

Political Activists

Laura McLeod

Political Activists:

Political Activists in America Nathan Teske, 2009-01-01 Argues that active involvement in politics can be deeply fulfilling to the individual and that the construction of identity for all activists is both about morality and about what one wants for oneself Includes interviews with environmental social justice and pro life activists Provided by publisher **Government Leaders, Military Rulers and Political Activists** David W. Del Testa, 2014-01-27 In each volume an introductory essay outlines of history of the disciplines under discussion and describes how changes and innovations in these disciplines have affected our lives The biographies that follow are organized in an A Z format each biography is divided into a life section describing the individual s life and influences and a legacy section summarizing the impact of that individual s work throughout history These biographies cover a diverse group of men and women from around the globe and throughout history Franklin Delano Roosevelt Mao Tse tung and Genghis Khan are among the 200 well known historical figures included in this volume Examples of other lesser known yet important individuals covered in this work are Gustavas Adolphus Swedish empire creator Hatshepsut queen of ancient Egyptian dynasty and Jean Jaur s French socialist leader and pacifist Each synopsis provides information on each individual s enduring impact on the common understanding of fundamental themes of human existence Actors and Activists David Schlossman, 2017-09-25 This scholarly work looks at the issue of politics and performance in America today with particular attention paid to performances produced by activists the NEA Four and Miss Saigon

Political Activist Ethnography Agnieszka Doll , Laura Bisailon, Kevin Walby, 2024-05-14 As activists strategize build resistance and foster solidarity they also call for better dialogue between researchers and movements and for research that can aid their causes In this volume contributors examine how research can produce knowledge for social transformation by using political activist ethnography a unique social research strategy that uses political confrontation as a resource and focuses on moments and spaces of direct struggle to reveal how ruling regimes are organized so activists and social movements can fight them Featuring research from Aotearoa New Zealand Bangladesh Canada Poland South Africa and the United States on matters as diverse as anti poverty organizing prisoners re entry anti fracking campaigns left inspired think tank development non governmental partnerships involuntary psychiatric admission and perils of immigration medical examination contributors to this volume adopt a bottom up approach to inquiry to produce knowledge for activists not about them A must read for humanities and social sciences scholars keen on assisting activists and advancing social change

How Political Activists See Offshore Oil Development Eric R. A. N. Smith, 1998 **Guide to U.S. Political Parties** Marjorie R. Hershey, 2014-04-01 This one volume reference presents the major conceptual approaches to the study of U S political parties and the national party system describing the organization and behavior of U S political parties in thematic narrative chapters that help undergraduate students better understand party origins historical development and current operations Further it provides researchers with in depth analysis of important subtopics and connections to other aspects of

politics Key Features Thematic narrative chapters organized into six major parts provide the context as well as in depth analysis of the unique system of party politics in the United States Top analysts of party politics provide insightful chapters that explore how and why the U S parties have changed over time including major organizational transformations by the parties behavioral changes among candidates and party activists and attitudinal changes among their partisans in the electorate The authors discuss the way the traditional concept of formal party organizations gave way over time to a candidate centered model fueled in part by changes in campaign finance the rise of new communication technologies and fragmentation of the electorate This book is an ideal reference for students and researchers who want to develop a deeper understanding of the current challenges faced by citizens of republican government in the United States **Library of**

Congress Subject Headings Library of Congress,2009 *Gender Politics and Security Discourse* Laura

McLeod,2015-07-16 This book investigates competing modes of thought about gender security and aims to understand the policy implications of personal political imaginations The work draws upon extensive research conducted by the author in Serbia to develop a comprehensive picture of how feminist and women s organising relates to the broader national and international contexts surrounding gender security Through an innovative analytical framework of personal political imaginations the book explores the role that memories perceptions and hopes about conflict and post conflict have upon the logics of gender security It investigates how contrasting and competing modes of thought about gender security are made paying attention to how the dynamics of gender politics in Serbia shape the security discourse and narratives of activists The volume explores in detail how feminist and women s organisations have responded to UNSCR 1325 by analysing two policy debates and campaigns that seek to achieve its goals and gender security in Serbia 1 feminist antimilitarism and 2 connecting domestic violence to the abuse of small arms and light weapons Ultimately the book argues that the configuration of gender security discourse is intimately linked to personal political imaginations of conflict and post conflict This book will be of much interest to students of gender politics conflict studies critical security studies European politics and IR in general

Library of Congress Subject Headings Library of Congress. Cataloging Policy and Support Office,2009 The Oxford Handbook of Political Participation Marco Giugni,Maria Grasso,2022 The Oxford Handbook of Political Participation provides readers with up to date knowledge on the wide ranging topics covered in this field and considers the key theoretical and methodological pluralism in the area as well the most recent developments One of the aims of this Handbook is to bring together two research traditions from political science and sociology bridging research in political sociology and social movement studies Accordingly the Handbook mainly brings together authors coming from both the politics and sociology research traditions as well as key authors working on political participation coming also from other fields such as psychology economics anthropology and geography The volume provides the first comprehensive up to date treatment of political participation in all of its varied expression it covers a wide range of topics relating to the study of political participation both

from a theoretical and methodological perspective it brings together the political science and political sociology tradition on the one hand and the social movement sociological tradition on the other it is sensitive to theoretical and methodological pluralism as well as the most recent developments in the field and includes discussions combining perspectives that have traditionally been treated separately in the literature as well as discussions of current trends and future directions for research in this field

