

THIS CLASSIC TRANSLATION of the Greek New Testament offers distinct advantages over the standard versions currently available. Unlike other versions of the New Testament, this expanded translation by Kenneth Wuest uses as many English words as are necessary to bring out the full richness, force, and clarity of the original Greek text. Neither a paraphrase nor an interpretation, this unique translation — based on the earliest and most accurate Greek texts — brings new meaning to the language and message of the New Testament for today's readers.

THE NEW TESTAMENT: *An Expanded Translation*

- introduces readers with no knowledge of Greek to the original language of the New Testament
- captures the style of the original writings
- brings out the full meaning of each Greek word
- structures sentences according to the Greek word order, placing the emphases where the original writers put them
- clarifies distinctions between Greek synonyms that are often simply rendered, in other translations, by the same English word
- arranges the text into paragraphs, helping readers to better grasp the logical units of thought
- serves as a valuable companion to, and commentary on, other versions of the New Testament

KENNETH S. WUEST was professor of New Testament Greek at Moody Bible Institute, Chicago, Illinois, until his death in 1962. His other works include the four-volume *Word Studies in the Greek New Testament*, of which this volume is a part.

Now the beloved Apostle states clearly that if we love God we will obey His commands And those commands are not difficult for us to obey After all He came to be the Savior of the world So three things show us clearly that Jesus came from God Those things are the Holy Spirit the water of Jesus baptism and the blood of His death on the cross Therefore everyone who believes in Jesus the Son of God will know that what God says is true But anyone who does not believe in God is saying that God tells lies They just do not believe the message that God told us clearly about His Son You don't want to be one of those people Truly we can trust God to help us when we turn to Him We know that He will hear us When we ask for anything that He wants us to have He listens to us This is especially true when we see another Christian doing something bad this is what we should do If it is a sin that does not cause death pray that God will help him Then God will help that person to live forever with Him We should settle it in our minds that nobody who has become a child of God continues to do wrong things Instead the Son of God keeps them safe so that Satan cannot do anything to keep them from going to heaven So I beg you says John do not put anything in this world or of this world before God **Wiersbe's Expository Outlines on the New Testament** Warren W.
