New Sexuality

Saskia Wieringa, Horacio Sívori

New Sexuality:

Introducing the New Sexuality Studies Steven Seidman, Nancy L. Fischer, Chet Meeks, 2011-02-25 Breaking new ground both substantively and stylistically this book offers students academics and researchers an accessible engaging introduction and overview of the emerging field of sexuality studies *Introducing the New Sexuality Studies* Nancy L. Fischer, Laurel Westbrook, Steven Seidman, 2022-06-07 Introducing the New Sexuality Studies Original Essays is an innovative reader friendly collection of essays that introduces the field of sexuality studies to undergraduate students Examining the social cultural and historical dimensions of sexuality this collection is designed to serve as a comprehensive yet accessible textbook for sexuality courses at the undergraduate level The fourth edition adds 51 new essays whilst retaining 33 of the most popular essays from previous editions It features perspectives that are intersectional transnational sex positive and attentive to historically marginalized groups along multiple axes of inequality including gender race class ability body size religious identity age and of course sexuality Essays explore how a wide variety of social institutions including medicine religion the state and education shape sexual desires behaviors and identities Sources of and empirical research on oppression are discussed along with modes of resistance activism and policy change The fourth edition also adds new user friendly features for students and instructors Keywords are italicized and defined and each chapter concludes with review questions to help students ascertain their comprehension of key points There is also an online annotated table of contents to help readers identify key ideas and concepts at a glance for each chapter **Handbook of the New Sexuality Studies** Steven Seidman, Nancy Fischer, Chet Meeks, 2007-03-12 As the field of sexuality studies has become a growth area in academia and classes on sexuality studies are incorporated into various disciplines the expanding book market has been filled with specialist oriented texts which are often theoretically focused and contain too many summaries for an undergraduate audience Addressing this imbalance this key new volume presents the field of sexuality in an accessible and engaging way for undergraduates Breaking new ground both substantively and stylistically this book offers students academics and researchers an accessible engaging introduction and overview of this emerging field Its central premise is to explore the social character of sexuality the role of social differences such as race or nationality in creating sexual variation and the ways sex is entangled in relations of power and inequality Through this novel approach the field of sexuality is considered for the first time in multicultural global and comparative terms and from a truly social perspective This important volume consists of over fifty short and original essays on the key topics and themes in sexuality studies and interviews with twelve leading scholars in the field which convey some of the most innovative work being done Each contribution clearly conveys the latest research with examples Ideal for students of gender and sexuality studies this topical and timely volume will be an invaluable resource to all those with an interest in sexuality studies **Introducing the New Sexuality Studies** Nancy L. Fischer, Steven Seidman, Chet Meeks, 2016-07-11 Introducing the New Sexuality Studies is an innovative reader

friendly anthology of original essays and interviews that introduces the field of sexuality studies to undergraduate students Examining the social cultural and historical dimensions of sexualities this anthology is designed to serve as a comprehensive textbook for sexualities and gender related courses at the undergraduate level The book s contributors include both well established scholars including Patricia Hill Collins Jeffrey Weeks Deborah L Tolman and C J Pascoe as well as emerging voices in sexuality studies This collection will provide students of sociology gender and sexuality with a challenging and broad introduction to the social study of sexuality that they will find accessible and engaging

Sexuality in World History Peter N. Stearns, 2017-02-14 This book examines sexuality in the past and explores how it helps explain sexuality in the present The subject of sexuality is often a controversial one and exploring it through a world history perspective emphasizes the extent to which societies including our own are still reacting to historical change through contemporary sexual behaviors values and debates This new edition examines these issues on a global scale with attention to anthropological insights on sexuality and their relationship to history the dynamics between sexuality and imperialism sexuality in industrial society and trends and conflicts surrounding views of sex and sexuality in the contemporary world

21st Century Sexualities Gilbert Herdt, Cymene Howe, 2007-04-11 Exploring sexuality in the twenty first century this unique book collects together more than fifty timely and accessible contributions to create a wide ranging and compelling picture of contemporary American sexuality Incorporating the latest cutting edge controversies theory and methodological material from the major domains of sexual education sexual health sexual rights and globalization this book includes a superb editorial overview that opens up the field for students and teachers alike This anthology will be an invaluable supplement to all levels of students and researchers interested in sexuality across a range of disciplines including anthropology sociology gender and sexuality studies and politics

