New Twilight Zone:

Tales from the New Twilight Zone J. Michael Straczynski, 1989 *Tales from the New Twilight Zone* features original stories by J Michael Straczynski the program's story editor and chief writer based on the screenplays for this latest version of *The Twilight Zone* Includes eleven remarkable stories and the author's reminiscences on each episode *Twilight Zone* Carol Serling, 2009-09 A volume of new tales in the style of the original television series written to commemorate its fiftieth anniversary includes contributions by such leading genre authors as Whitley Streiber Timothy Zahn and Peter S Beagle

Worlds Enough and Time Gary Westfahl, George Slusser, David A. Leiby, 2002-06-30 With our lives firmly controlled by the steady pace of time humans have yearned for ways to escape its constraints and authors have responded with narratives about traveling far into the past or future reversing the flow of time or creating alternate universes where Napoleon was triumphant at Waterloo or the South won the Civil War Writers ranging from Dante and Lewis Carroll to Philip K Dick and Martin Amis have probed into the workings of time and an overwhelming desire to master time reverberates throughout popular culture This book considers how imaginative works involving time and time travel reflect ongoing scientific concerns and examine the human condition The scope of the volume is unusually wide covering such topics as Dante the major novels of the 19th century and stories and films of the 1990s The book concludes with a lengthy bibliography of short stories and novels films and television programs and nonfiction works that feature time travel or speculations about time With a roster of contributors that includes several of the field's major scholars this book offers many new insights into this fascinating subject

Donnelly, Philip Hayward, 2013 The music for science fiction television programs like music for science fiction films is often highly distinctive introducing cutting edge electronic music and soundscapes There is a highly particular role for sound and music in science fiction because it regularly has to expand the vistas and imagination of the shows and plays a crucial role in setting up the time and place Notable for its adoption of electronic instruments and integration of music and effects science fiction programs explore sonic capabilities offered through the evolution of sound technology and design which has allowed for the precise control and creation of unique and otherworldly sounds This collection of essays analyzes the style and context of music and sound design in Science Fiction television It provides a wide range of in depth analyses of seminal live action series such as Doctor Who The Twilight Zone and Lost as well as animated series such as The Jetsons With thirteen essays from prominent contributors in the field of music and screen media this anthology will appeal to students of Music and Media as well as fans of science fiction television

The New Entrepreneurs Jon Kraszewski, 2011-02-01 According to the sociologist C Wright Mills in his 1951 book *White Collar The American Middle Classes* the new entrepreneur was a lone wolf able to succeed in post World War II corporate America by elusively meandering through various institutions During this time anthology writers such as Rod Serling Reginald Rose and Paddy Chayefsky achieved a level of creativity that has rarely been equaled on television since Yet despite their success anthology writers still needed to evade the constraints and censorship of 50s television in order to stay true to their creative powers and political visions Thus they worked as new entrepreneurs who adapted their more controversial scripts for the Hollywood Broadway and book publishing industries Even after the television networks cancelled their prestigious anthology series at the end of the 50s the most resilient writers were able to redefine what it meant to be entrepreneurs by launching cutting edge shows such as *The Twilight Zone* and *The Defenders* that are still popular today *The New Entrepreneurs* includes detailed textual analysis of legendary sometimes hard to find television anthology scripts that have received only cursory glances in television history until now Ebook Edition Note All images have been redacted **The New York Grimpendum: A Guide to Macabre and Ghastly Sites in New York State** J. W. Ocker, 2012-10 Part personal travelogue part detailed guidebook this book covers hundreds of macabre sites attractions and artifacts all drawn from firsthand experiences of the author **New York Magazine** , 1983-06-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while

celebrating New York as both a place and an idea Science Fiction Television Series Mark Phillips, Frank Garcia, 2014-05-12 Whether rocketing to other worlds or galloping through time science fiction television has often featured the best of the medium The genre's broad appeal allows youngsters to enjoy fantastic premises and far out stories while offering adults a sublime way to view the human experience in a dramatic perspective From Alien Nation to World of Giants this reference work provides comprehensive episode guides and cast and production credits for 62 science fiction series that were aired from 1959 through 1989 For each episode a brief synopsis is given along with the writer and director of the show and the guest cast Using extensive research and interviews with writers directors actors stuntmen and many of the show's creators an essay about each of the shows is also provided covering such issues as its genesis and its network and syndication histories **New York Magazine** , 1983-07-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Terror Television** John Kenneth Muir, 2013-02-25 Although horror shows on television are popular in the 1990s thanks to the success of Chris Carter's The X Files such has not always been the case Creators Rod Serling Dan Curtis William Castle Quinn Martin John Newland George Romero Stephen King David Lynch Wes Craven Sam Raimi Aaron Spelling and others have toiled to bring the horror genre to American living rooms for years This large scale reference book documents an entire genre from the dawn of modern horror television with the watershed Serling anthology Night Gallery 1970 a show lensed in color and featuring more graphic makeup and violence than ever before seen on the tube through more than 30 programs including those of the 1998 1999 season Complete histories critical reception episode guides cast crew and guest star information as well as series reviews are included along with footnotes a lengthy bibliography and an in depth index From Kolchak The Night Stalker to Millennium from The Evil Touch to Buffy the Vampire Slayer and Twin Peaks Terror Television is a detailed reference guide to three decades of frightening television programs both memorable and obscure **The Binge Watcher's Guide to Black Mirror** Marc W. Polite, 2021-03-03 Black Mirror is regarded by many as the modern iteration of The Twilight Zone with a creator Charlie Brooker who is often seen as the Rod Sterling of his generation as he has written all 22 of the shows episodes so far The acclaimed British sci fi anthology series focusing on the dark side of technology premiered in 2011 and has won eight Emmy Awards In The Binge Watcher's Guide to Black Mirror you will see the parallels drawn between what is in the show and how our modern society is not too far off from what is depicted in the anthology series The reader will encounter a thoughtful recap and analysis of each episode from all five seasons as well as the interactive Black Mirror movie Bandersnatch Embracing the meaning and the mayhem of this moment The Binge Watcher's Guide to Black Mirror is a spirited fan centered companion of the show *New York*
