New Testament Deacon Study Guide The Church's Minister Of Mercy A Study Guide:

The New Testament Deacon Alexander Strauch, 1992 The author's goal is to help Christians understand the necessity for and vital importance of New Testament deacons to the local church so that the needy poor and suffering of our churches are cared for in a thoroughly Christian manner

The New Elder's Handbook Greg R. Scharf, Arthur Kok, 2018-11-20 Pastors and church leaders are in need of mature godly elders to ensure church health but the training of elders is often entirely missing or badly neglected What if there were a process to proactively call and train elders The New Elder's Handbook is designed to equip elders with the knowledge character and skills the office calls for It takes church leaders through the development of a vision for ministry recruitment of elders to carry out that vision and specific biblical training providing a way to be intentional about developing elders

Tangible Christopher Sicks, 2014-02-27 In today's church there seems to be two well intentioned groups Deed people feed the hungry and help the poor while Word people proclaim the gospel and engage in apologetics The two often seem to compete with one another but God always intended them to be partners Sacrificial love can grab the attention of those we serve opening their ears and minds to the words we share In Tangible author and Pastor Chris Sicks explains how God's people can effectively introduce hurting people to God through intentional acts of kindness This book does more than discuss these good ideas It's full of ways to make God known to the needy in your community today Extra features include A thorough resource section Ministry examples Discussion questions for personal study or group discussion By sharing both words of truth and deeds of mercy God's people will reflect Christ's love the most tangible proof of God's existence

Core Concepts of Shepherding Dag Heward-Mills, 2016-06 An unparalleled exposé for pastors Vital information on developing committed members An in depth study on the activities of shepherds A practical guide for all ministers

The Deacon Cornelis Van Dam, 2016-12-23 The office of deacon is God's gift to His church but today it is often undervalued misunderstood and perceived to be of little importance In The Deacon the author considers the Old Testament background for this calling the deacon in New Testament times and in church history and the current function of the office You will rediscover the high and privileged calling of deacons and come to a better understanding of what God requires of them Table of Contents Part 1 The Old Testament Background 1 The Poor in Israel 2 Providing for the Poor Part 2 New Testament Times 3 Christ's Teaching on the Poor and Needy 4 Ministering to the Poor in Acts 6 5 The Office of Deacon 6 Female Deacon Part 3 The Office of Deacon in the History of the Church 7 The Testimony of the Early Church and the Heritage of the Reformation 8 Women and the Diaconate Part 4 The Current Functioning of the Office 9 The Official Position of the Deacon Today 10 Enabling and Prioritizing 11 The Diaconal Ministry within the Congregation 12 The Diaconal Ministry outside the Congregation 13 The Blessing of the Poor
