New Politics Of Youth Crime Discipline Or Solidarity:

The New Politics of Youth Crime J. Pitts, 2000-07-31 The New Politics of Youth Crime argues that the centrality of law and order to the New Labour project has generated a youth justice strategy which threatens to deepen the problems it purports to solve Analysing the profound changes in UK youth crime in the 1980s this book posits the French Social Prevention Initiative of the 1980s as an alternative model for a genuinely joined up social democratic response to the increasingly complex problem of youth crime in Europe

The New Politics of Youth Crime John Pitts, 2003 Analysing the profound changes in UK youth crime in the 1980s this text posits the French Social Prevention Initiative of the 1980s as an alternative model for a genuinely joined up social democratic response to the problem of youth crime

The New Politics of Crime and Punishment Roger Matthews, Jock Young, 2013-01-11 This book provides an overview of recent government initiatives in the field of crime and punishment reviewing both the policies themselves the perceived problems and issues they seek to address and the broader social and political context in which this is taking place The underlying theme of the book is that a qualitative change has taken place in the politics of crime control in the UK since the early 1990s Although crime has stabilised imprisonment rates continue to climb there is a new mood of punitiveness and crime has become a central policy issue for the government no longer just a technical matter of law enforcement At the same time the politics of crime control have taken on a pronounced gender race and age preoccupation This book will be essential reading for anybody seeking an understanding of why crime and criminal justice policy have risen to the top of the political agenda

Young people and 'risk' Blyth, Maggie, Solomon, Enver, 2007-09-26 Alongside the current media public preoccupation with high risk offenders there has been a shift towards a greater focus on risk and public protection in UK criminal justice policy Much of the academic debate has centered on the impact of the risk paradigm on adult offender management services less attention has been given to the arena of youth justice and young adults Yet there are critical questions for both theory are the principles of risk management the same when working with young people and practice how can practitioners respond to those young people who cause serious harm to others that need to be considered The distinguished contributors to *Young people and risk* consider risk not only in terms of public protection but also in terms of young people's own vulnerability to being harmed either by others or through self inflicted behaviour One of the report's key objectives is to explore the links between these two distinct but related aspects of risk Maggie Blyth is a member of the Parole Board for England and Wales and independent chair of Nottingham City Youth Offending Team She also works independently as a criminal justice consultant Kerry Baker is a researcher in the Centre for Criminology at the University of Oxford and also a consultant to the Youth Justice Board on issues of assessment risk and public protection Enver Solomon is Deputy Director of the Centre for Crime and Justice Studies an independent charity affiliated to the Law School at King's College London
