of intense public interest an interest heavily fueled by multiple incidents of mass violence involving certain groups Some of these incidents have made international headlines When New Religious Movements make the news it is usually because of some violent episode Some of the most famous NRMs are known much more for the violent way they came to an end than for anything else Violence and New Religious Movements offers a comprehensive examination of violence by and against new religious movements The book begins with theoretical essays on the relationship between violence and NRMs and then moves on to examine particular groups There are essays on the Big Five the most well known cases of violent incidents involving NRMs Jonestown Waco Solar Temple the Aum Shunrikyo subway attack and the Heaven's Gate suicides But the book also provides a richer survey by examining a host of lesser known groups This volume is the culmination of decades of research by scholars of New Religious Movements

Peoples Temple and Black Religion in America Rebecca Moore, Anthony B. Pinn, Mary R. Sawyer, 2004-03-11 The Peoples Temple movement ended on November 18 1978 when more than 900 men women and children died in a ritual of murder and suicide in their utopianist community of Jonestown Guyana Only a handful lived to tell their story As is well known Jim Jones the leader of Peoples Temple was white but most of his followers were black Despite that little has been written about Peoples Temple in the context of black religion in America In 10 essays writers from various disciplines address this gap in the scholarship Twenty five years after the tragedy at Jonestown they assess the impact of the black religious experience on Peoples Temple

Perspectives on New Religious Movements John A. Saliba, 2016-10-06 This book provides a dispassionate analysis of new religious movements charting their growth and examining them from a variety of perspectives sociological psychological legal and theological Saliba then questions whether or not membership harms those who join these new movements and assesses the charge that they brainwash their adherents

Understanding Jonestown and Peoples Temple Rebecca Moore, 2009-03-20 This in depth investigation of Peoples Temple and its tragic end at Jonestown corrects sensationalized misunderstandings of the group and places its individual members within the broader context of religion in America Most people understand Peoples Temple through its violent disbanding following events in Jonestown Guyana where more than 900 Americans committed murder and suicide in a jungle commune Media coverage of the event sensationalized the group and obscured the background of those who died The view that emerged thirty years ago continues to dominate understanding of Jonestown today despite the dozens of books articles and documentaries that have appeared This book provides a fresh perspective on Peoples Temple locating the group within the context of religion in America and offering a contemporary history that corrects the inaccuracies often

associated with the group and its demise Although Peoples Temple had some of the characteristics many associate with cults it also shared many characteristics of black religion in America Moreover it is crucial to understand how the organization fits into the social and political movements of the 1950s 1960s and 1970s race class colonialism gender and other issues dominated the times and so dominated the consciousness of the members of Peoples Temple Here Rebecca Moore who lost three family members in the events in Guyana offers a framework for U S social cultural and political history that helps readers to better understand Peoples Temple and its members

Encyclopedia of New Religious Movements

Peter Clarke,2004-03-01 New Religious Movements NRMs can involve vast numbers of followers and in many cases are radically changing the way people understand and practice religion and spirituality Moreover many are having a profound impact on the form and content of mainstream religion The Encyclopedia of New Religious Movements provides uniquely global coverage of the phenomenon with entries on over three hundred movement from almost every country in the world Coverage includes movements that derive from the major religions of the world and to neo traditional movements movements often overlooked in the study of NRMs In addition to the coverage of particular movements there are also entries on topics themes key thinkers and key ideas for example the New Age Movement Neo Paganism New Religion and gender NRMs and cyberspace NRMs and the law the Anti Cult Movement Swedenborg Jung Teilhard de Chardin Lovelock Gurdjieff al Banna Qutb The marked global approach and comprehensiveness of the encyclopedia enable an appreciation of the innovative energy of NRMs of their extraordinary diversity and the often surprising ways in which they can propagate geographically The most ambitious publication of its sort the Encyclopedia of New Religious Movements is a major addition to the reference literature for students and researchers of the field in religious studies and the social sciences Entries are cross referenced with short bibliographies for further reading There is a full index

Regulating Religion

James T. Richardson,2012-12-06 Regulating Religion Case Studies from Around the Globe presents through the inclusion of contributions by international scholars a global examination of how a number of contemporary societies are regulating religious groups It focuses on legal efforts to exert social control over such groups especially through court cases but also with selected major legislative attempts to regulate them As such this analysis falls within the broad area of the sociology of social control and more specifically legal social control a topic of great interest when studying how contemporary societies attempt to maintain social order The factual details about social and legal developments in societies where religion has been defined as problematic include Western and Eastern Europe Asia Oceania and the Americas This book will be of interest to researchers and students in the sociology of religion the sociology of law social policy and religious studies as well as policy makers

Peoples Temple and Jonestown in the Twenty-First Century Rebecca Moore,2022-08-11 The new religious movement of Peoples Temple begun in the 1950s came to a dramatic end with the mass murders and suicides that occurred in Jonestown Guyana in 1978 This analysis presents the historical context for understanding the Temple by focusing on the ways that migrations

from Indiana to California and finally to the Cooperative Republic of Guyana shaped the life and thought of Temple members. It closely examines the religious beliefs, political philosophies, and economic commitments held by the group and it shifts the traditional focus on the leader and founder Jim Jones to the individuals who made up the heart and soul of the movement. It also investigates the paradoxical role that race and racism played throughout the life of the Temple. The Element concludes by considering the ways in which Peoples Temple and the tragedy at Jonestown have entered the popular imagination and captured international attention.

