**The Case for Heaven (and Hell) Bible Study Guide plus Streaming Video** Lee Strobel, 2021-10-19 Is there convincing evidence for eternal life after death? If so, what will our experience be like? What will it be like to see God face to face? In this five-session video study streaming included Lee Strobel, journalist and award-winning author of The Case for Christ, turns his talent for investigation on the biblical and logical case for an afterlife. The reality of death shapes our lives and faith. Most of us fear it or try not to think about it, regardless of whether we believe in eternal life or not. Lee, whose rigorous faith has been shaped by his past as an atheist, first considers his old unbelief that we have only one life and when we die we cease to exist. What evidence is there to suggest otherwise? Based on his interviews with leading Christian philosophers, scientists and theologians, Strobel unfolds the strongest arguments for belief in heaven, hell and a glimpse into what these places will be like. Along the way he explores common topics related to immortality such as angels, Satan and demons, the reincarnation of the body and doctrines like salvation through Christ alone. This study guide has everything you need for a full Bible study experience including: The study guide itself with discussion and reflection questions, video notes and a leader's guide. An individual access code to stream all five video sessions online. You don't need to buy a DVD.
