Syncopated impressions Lothar Perl, 1997 L'impression Bruce Shavers, 1990 Solos for the New Age Piano Spencer Brewer, 1992 15 pieces from six of Brewer's albums including Shadow Dancer Portraits Dorian's Legacy Piper's Rhythm Wisdom of the Wood Complete with a bio of Brewer and his music Peace and Serenity Jerald Simon, 2021-09-29 Peace and Serenity a new instrumental relaxation album and piano book by composer Jerald Simon that was specifically

composed to reduce stress and anxiety while calming and comforting listeners This new soothing instrumental music helps bring feelings of peace and positivity Simon composed the music at 60 beats per minute because certain findings indicate that music around 60 beats per minute can cause the brain to synchronize with the beat causing alpha brainwaves frequencies from 8 14 hertz or cycles per second This alpha brainwave is what is present when we are relaxed and conscious according to an article titled Releasing Stress Through the Power of Music <https://www.unr.edu/counseling/virtual-relaxation-room-releasing-stress-through-the-power-of-music> When listening to or playing Peace and Serenity listeners begin to feel relaxed because since the heart follows the rhythm of the slower beat it can naturally return to a calm resting heart rate of 60 beats per minute The slower beat of the music naturally calms those who have feelings of anxiety and stress Listeners hear piano guitar and orchestral melodies and harmonies entwined with calming nature sounds crickets trickling streams gentle ocean waves a soothing wind and the chirping of birds all recorded by Simon and are added to the calming music These relaxing nature sounds help to bring a sense of well being that only nature can provide Here is what Simon has said about this new album The purpose of this new album is to promote peace and positivity in an increasingly turbulent world I believe we need to be sharing more peace and positivity with others each day through music poetry and positive motivational messages I think we all can try to focus on being more positive and optimistic and less negative and pessimistic and music contributes to our overall sense of well being We can all try to see the good in others instead of finding the bad around us We can all strive to be a positive influence in the lives of others and share light love and good music each day [MORE GRADE 5 PIANO SOLOS PF BOOK](#), 2017 **Ask The River - Piano Solo**, 2020-07-01 Piano This solo piano sheet music collection curated by Rachel Portman herself includes a specially written preface and exclusive artwork throughout The book features all 13 tracks from her album ask the river music inspired by many years of being immersed in nature CONTENTS leaves and trees a gift much loved ask the river still here flight apple tree recollection juniper longing for spring the summer day way home childhood **Impressions from The jungle book** Cyril Scott, 1998 **V.I.P.