On Ritual Bruce Lincoln, 2025-03-27 Close microhistorical examination of the way rituals are actually performed goes well beyond the standard ideal description of such ceremonies to reveal participants who modify the proceedings in shrewd, subtle, strategic ways that advance their own interests, sometimes going so far as to challenge even subvert the protocols, traditions, and values favored by presiding officials. The wide-ranging set of examples includes a Roman funeral, a Mesoamerican healing ceremony, a Jewish American Thanksgiving dinner, and others, each of which receives meticulously detailed consideration. Each one has its own engaging characters, intricate maneuvers, analytically revealing developments, and moments of high drama.

In gods we trust Thomas Robbins, **Beyond Brainwashing** Rebecca Moore, 2018-05-17 This Element reviews the state of the question regarding theories of cultic violence. It introduces definitions and vocabulary and presents relevant historical examples of religious violence. It then discusses the 1960s and 1970s, the period immediately before the Jonestown tragedy. Considerations of the post-Jonestown 1978 and then post-Waco 1993 literature follow. After 9/11/2001, some of the themes identified in previous decades reappear. The Element concludes by examining the current problem of repression and harassment directed at religious believers. Legal discrimination by governments, as well as persecution of religious minorities by non-state actors, has challenged earlier fears about cultic violence.

Daniel Warner and the Paradox of Religious Democracy in Nineteenth-century America Thomas A. Fudge, 1998

Violence, Inequality, and Human Freedom Peter Iadicola, Anson Shupe, 2012-10-26 Violence, Inequality, and Human Freedom is a powerful sociological introduction to the study of violence. The book highlights how violence goes beyond individual actions and introduces students to violence on three different levels: structural, institutional, and interpersonal. The third edition has been revised and updated throughout, including a new chapter on educational violence and revised sections on forms of institutional and structural violence, including sibling and elder violence, violence of the modern-day siege and drone assassinations, violence directed at other species, and the violence of modern-day slavery.

back cover *Cults, Religion, and Violence* David G. Bromley, J. Gordon Melton, 2002-05-13 This explores the question of when and why violence by and against new religious cults erupts and whether and how such dramatic conflicts can be foreseen, managed, and averted. The authors, leading international experts on religious movements and violent behavior, focus on the four major episodes of cult violence during the last decade: the tragic conflagration that engulfed the Branch Davidians in Waco, Texas; the deadly sarin gas attack by the Aum Shinrikyo in Tokyo; the murder-suicides by the Solar Temple in Switzerland and Canada; and the

collective suicide by the members of Heaven's Gate. They explore the dynamics leading to these dramatic episodes in North America, Europe, and Asia and offer insights into the general relationship between violence and religious cults in contemporary society. The authors conclude that these events usually involve some combination of internal and external dynamics through which a new religious movement and society become polarized.

Getting the books **New Religious Movements Mass Suicide And Peoples Temple** now is not type of inspiring means. You could not lonesome going with books accretion or library or borrowing from your links to door them. This is an very simple means to specifically get lead by on-line. New Religious Movements Mass Suicide And Peoples Temple Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free New Religious Movements Mass Suicide And Peoples Temple PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free New Religious Movements Mass Suicide And Peoples Temple PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of New Religious Movements Mass Suicide And Peoples Temple free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About New Religious Movements Mass Suicide And Peoples Temple Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. New Religious Movements Mass Suicide And Peoples Temple is one of the best book in our library for free trial. We provide copy of New Religious Movements Mass Suicide And Peoples Temple in digital format, so the resources that you find are reliable. There are also many Ebooks of related with New Religious Movements Mass Suicide And Peoples Temple. Where to download New Religious Movements Mass Suicide And Peoples Temple online for free? Are you looking for New Religious Movements Mass Suicide And Peoples Temple PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then

search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another New Religious Movements Mass Suicide And Peoples Temple. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of New Religious Movements Mass Suicide And Peoples Temple are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with New Religious Movements Mass Suicide And Peoples Temple. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with New Religious Movements Mass Suicide And Peoples Temple To get started finding New Religious Movements Mass Suicide And Peoples Temple, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with New Religious Movements Mass Suicide And Peoples Temple So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading New Religious Movements Mass Suicide And Peoples Temple. Maybe you have knowledge that, people have search numerous times for their favorite readings like this New Religious Movements Mass Suicide And Peoples Temple, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. New Religious Movements Mass Suicide And Peoples Temple is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, New Religious Movements Mass Suicide And Peoples Temple is universally compatible with any devices to read.