Handbook of Human Sexuality Benjamin B. Wolman, 1993 Presents a survey of what is known about sexual disorders and their treatment It covers all the therapeutic approaches to sexual dysfunction psychoanalytic behavioural Masters and Johnson s Helen Kaplan s and the holistic

Sexuality in America Robert T. Francoeur, Patricia Koch, David Weis, 1999-08-01 Now available in a new paperback edition this survey is different in both breadth and scope from all other reports on sexuality in the United States It covers every topic imaginable from a multicultural point of view in order to reflect fully the complex society in which we live the biological psychological social and spiritual aspects of our sexual lives

Human Sexuality Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists

Young Bisexual Womens Experiences in Secondary Schools Mary-Anne McAllum, 2017-09-11 Emerging from a case study

in secondary schools this book explores young bisexual women's notions of bisexuality through their own sense of self identification and how they express their personal beliefs McAllum sheds light on the presence and practices of bisexual misrecognition and bi misogyny in school settings and draws out the implications of this bias on bisexual women Incorporating women's own spoken and written anecdotes this book reveals hidden narratives and helps boost awareness about the social and learning needs of young bisexual women

How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it

Making Sexual History Jeffrey Weeks, 2013-05-28 Jeffrey Weeks has established an international reputation as one of the most original and influential writers on the social history of sexuality

Technologies of Sexiness Adrienne Evans, Sarah Riley, 2014-08-01 Key cultural shifts have enabled a new sexualization of women Neoliberal consumerist and postfeminist media culture have shaped ways of understanding female sexuality embodied by the figure of the choosing empowered entrepreneurial consumer citizen woman whose economic capital determines feminine success and failure Informed by older constructs of privilege such as class sexuality race and disability this version of sexiness also constrains by folding contemporary femininity back into previous panics about youth excess bad consumption and appropriate feminine behavior In *Technologies of Sexiness* Adrienne Evans and Sarah Riley identify how current understandings of sexiness in public life and academic discourse have produced a doubled stagnation cycling around old debates without forward momentum Developing a theoretical and methodological framework they expand on the notion of a technology of sexiness They ask what happens and what is lost when people make sense of themselves within the complexities and contradictions of consumer

oriented constructs of sexiness How do these discourses come to transform the self This book provides a framework for understanding how women make sense of their sexual identities in the context of a feminization of sexual consumerism The authors analyze material collected with two groups of women the pleasure pursuers and functioning feminists who broadly occupy positions across the pre and post Thatcher eras and the changes brought about by the feminist movement As one of the first book length empirical studies to explore age related femininities in the context of what sexiness means today the authors develop a series of insights into various technologies of the self through analyses of space nostalgia and claims to authentic sexiness

American Sexual Character Miriam G. Reumann, 2005-03-07 When Alfred Kinsey's massive studies *Sexual Behavior in the Human Male* and *Sexual Behavior in the Human Female* appeared in 1948 and 1953 their detailed data spurred an unprecedented public discussion of the nation's sexual practices and ideologies As they debated what behaviors were normal or average abnormal or deviant Cold War Americans also celebrated and scrutinized the state of their nation relating apparent changes in sexuality to shifts in its political structure economy and people *American Sexual Character* employs the studies and the myriad responses they evoked to examine national debates about sexuality gender and Americanness after World War II Focusing on the mutual construction of postwar ideas about national identity and sexual life this wide ranging shrewd and lively analysis explores the many uses to which these sex surveys were put at a time of extreme anxiety about sexual behavior and its effects on the nation Looking at real and perceived changes in masculinity female sexuality marriage and homosexuality Miriam G Reumann develops the notion of American sexual character sexual patterns and attitudes that were understood to be uniquely American and to reflect contemporary transformations in politics social life gender roles and culture She considers how apparent shifts in sexual behavior shaped the nation's workplaces homes and families and how these might be linked to racial and class differences

