## **New Testament Today:**

**The New Testament Today** Ernest Findlay Scott, 1921      Reading the New Testament Today Brian E. Beck, 1977 Why do we have to study the New Testament Is it not simply enough to read it Beginning with a reading of the Lord's Prayer Brian Beck sets out to show how even the most familiar passages may benefit from more detailed study He writes simply and directly about the problems which arise from translation not only for the student but for every Christian who cares enough about the New Testament to want to understand it better He then goes on to show the way in which the different books came to be written and how they were brought together Though he is ready to criticise a number of scholars when he thinks they are mistaken he nevertheless yields to nobody in his high regard for many of the fruits of contemporary New Testament scholarship      *New Testament Words for Today* Warren W. Wiersbe, 2013-10-15 It is remarkable how much the Lord can say to us in only five words of Scripture Scattered throughout the Bible are small phrases that pack a punch They teach truths uncover human frailties reveal God's grace and even expose the schemes of the Enemy Bestselling and beloved author Warren Wiersbe offers one hundred concise but nourishing devotions that zero in on powerful five word statements from the New Testament Each devotion is quickly digested easily remembered and leaves a lasting impact Believers who are hungry for more of God's Word will use this book of bite sized meditations for daily encouragement and renewal as they search for the will of God in their lives      The New Testament Today Mark Allan Powell, 1999-01-01 This volume offers the collective insight of eleven scholars who represent the spectrum of New Testament studies Their expert commentaries make this book an invaluable resource for both the seasoned researcher and the beginning student      **Old Testament Words for Today** Warren W. Wiersbe, 2013-07-15 It is remarkable how much the Lord can say to us in only five words of Scripture Scattered throughout the Bible are small phrases that pack a punch They teach truths uncover human frailties reveal God's grace and even expose Satan's schemes Bestselling and beloved author Warren Wiersbe offers one hundred concise but nourishing devotions that zero in on powerful five word statements from the Bible Each devotion is quickly digested easily remembered and leaves a lasting impact Believers who are hungry for more of God's Word will use this book of bite sized meditations for daily encouragement and renewal      **Sound Doctrine For Today's Christians; What the bible says** Rev. Preston N. Jr. Tolliver, 2009-08-17 Sound Doctrine for Today's Christians addresses a multitude of today's issues from a scriptural standpoint The author relies upon the scriptures to provide the commentary as chapter after chapter of Biblical clarity is given to provide sound doctrine for the reader The end result is a forthright scriptural presentation in complete thoughts as referenced from the King James Version exclusively of the Bible There are forty chapters presented that cover a gamut of topics from the reasons for reading the Bible to faith issues differentiation of Christianity in terms of denominations and from other religions personal life choices and the choices of a nation Profound statement after statement is presented with the irrefutable clarity of the scriptural basis provided for each statement This book provides a basis for Biblical doctrine
