Danny Faulkner, 2016-07-29 This text investigates what the Bible has to say about astronomical objects and phenomena The Bible contains many mentions of astronomical things beginning with creation and concluding with end time prophecies Besides the sun and moon the Bible names groups of stars Orion the Pleiades and the bears In addition to what the biblical record shows about astronomical phenomena many people think that it teaches things that it actually does not teach These concepts are examined in depth as well Unique among books discussing the intersection of biblical text and astronomy because of the range of questions explored and answered definitive work that explores many popular questions and misconceptions about the universe and the Bible Sorts fact from fiction and truth from popular myths as the true purpose of these enigmatic lights in the night sky are revealed *2012 Mayan Calendar and the Great Pyramid Predicts Paradise Begins in Australia* Brian Leonard Golightly Marshall, 2008-07-25 Mayan Calendar experts cracked the language code finding the date predicted when the solar system would cross into the northern hemisphere of the Milky Way Galaxy and the golden age would begin In the Great Pyramid the same information and the end time when the last day is the same date but it also

predicts the return of Christ and He is on the planet today The Great Pyramid conspiracy is the direct result of the Catholic Church which hung a mask of Jesus hung upon the body of Lucifer There is however a linking of ancient wonders within the Great Pyramid which predicts that Brian Leonard Golightly Marshall was reborn to the earth January 11th 1944 in Australia The key that opens the mysteries of the old Testament Hebrew pinpointing the second coming of Jesus is in the Mayan Calendar found also in the 5000 year old pyramid and is why the church destroyed the Mayans proof of Jesus far removed from the greatest enemy of Jesus the Catholic Church **The Messianic Legacy in the Age of Aquarius** Celeste,2007-11 Ever Wonder What Americas Horoscope reveals of our future destiny What the Constellations of the Zodiac convey esoterically How Freemasonry relates to the Mysteries of ancient Egypt and the founding of America What magical significance does our Great Seal present in its arcane symbolism Where Jesus was for the missing 20 years of Biblical history What the Dead Sea Scrolls found in 1947 reveal about Jesus What is Israel s role is in the Last Days scenario What became of the lost Ten Tribes of Israel Will Jesus really return to Earth in our lifetime Who the Lord and Master of the Universe really is How accurate the Holy Bible is according to historical events Wonder no more We are now at the precipice of a new Age of spiritual awakening Great Ages seem to produce mighty accomplishments in the arts and sciences and as well penetrating visions from the prophets of the time The Age of Aquarius starts off the seventh historical Millennium of our Creator God His symbolic day of rest His Sabbath Encoded in the circle of the Zodiac is a story of a Redeemer the Redemption and the Redeemed as the Zodiac intimately reflects Bible prophecy and is in complete accordance with prophecies of the ancient Patriarchs and Prophets Soon the Angels trumpets will sound and call us to prophesy and collect our Legacy **Terrible Revolution** Christopher James Blythe,2020 Terrible Revolution is the history of apocalyptic visions in the Mormon experience Christopher James Blythe follows how last days beliefs informed the Church of Jesus Christ of Latter day Saints relationship with the United States and how the role of lay visionaries in the tradition changed Blythe s work draws on hundreds of little known archival sources to capture for the first time in scholarship the 200 year history of Mormon apocalypticism **National Message and Banner** ,1953 *Over the Wall of Oppression* John Ardent,2016-09-23 Did you ever pray the Lords Prayer where you prayed for the coming of the kingdom of God on earth Thy Kingdom come Thy Will be done on earth as it is in heaven This is the only prayer that Jesus gave us Did you ever wonder what it actually means This kingdom of God on earth is a real kingdom with a king This king is a hereditary position that fulfills Gods promise that he gave to King David that his lineage and throne shall endure forever God has already sent the return of Christ and he is a male descendant of the Davidic kings He did not come according to the imagination of man Rather he came fulfilling prophecy He brought a new revelation through which the kingdom of God on earth that Jesus taught us to pray for will be firmly established throughout the entire world His revelation is the culmination of all the previous revelations given by God through his messengers As what happened with all previous revelations man has taken what was originally intended and changed it

according to his own limited capacity and selfish desires In so doing mankind has been deprived of the truth of Gods will and purpose and his glorious covenant for a new age This new revelation was given by the glory of the Father through the words of Jesus the Christ and written down by Mark in chapter 8 verse 38 For whoever is ashamed of me and of my words in this adulterous and sinful generation of him will the Son of Man also be ashamed when he comes in the glory of his father As Jesus foretold the name of the return of Christ is Bahauallah He came well over 150 years ago Placed in chains beaten and put in prison Bahauallah spent forty years proclaiming Gods new covenant to the people writing to the kings and rulers of the earth imploring them to turn to God Bahauallahs message has gone unheeded As in ages past those who did hear and embrace his message later turned their hearts away from God choosing instead to seek earthly power and riches Those who were to protect and serve the covenant of Bahauallah as well as his chosen ones after him created an oppression so great that the people of the world have been denied this glorious message Dr Leland Jensen mentioned here in Over the Wall of Oppression was a third generation Bahai He began teaching this new faith at the age of seventeen and since that time he devoted his entire life to teaching this wonderful message of the kingdom He was well acquainted with biblical scripture and the Bahai teachings being very successful in bringing new believers into the faith He was present when the faith was hijacked by a group of people whose sole purpose was to protect and serve the covenant and thus he had considerable knowledge of events that transpired at that time The facts presented within these pages are written in very clear and understandable language so all may know of the deeds done This text provides a great opportunity for those who do not have the understanding of those events or the meaning of the covenant to come out from under this great oppression and embrace the glorious truth We have been blessed with having known him for nearly two decades and with hearing this message directly from him We not only learned of the Bahai faith but also the real meaning of our existence and purpose in life His love for Bahauallah and for God showed in everything that he did We would stay up for hours listening to his words thirsty for more Over the Wall of Oppression isnt only for the Bahais but also for the Christians The explanations and commentaries on various Christian subjects and prophecy will truly open ones eyes to the truth of such subjects as the meaning of the word Christ the history of the trinity the meaning of the Resurrection the beast and more Part 2 consists of the explanations and commentaries on the book of Revelation which is a message of the kingdom and the catastrophe Man: Who-whence-whither Victor E.
