In the Grip of Strange Thoughts J. Kates, 1999 Russian's political revolution of 1990 set off a cultural earthquake of unprecedented impact But there were tremors four years before The whole country saw the cracks starting to appear which eventually resulted in the overthrow of the old system and the collapse of the confining roofs of direction and repression This anthology shows how a new generation of Russian poets responded first to that evolving cultural shift and then to the difficult freedoms of a new era No longer constrained by bureaucracy or ideology these writers are producing a new literature of great energy and diversity Working in styles ranging from traditional to avant garde to postmodern they depict the cascading changes in Russian life and culture through the most intimate details of private lives to the larger images of a nation forging a new path for itself Russian English bilingual edition The book includes work by over 30 poets with facing English versions by some of the most distinguished translators from Britain and America The poets include Gennady Aygi Bella Akhmadulina Mikhail Aizenberg Tatiana Bek Dimitry Bobyshev Bella Dizhur Arkadii Dragomoshenko Sergey Gandlevsky Elena Ignatova Fazil Iskander Nina Iskrenko Bakhyt Kenjeev Viktor Krivulin Aleksandr Kushner Yunna Morits Vsevolod Nekrasov Olesia Nikolaeva Bulat Okudzhava Olga Popova Dmitry Aleksandrovich Prigov Irina Ratushinskaya Evgeny Rein Genrikh Sapgir Olga Sedakova Tatiana Shcherbina Elena Shvarts Viktor Sosnora Sergey Stratanovsky and Mikhail Yeryomin

The New Russian Poets, 1953-1968 George Reavey, 1968 Silver Age and After: Repressed Russian Poets, Artists and Philosophers during the Soviet Period Roberto Echavarren, 2024-09-17 The details of the Jewish Holocaust have become part of our history through the testimony of those who survived the death camps The details of Lenin's and Stalin's reign of terror are far less known because they took place behind a wall of secrecy and because survivors have been loath to speak about them for fear of retribution This is an encompassing volume presenting an intense display as complete as can be of poets artists musicians and philosophers and intellectual actors implicated in different aspects of Russian life roughly through the period 1900-1960 They were people who had lived under the Soviet regime in times of peace and in times of war from the Red Terror through the Great Terror One must bear in mind the political and economic conditions in which those lives developed the one party rule placed above both the government and the citizens the abashment of the division of powers the suppression of private property and private economic initiative the political police and the GULAG I deal with the poets in several chapters then theater directors then composers then philosophers these both in the introduction and in the play at the end of the book Besides the Prologue and Introduction the reader will find an Index of historical names plus an extensive Bibliography The work can be used for reference for classroom adoption for researchers practitioners of Russian Literature

Political Studies Slavic Studies and Russian History Russian Poets and Poems Nadine Jarintzov,1917 *The Stray Dog Cabaret* ,2006-12-05 A New York Review Books Original A master anthology of Russia s most important poetry newly collected and never before published in English In the years before the 1917 Russian Revolution the Stray Dog cabaret in St Petersburg was the haunt of poets artists and musicians a place to meet drink read brawl celebrate and stage performances of all kinds It has since become a symbol of the extraordinary literary ferment of that time It was then that Alexander Blok composed his apocalyptic sequence Twelve that the futurists Velimir Khlebnikov and Vladimir Mayakovsky exploded language into bold new forms that the lapidary lyrics of Osip Mandelstam and plangent love poems of Anna Akhmatova saw the light that the electrifying Marina Tsvetaeva stunned and dazzled everyone Boris Pasternak was also of this company putting together his great youthful hymn to nature My Sister Life It was a transforming moment not just for Russian but for world poetry and a short lived one Within little more than a decade revolution and terror were to disperse silence and destroy almost all the poets of the Stray Dog cabaret **The Peasant Poets of Russia** William Richard Morfill,1880

The New Russian Poets 1953-1968: an Anthology; Selected, Edited and Translated by George Reavey.

