Translation Red-Letter Edition New Testament Alvin H Andrew, 2024-04-08 This volume is a Joseph Smith Translation JST Red Letter edition of the King James Version KJV of the New Testament The purpose of this rendition is to provide a KJV reading that integrates the JST in line Readers do not need to refer to footnotes appendices or another column to find the JST alterations since they appear in line highlighted in red within the KJV text itself Those familiar with other red letter editions of the KJV will recognize the format Words printed in red in those bible editions were spoken by the Savior in the first person They were generally confined to the four Gospels However rather than highlighting text in red when the Savior speaks this rendition highlights in red the changes made by the JST When altered because of the JST all original KJV text verses and chapters are retained but highlighted in blue and given a strike through This rendition of the KJV was accomplished through careful examination of the JST New Testament Revision 1 and New Testament Revision 2 as published on The Joseph Smith Papers web site of The Church of Jesus Christ of Latter Day Saints Additionally we occasionally referenced the bible used by the Prophet which was marked wherever changes were to be made That bible can be found at the same website and on the same webpage My Bible ABC.
