The Trouble with the Trinity Carlos A. Pinkham, 2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God s Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with

relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author's Facebook page <https://www.facebook.com/TTWTTrinity> view_public_for 100820838002256 **Strong's Exhaustive**

possession Through miraculous deliverance and covenant law the Redeemer is revealed Exodus contains one of the earliest sets of laws ever recorded beginning to shape a more just society for everyone The book points us to God s purpose for which all laws and people are made pure and wholehearted worship of a just and loving God LifeChange LifeChange Bible studies will help you grow in Christlikeness through a life changing encounter with God s Word Filled with a wealth of ideas for going deeper so you can return to this study again and again Features Cover the entire book of Exodus in 18 lessons Equip yourself to lead a Bible study Imagine the Bible s historical world Study word origins and definitions Explore thoughtful questions on key themes Go deeper with optional projects Add your notes with extra space and wide margins Find the flexibility to fit the time you have [Mark](#) The Navigators,2018-03-06 Over 3 million LifeChange studies sold The Earliest Account of Jesus Life When Jesus came claiming to be the promised Messiah the Jewish people were expecting a powerful warrior king who would throw off their oppressors Instead He served the needs of the weak and suffered injury from the strong Because He did not fit their ideal picture of a messiah the people rejected Him Mark s Gospel probably the earliest account of Jesus life shows us how Jesus upsets our expectations in order to give us something better than we could imagine LifeChange LifeChange Bible studies will help you grow in Christlikeness through a life changing encounter with God s Word Filled with a wealth of ideas for going deeper so you can return to this study again and again Features Cover the entire book of Mark in 18 lessons Equip yourself to lead a Bible study Imagine the Bible s historical world Study word origins and definitions Explore thoughtful questions on key themes Go deeper with optional projects Add your notes with extra space and wide margins Find the flexibility to fit the time you have [Straight from the Heart](#) Hannah Rose,2013-04-11 Perhaps you have traveled the same road and experienced similar heartaches Sometimes life can seem overwhelming and it tries to get the best of us Remember God has a plan for each one of us to transform us into His image and He will be faithful to bring it to pass The means He uses always results in a perfect end Hannah Rose shares part of her faith journey in grace using personal anecdotes along with God s voice as a very present help in times of struggle and doubt The relevance of God s Word is continually portrayed through her selection of entries as encouragement and exhortation Read as a whole or as daily individual entries Hannah s hope is that you would be encouraged to learn that God has used the devastation and pain of her life to continually change her from glory to glory He will do the same for you through your circumstances if you let Him

Inner Healing D. Min. Washington,2012-03 INNER HEALING is about being transparent with God ourselves and others to release the hurt pain and shame suffered from past experiences to be healed inwardly Deep wounds are sustained from family friends associates strangers and are even self inflicted but in order to be made whole it is necessary to remove the superficial covers that are used Past hurts pain and suffering from abuse rejection abandonment generational curses false accusations social injustices and unhealthy relationships has to be exposed and dealt with to reach your potential and avoid wounding others Understand it is important to receive help in many situations to be set free Band aids medications or other

superficial cover ups are temporary but deliverance and healing that comes through the anointing presence and power of God is permanent You will develop a genuine expression of love for God self and others Dr Gwendolyn A Washington is an ordained minister and has been involved in the ministry of healing for over twenty years She has seen cases of people healed by the hand of God as well as through medical technology as a registered nurse She is a church planter and was a pastor for 16 years She has a Master s of Divinity and Doctor of Ministry from the Interdenominational Theological Center in Atlanta GA Her dissertation is titled Faith Healing Ministry A Christian Education Model for Clergy and Laity The research focused on discovering why there is a lack of healing in the Christian church

Revelation Jeff Ferguson,2021-11-03 Social injustice social distancing and masks the coronavirus pandemic earthquakes wars and rumors of wars is this really the end times When thinking about the book of Revelation death and destruction lawlessness and chaos seem to be the focus of most people Humanity especially Hollywood seems to have an insatiable appetite for the sensational devastation and death that is predicted in this biblical prophecy The problem with this is most media sources miss the main point for which these catastrophes occur the call of God for His creation to reunite with Him The book of Revelation is probably the most controversial book of the Bible Which piece of literature throughout history has had more written about it with such widely divided opinions and differing beliefs Yet through all of the existing material there is still widespread confusion and improbable comprehension regarding this prophecy However controversial it may seem Revelation is also one of the most important writings we have available concerning the Christian life today It is a compulsory read for anyone serious about living their life for Jesus Christ Revelation The Full Disclosure of Jesus Christ takes the reader verse by verse through the entire twenty two chapters of Revelation giving accurate but easy to understand explanations It is designed as a study guide for the children of God at every level of understanding The book of Revelation is both a continuation and ending of the story that began in the book of Genesis So come let us explore together the final chapter of the greatest story ever told

The Intention of It All T.C. Ray,2010-11-24 Within the reader is provided with enlightened versions of selected and some even beloved segments of the Bible that have been previously either translated based on Semite legends due to the fact that at the time of translation those were the only historical references available or considered unknowable The creation of the universe earth and humanity are presented in a manner that falls closer in line with the historical and archeological record as known today instead of being based on ancient legends and fairy tales Elements of the Book of Exodus with passages concerning the 10 commandments and the role of Jethro in the establishment of a democratic form of government provide the reader with new origins for the judicial and representational branches within our own form of government The unknowable elements of the Book of Job concerning the Lords reply to Job in the last few chapters of the book are presented in a manner that not only suggests that it is indeed knowable but also reasonable and logical as well providing a description of the universe and earth that belies the level of knowledge available to humanity at its inception Certain controversial passages of the New Testament

are addressed such as the Magi the intent behind the Feast at Cana and Mary Magdalenes true role in Jesus life and ministry and this is followed with an interpretation of the symbolism found within the Book of Revelations All in all the author provides the reader with a new and different take on certain elements of old scriptures
