**New Testament Hospitality** John Koenig, 2001-12-03      **Old Testament Ethics** Waldemar Janzen, 1994-01-01 Using five different Old Testament stories as paradigms for correct ethical behavior Waldemar Janzen provides a comprehensive way of understanding the ethical message in the Old Testament The five models of the good life he uses are the holy life the priestly paradigm the wise life the sapiential or wisdom paradigm the just life the royal paradigm the serving and suffering life the prophetic paradigm and the familial paradigm Janzen demonstrates that all five paradigms are linked because the familial paradigm represents the comprehensive end of all Old Testament ethics      The God Who Gives Kelly M.

Kapic, 2018-06-12 Many Christians wonder what the Christian life is all about They hear about grace but struggle to rightly understand it much less live it They are taught about God but their vision of him does not always reflect the full biblical portrait of the Father Son and Holy Spirit When this happens Christians struggle to know the ways of God and how to joyfully participate in his work The God Who Gives provides a compelling vision of Christian faith and life helping readers discover the uniqueness of the gospel that God's kingdom comes not by taking but by giving God gives Himself We are invited into the fullness of life that can only come through the gift of God's divine generosity Taking readers through the grand biblical narrative of creation fall redemption and kingdom author Kelly M Kapic helps us see our story in and through the story of Scripture He shows that everything belongs to God and yet because of our turning and taking from him we experience a kind of suffocating bondage to sin So how does God reclaim us God gives again The God who gave in creation restores by recreating us through his Son and by his Spirit The kingdom of God is an overflowing measure of divine generosity that we are invited to participate in The God Who Gives calls readers to discover that the whole Christian story is founded upon the Triune God's self giving and our belonging to God Fully embracing this truth changes how we view God ourselves and the world Living in God's gifts we are freed to give ourselves and truly experience life      An Amos Yong Reader Amos

Yong, 2020-05-12 Amos Yong is the most prolific pentecostal theologian to date and his published works are so many that it is difficult to find an amiable entry point into his thought An Amos Yong Reader is the first introduction to Yong's theology in his own words It brings into one volume representative samples of the broad range of Yong's scholarship including theology of religions religion and science theology and disability political theology Luke Acts and theological method Christopher A Stephenson perhaps Yong's most insightful interpreter provides an introductory essay that both orients readers to Yong's extensive theological program and identifies the most important key to understanding Yong's theology as his most neglected work Spirit Word Community a book with implications far beyond the boundaries of Pentecostalism An Amos Yong Reader provides an overview of Yong's thought and a starting point for more thorough study in any of the major themes in his expansive corpus      **Mark** Robert H. Stein, 2008-11 A highly regarded New Testament scholar offers a substantive commentary on Mark in the award winning BECNT series      **Acts: An Exegetical Commentary : Volume 3** Craig S.

Cruz,2016-04-30 Offering a theology of migration Cruz reflects on the Christian vision of one bread one body one people in view of the gifts and challenges of contemporary migration to Christian spirituality mission and inculturation and the need for reform of migration policies based on the experience of refugees migrant women and others      **Keeping the Church in Its Place** Richard P. Thompson,2006-11-15 Thompson s study uncovers descriptions of the church that emphasize certain characteristics presented in the opening scenes of the narrative the blessing and presence of God the unanimity of the believers the communal caring for one another and the proclamation of the gospel      Living Theodrama Wesley Vander Lugt,2016-05-13 Living Theodrama is a fresh creative introduction to theological ethics Offering an imaginative approach through dialogue with theatrical theory and practice Vander Lugt demonstrates a new way to integrate actor oriented and action oriented approaches to Christian ethics within a comprehensive theodramatic model This model affirms that life is a drama performed in the company of God and others providing rich metaphors for relating theology to everyday formation and performance in this drama Different chapters explore the role of the triune God Scripture tradition the church mission and context in the process of formation and performance thus dealing separately with major themes in theological ethics while incorporating them within an overarching model This book contains not only a fruitful exchange between theological ethics and theatre but it also presents a promising method for interdisciplinary dialogue between theology and the arts that will be valuable for students and practitioners across many different fields      *The Rise of Normative Christianity* Arland J. Hultgren,2004-07-05 More than fifty years ago Walter Bauer s Orthodoxy and Heresy in Earliest Christianity undercut the traditional views on the making of orthodox Christianity by arguing that in several geographic areas heresy preceded orthodoxy Subsequently the ancient documents discovered at Nag Hammadi proved that early Christianity was tremendously diverse These influences have given rise to the notion that the various gnostic interpretations are mere alternatives to more traditional interpretations of Jesus and his significance Using a focused but broad definition of normative Christianity Hultgren contends that such a tradition originated at the very beginnings of the Christian movements developed and came to dominate as the most adequate expression of Jesus legacy Normative Christianity a stream as wide as the New Testament canon forged a coherence between confession of faith and community ethos that could endure and was the basis for later orthodoxy      Dancing Girls, Loose Ladies, and Women of the Cloth F. Scott Spencer,2004-09-14 The women in Jesus life are a raucous

and rowdy bunch including riotous foremothers loose women and distressed daughters of Israel Reading these new ways of interpreting women in the Gospels male New Testament scholars have discovered liberating perspectives In seven scintillating studies Spencer explores among others the genealogy of Matthew s Gospel to discover the riotous yet righteous nature of Jesus foremothers slave girls and prophetic daughters in Luke Acts and women leading men in the Gospel of Mark 5 7 Scott Spencer a virtuoso young New Testament scholar provides his own lively forays into reading the Gospels through women s eyes He shows what it is like for a man to read stories about the women in Jesus life from a new perspective Spencer is an able and inventive scholar whose broad ranging insights and engaging style make his work very accessible

