

The background of the poster is a textured, watercolor-like wash of pink and purple. On the left side, a dark, jagged silhouette of a cliff edge runs vertically. A glowing pink DNA double helix is positioned along the edge of the cliff, appearing to grow or descend from the top. At the very top of the cliff, three human silhouettes are visible: a man, a woman, and a child. The man and woman are holding hands, and the child is standing between them, reaching out towards the right. The overall mood is contemplative and scientific.