Sexuality Jeffrey Weeks, 2016-09-26 The new edition of *Sexuality* displays the qualities which have made this book a key text for understanding human sexuality Jeffrey Weeks blends deep empirical knowledge with theoretical sophistication and a sensitivity to the politics of sexuality Framing and shaping the analysis is an acute understanding of the world wide changes that are remaking sexuality and gender dramatized by the globalization of sex and the rise and rise of cybersex These changes have opened unprecedented opportunities for sexual interaction and sexual choice but also posed new sexual dangers and anxiety Debates about the regulation and control of sexuality and the intersection of various dimensions of power and domination are contextualised by a sustained argument about the importance of agency in remaking sexual and intimate life above all for women and for LGBTQ people Particular attention is given to the debates about same sex marriage which symbolize the transformations that have taken place These controversies in turn feed into debates about intimate citizenship and human sexual rights in a rapidly changing world

Sexuality in a Changing China Nicole Zarafonotis, 2017-05-18 Library of Congress Cataloging in Publication Data Names Zarafonotis Nicole author Title *Sexuality in a changing China* young women sex and intimate

relations in the reform period Nicole Zarafonetis Description New York NY Routledge 2017 Series Routledge research on gender in Asia series Includes bibliographical references and index Identifiers LCCN 2017001825 ISBN 9781138240148 hardback ISBN 9781315293936 ebook Subjects LCSH Sex China Sex instruction China Sex role China Dating Social customs China Marriage China Women China Social conditions Classification LCC HQ18 C6 Z37 2017 DDC 306 70951 dc23 LC record available at <https://lccn.loc.gov/2017001825> **The Sexual Revolution in Modern American Literature I.**

Glicksberg,2012-12-06 1 The Dialectic of the Sex Motif in Literature Sex is a function of culture in literature today it plays only a small though aggressively righteous part Nature long held in bondage periodically breaks out in revolt but its victory is never complete In every society primitive as well as modern the sexual instinct is for good or evil always subject to some measure of regulation and restraint In literature where the battle between love and sex spirit and flesh is fought out in terms of symbolic action the writers support their cause for or against sexual freedom with varying degrees of evangelical ardor and outspokenness On this issue there is no unanimity for the simple reason that American culture is not unified in its beliefs concerning the nature of man The central conflict between instinctual needs and the claims of the ideal between physical desire and the inner check between Dionysus and Christ goes on all the time Sublimation is the cultural process whereby sexual energy is deflected from its biological source and diverted into spiritually higher and socially more useful channels But sublimation is for most men hard to achieve As civilization grows more complex the individual is exposed to a series of increasingly severe moral strains Pitted against Nature while subject to its laws he must hence forth be governed in his behavior by inner as well as outer controls *Handbook of Sexuality-Related Measures* Robin R. Milhausen,John K.

Sakaluk,Terri D. Fisher,Clive M. Davis,William L. Yarber,2019-06-25 This classic and invaluable reference handbook written for sex researchers and their students has now been completely revised in a new fourth edition It remains the only easy and efficient way for researchers to learn about evaluate and compare instruments that have previously been used in sex research **Sexuality and the Law** Arthur S. Leonard,2013-12-16 First Published in 1993 Sexuality and the Law An

Encyclopedia of Major Legal Cases is the third volume to appear in the American Law and Society series Consistent with the philosophy of the series the more than 100 essay entries in Sexuality and the Law deal with important legal issues without descending into jargon or lawyer's Latin This book describes more than one hundred significant court decisions concerning sexuality *The Sexual History of the Global South* Saskia Wieringa,Horacio Sívori,2013-04-11 The Sexual History of the

Global South explores the gap between sexuality studies and post colonial cultural critique Featuring twelve case studies based on original historical and ethnographic research from countries in Africa Asia and Latin America the book examines the sexual investments underlying the colonial project and the construction of modern nation states Covering issues of heteronormativity post colonial amnesia regarding non normative sexualities women's sexual agency the policing of the boundaries between the public and the private realm sexual citizenship the connections between LGBTQ activism and

processes of state formation and the emergence of sexuality studies in the global South this collection is of great geographical historical and topical significance
