

Beyondism: A New Morality Based on Science

- **Beyondism:** new morality based on scientific research and data; Cattell believed this new set of ethics would help society progress beyond its current state of instability, confusion, and crisis
 - **Restrictive eugenics:** program to reduce the birth rate of the mentally handicapped; Cattell advocated this program in the belief that such individuals are a costly burden to society and slow its evolutionary growth
 - **Creative eugenics:** program designed to increase the birth rate of more intelligent people in the belief that such individuals will develop sounder ethical values and contribute more to society's well being
