New Older Woman A Dialogue For The Coming Century:

The New Older Woman ,1996 Presents excerpts from two forums of women over age fifty who addressed how the New Older Woman in contemporary American society can prepare for a rich challenging life The Art of Growing Old Carroll Saussy, This book shows not only how to embrace the challenges of a long life but also how to engage the possibilities of creativity and depth of soul available to those who have acquired a wealth of experience Activity suggestions are included making this ideal for both personal and group study *Facing the Mirror* Frida Furman,2013-02 The women at Julie s International Salon share their experiences of bodily self presentation femininity aging and caring Their own words are at the center of the book the stories of their lives fresh and compelling are told here with affection But beyond the stories themselves Frida Kerner Furman explores the socio moral significance of these beauty shop experiences showing how they reveal as much about society at large as about older women For in telling us how they perceive reality make choices and live in their worlds the women of Julie s expose structures of power inequality and resistance in the larger world that all of us young or old beautiful or not face every day Measuring the Quantum State of Light Ulf Leonhardt,1997-07-13 Appendix A Semiclassical approximation **Mother Time** Margaret Urban Walker,2000-03-09 This collection of original essays opens up a novel area of inquiry the distinctively ethical dimension of women s experiences of aging Fifteen distinguished contributors here explore assumptions experiences practices and public policies that affect women s well being and dignity in later life The book brings to the study of women s aging a reflective dimension missing from the empirical work that has predominated to date Ethical studies of aging have so far failed to emphasize gender And feminist ethics has neglected older women even when emphasizing other dimensions of difference Finally work on aging in all fields has focused on the elderly while this volume sees aging as an extended process of negotiating personal and social change *Women Studies Abstracts* ,1997 **Women, Feminism, and Aging** Colette Browne,1998 In this volume Dr Browne outlines a new vision for understanding older women and their place in society The author draws together the major themes of feminist writers and thinkers and develops alternatives to the present devaluing of older women reconceptualizing what growing older can mean to women She suggests a number of strategies to improve the lives of older women and ultimately looks to a new epistemology of women and age for a more respectful vision of women and men in the later years The volume s style will appeal to professionals and students in social work and sociology Feminist Periodicals ,1996 **New Books on Women and Feminism** ,1995 *Forthcoming Books* Rose Arny,1995 **Aging and Work in the 21st Century** Kenneth S. Shultz,Gary A. Adams,2007-02-23 The aging of baby boomers along with the predicted decrease of the available labor pool will place increased scrutiny and emphasis on issues relating to an aging workforce Furthermore future economic downturns will place strong pressure on older workers to remain in the workforce and on retirees to seek employment again Aging and Work in the **The Origins of Transmedia Storytelling in Early Twentieth Century Adaptation** Alexis

Weedon,2021-06-18 This book explores the significance of professional writers and their role in developing British storytelling in the 1920s and 1930s and their influence on the poetics of today s transmedia storytelling Modern techniques can be traced back to the early twentieth century when film radio and television provided professional writers with new formats and revenue streams for their fiction The book explores the contribution of four British authors household names in their day who adapted work for film television and radio Although celebrities between the wars Clemence Dane G B Stern Hugh Walpole and A E W Mason have fallen from view The popular playwright Dane witty novelist Stern and raconteur Walpole have been marginalised for being German Jewish female or gay and Mason s contribution to film has been overlooked also It argues that these and other vocational authors should be reassessed for their contribution to new media forms of storytelling The book makes a significant contribution in the fields of media studies adaptation studies and the literary middlebrow Bad Friend

Tiffany Watt Smith,2025-05-06 A smart and thought provoking memoir history and cultural critique about the turmoil and complexity of female friendship Our culture today is inundated with narratives about the strength of female friendship whether through images of girl power BFFs or work wives Yet cultural historian Tiffany Watt Smith has always found her own life much messier She has had dramatic friend breakups friendships that felt like too much or not enough friendships that drifted into silence and friendships built on convenience rather than a meeting of minds And there are older cultural scripts to contend with the competitive rival the jealous backstabber the underminer the fair weather friend We have all been bad friends It s impossible to be a perfect one as Watt Smith points out women s friendships have long been magnified scrutinized praised and admonished creating a legacy of impossible ideals In Bad Friend Watt Smith reflects on her own experience and thoroughly mines the rich cultural history of female friendship to look for a new paradigm that might encompass the struggles along with the joy American Military Life in the 21st Century

Eugenia L. Weiss,Carl Andrew Castro,2018-11-16 A comprehensive guide to the lives and experiences of military service members veterans and their families in the United States today with special emphasis given to those of the post 9 11 era This reference work provides detailed information on the issues U S service members face both stateside and during deployments overseas Issues covered include relations with family substance use housing educational and job training opportunities post traumatic stress disorder and other health issues and experiences of women sexual minorities and ethnic racial minorities in the armed services This set also examines major issues related to military service for people close to the men and women who serve our country such as spouses or partners children and parents grappling with such issues as single parenthood during deployment and bereavement at the loss of a loved one Finally this set is a valuable resource for people seeking a greater understanding of the issues that confront some military service members and veterans from chronic health problems to economic vulnerability to suicide to incarceration The two volumes are written in a comprehensive yet succinct and accessible style by experts familiar with the latest trends and findings James Ivory in Conversation