Where Two or Three are Gathered Jane E. Regan, 2016 Examines how the experience of taking part in the work of the parish by collaborating on various committee and advisory boards or in ministry programs both within and outside its boundaries can be a context through which people s faith is enhanced and strengthened Religion, Migration and Identity, 2016-09-29 In Religion Migration and Identity scholars from various disciplines explore issues related to identity and religion that people individually and communally encounter when affected by migration dynamics the volume foregrounds methodology as its main concern **Scripture, Cultures, and Criticism** K. K. Yeo, 2022-08-23 This collection of nineteen representative essays is a Festschrift written by former colleagues and students in honor of Prof Dr Robert Jewett 1933 2020 and his legacy Our hope is that future generations of Bible readers will find this textbook on biblical interpretation helpful for navigating through the strong winds of exegetical theological and hermeneutical methods Jewett s expansive research interests have inspired each author in this tribute volume each of whom has witnessed to the ways that helmsman Jewett has navigated through the often choppy ocean waters of biblical interpretation as well as the complex changing world of religion sacred texts films and popular culture psychology and sociology politics and Pauline studies **In the Midst of Much-Doing** Charles R. Ringma, 2023-05-31 How are we to sustain activism and compassion amidst the never ending crises of the twenty first century While the concern for social justice is deeply biblical cynicism burnout and despair are all too common side effects when action is divorced from contemplation To effectively serve as the hands and feet of Jesus the church must attend to the revitalization of its inner life through the spiritual practices which feed support and sustain the work of the kingdom Rather than the fragmentation and dualism that have led denominations to choose between prayer and service evangelization and justice the church must integrate heart mind and body in order to fulfil its calling to transform the world from within Drawing from Scripture and a wide range of Christian traditions from the monastic to the evangelical this book inspires its readers to integrate spiritual renewal and prophetic witness for the glory of God and the good of his creation Reading the New Testament in the Manifold Contexts of a Globalized World Eve-Marie Becker, Jens Herzer, Angela Standhartinger, Florian Wilk, 2022-12-12 This volume gathers the perspectives of teachers in higher education from all over the world on the topic of New Testament scholarship The goal is to understand and describe the contexts and

conditions under which New Testament research is carried out throughout the world This endeavor should serve as a catalyst for new initiatives and the development of questions that determine the future directions of New Testament scholarship At the same time it is intended to raise awareness of the global dimensions of New Testament scholarship especially in relation to its impact on socio political debates The occasion for these reflections are not least the present questions that have been posed with the corona pandemic and have received a focus on the system relevance of churches which is openly questioned by the media The church and theology must face this challenge Towards that end it is important to gather impulses and suggestions for the discipline from a variety of contexts in which different dimensions of context related New Testament research come to the fore

*Under the Oak Tree* Ronald J. Allen, John S. McClure, O. Wesley Allen Jr., 2013-11-06 Two trends in the early twenty first century intersect to give this volume immediate relevance 1 The emerging postmodern ethos in North America is calling into question many things we have taken for granted including the purposes of the church and 2 our time is increasingly fractious as groups with distinct worldviews become polarized and often antagonistic Eleven noted contributors join a growing current that sees conversation as an image to refresh our thinking about the nature and purpose of the church and as a process in which individuals and communities with different perspectives come together for real understanding Under the Oak Tree employs the image of Sarah and Abraham greeting three visitors under the Oaks of Mamre as an image for the church as a community of conversation a community that opens itself to the otherness of the Bible voices in history and tradition others in the contemporary social and ecological worlds Furthermore the book shows how conversation can lead the church to action The book takes a practical approach by exploring how conversation can shape key parts of the church's life Topics include preaching worship formation evangelism pastoral care mission and ecumenism social witness and the relationship of Christianity to other religions Foundational chapters consider God as conversational the church as community of conversation and the minister as conversation leader

*A Feminist Companion to Luke* Amy-Jill Levine, Marianne Blickenstaff, 2002-07-15 The third volume in this series deals with Lukan themes in feminist perspectives The fourteen essays from an international authorship cover a range of issues including Imperial Masculinity Mary and Asceticism Martha in the Kitchen and Reading Luke 15 with Arab Christian Women The list of contributors includes Robert Karris Mary Rose D Angelo Brigitte Kahl Turd Karlsen Seim Barbara Reid Teresa Hornsby Ben Witherington III Esther DeBoer Veronica Koperski Loveday Alexander Warren Carter Pamela Thimmes Carol Schersten Lahurd and Maris Luisa Rigato The volume also includes an introduction by the editor and a bibliography

**The Paradigm of Conversion in Luke** Fernando Mendez-Moratalla, 2004-03-01 Conversion is a main theological theme in the Lukan corpus Since much attention has been paid to the issue in Acts the present work shows how the evangelist also conveys his theological emphasis on conversion in his gospel through material either unique to it or that Luke has edited to this purpose Attention is paid to the different issues involved in Luke's emphasis on conversion and an attempt is made to place them within the larger spectrum

of his theology The grouping of all these elements provides the basis for constructing Luke s paradigm of conversion

*Romans* Craig S. Keener, 2009-09-01 A helpfully concise commentary on Paul s letter to the early Christians in Rome which the Apostle wrote just a few years before the outbreak of Nero s persecution Keener examines each paragraph for its function in the letter as a whole helping the reader follow Paul s argument Where relevant he draws on his vast work in ancient Jewish and Greco Roman sources in order to help modern readers understand the message of Romans according to the way the first audience would have heard it Throughout Keener focuses on major points that are especially critical for the contemporary study of Paul s most influential and complex New Testament letter