Bilingual Ed George REAVEY,1968 Modern Russian Poets on Poetry Carl R. Proffer,1976 *Russian Poet/Soviet Jew* Maxim Shrayer,2000 Based in part on archival materials Russian Poet Soviet Jew examines the short and brilliant career of Eduard Bagritskii 1895 1934 a major Russian poet of Jewish origin Shrayer provides a short biography an examination of the problems of Jewish identity and Jewish self hatred and interviews with contemporary leaders of Russian ultra nationalism to explore Bagritskii s Russian Jewish dual identity The book also includes the first English language translations of Bagritskii s major works along with rare archival photographs documenting the trajectory of his life and career **Twentieth-Century Russian Poetry** Katharine Hodgson,Joanne Shelton,Alexandra Smith,2017-04-21 The canon of Russian poetry has been reshaped since the fall of the Soviet Union A multi authored study of changing cultural memory and identity this revisionary work charts Russia s shifting relationship to its own literature in the face of social upheaval Literary canon and national identity are inextricably tied together the composition of a canon being the attempt to single out those literary works that best express a nation s culture This process is of course fluid and subject to significant shifts particularly at times of epochal change This volume explores changes in the canon of twentieth century Russian poetry from the 1991 collapse of the Soviet Union to the end of Putin s second term as Russian President in 2008 In the wake of major institutional changes such as the abolition of state censorship and the introduction of a market economy the way was open for wholesale reinterpretation of twentieth century poets such as Iosif Brodskii Anna Akhmatova and Osip Mandel shtam their works and their lives In the last twenty years many critics have discussed the possibility of various coexisting canons rooted in official and non official literature and suggested replacing the term Soviet literature with a new definition Russian literature of the Soviet period Contributions to this volume explore the multiple factors involved in reshaping the canon understood as a body of literary

texts given exemplary or representative status as classics Among factors which may influence the composition of the canon are educational institutions competing views of scholars and critics including figures outside Russia and the self canonising activity of poets themselves Canon revision further reflects contemporary concerns with the destabilising effects of emigration and the internet and the desire to reconnect with pre revolutionary cultural traditions through a narrative of the past which foregrounds continuity Despite persistent nostalgic yearnings in some quarters for a single canon the current situation is defiantly diverse balancing both the Soviet literary tradition and the parallel contemporaneous literary worlds of the emigration and the underground Required reading for students teachers and lovers of Russian literature Twentieth Century Russian Poetry brings our understanding of post Soviet Russia up to date **Waiting for the Muse: Poems of Anna Akhmatova** Frances Laird, 2021-09-14 Waiting for the Muse Poems of Anna Akhmatova presents new translations of the work of this great Russian poet set in the context of her life Akhmatova saw the source of her creativity as the appearance to her of the Muse the embodiment of poetic inspiration In the poems written over her lifetime from the early love lyrics to poems of resistance during the Stalinist Terror to poems of remembrance as her life neared its end her conception of the Muse changed with the circumstances of her life The Muse first appeared as an unpredictable young woman then the classical figure of Erato then a woman who stood beside her in the prison lines then a cruel taskmaster Akhmatova herself became the Muse for other Russian poets Ultimately Akhmatova concluded that the Muse may have been the torment she had been forced to suffer *Russian Women Writers* Christine D. Tomei, 1999 Contemporary Russian Poetry Евгений Бунимович, J. Kates, 2008 Prominent Moscow poet Evgeny Bunimovich selected representative work from forty four living Russian poets born after 1945 to be translated and published in this bilingual edition The collection ranges from the mordant post Soviet irony of Igor Irteniev to the fresh voices of poets like Marianna Geide and Anna Russ young women just beginning to make themselves heard The book includes the work of Booker Prize winner Sergey Gandlevsky and several winners of the Andrey Bely Prize and Brodsky Fellowships Most of these poems and many of the poets have previously been unpublished in the West *Handbook of Russian Literature* Victor Terras, 1985-01-01 Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays The New Russian Poets , 1981