Aging Political Activists David P. Shuldiner, 1995-03-23 *Aging Political Activists* is at once a series of political autobiographies a set of personal narratives of social commitment a model for qualitative research and a challenge to current theory and practice in the social and behavioral sciences It presents and examines the life stories of four individuals close friends and former members of the Communist Party USA revealing the ways they have developed and sustained their personal values and political outlook through a lifetime of involvement in movements for social change Shuldiner approaches the interviews as a collaborative effort with his subjects who both describe their identities and experiences and critique the interview process offering alternate readings of the content of their narratives or new directions for inquiry These portraits of older activists challenge notions about the role of the personal in the development of political identity while shifting the debate among gerontologists between activity versus disengagement in old age to a discussion of the dialectical relationship of these two aspects of human behavior throughout a lifespan

Cultural Politics Marcy Darnovsky, 2010-06-10 *Bridging the worlds of activism and academia* this volume combines social movement theory with the real experiences of activists

Pet Politics Susan Hunter, Richard A. Brisbin, 2016-02-15 Although scholars in the disciplines of law psychology philosophy and sociology have published a considerable number of prescriptive normative and theoretical studies of animals in society *Pet Politics* presents the first study of the development of companion animal or pet law and policy in Canada and the United States by political scientists The authors examine how people and governments classify three species of pets or companion animals cats dogs and horses for various degrees of legal protection They then detail how interest groups shape the agenda for companion animal legislation and regulation and the legislative and administrative formulation of anticruelty kennel licensing horse slaughter feral and roaming cat and breed ban policies Finally they examine the enforcement of these laws and policies by agencies and the courts Using an eclectic mix of original empirical data original case studies and interviews and relying on general theories and research about the policy process and the sociopolitical function of legality the authors illustrate that pet policy is a unique field of political struggle a conflict that originates from differing perspectives about whether pets are property or autonomous beings and clashing norms about the care of animals The result of the political struggle the authors argue is difficulty in the enactment of policies and especially in the implementation and enforcement of laws that might improve the welfare of companion animals

Political Parties and Primaries in Kentucky Penny M. Miller, Malcolm E. Jewell, 2014-07-15 This is a study of Kentucky political parties how they are organized and how they nominate and elect candidates Because state politics in Kentucky is dominated by the

Democratic Party a major portion of the study is devoted to the Democratic primary candidates campaign techniques funding of elections and voting patterns As in other states campaign techniques in Kentucky are changing During the 1950s and 1960s the Democratic Party had two dominant factions and candidates for statewide office sought factional allies among local party organizations Now factional alignments have disappeared and candidates for statewide office build campaign organizations from thousands of active party workers The characteristics motivations and allegiances of these party activists form one major focus of this book Another focus is television which has assumed ever greater importance in statewide primary campaigns Because it is expensive candidates who are wealthy or can raise large sums for television advertising enter the primaries with a substantial advantage and those who use that medium most effectively are most likely to win Two wealthy candidates who proved to be talented campaigners in person and on television were nominated by the Democrats in 1987 Wallace Wilkinson in the gubernatorial race and Brereton Jones in the race for lieutenant governor The book features case studies of these two campaigns which in many ways typify modern primary elections in Kentucky Finally since the 1950s the Republican Party has been highly successful in campaigns for national office in Kentucky but has been unable to elect a governor since 1967 This study provides some answers to two questions What is wrong with the Republican Party in Kentucky And why are so many Kentuckians voting Republican in national races and Democratic in state races

The punk rock politics of Joe Strummer Gregor Gall, 2022-06-28 Joe Strummer was one of the twentieth century's iconic rock n roll rebels As frontperson spokesperson and chief lyricist for The Clash he played a major role in politicising a generation through some of the most powerful protest songs of the era songs like White Riot English Civil War and London Calling At the heart of this protest was the struggle for social justice and equality The punk rock politics of Joe Strummer examines Strummer's beliefs on a range of issues including socialism alienation exploitation multiculturalism and humanism analysing their credibility influence and impact and asking where they came from and how they developed over time Drawing on Strummer's lyrics various interviews and bootleg recordings as well as interviews with those he inspired The punk rock politics of Joe Strummer takes the reader on a journey through the political influences and motivations that defined one of the UK's greatest punk icons

Writing Southern Politics Robert P. Steed, Laurence W. Moreland, 2014-10-17 Scholars journalists writers and pundits have long regarded the South as the nation's most politically distinctive region Its culture history and social and economic institutions have fostered unique political ideas that intrigue observers and have had profound political consequences for the nation's citizens politicians and policymakers Writing Southern Politics is the most comprehensive review of the large body of post World War II literature on southern politics Since the publication of V O Key Jr's landmark work Southern Politics in State and Nation 1949 scholars have produced an astounding number of books monographs professional journal articles and research papers addressing elements of continuity and change in southern politics The contributors to this book sort through the literature identifying major themes examining areas of scholarly

disagreement and making the key dimensions and contours of the region's politics understandable. Individually the essays in this volume identify and clarify the key writing and research in selected subfields of southern politics including religion, race, women, and political parties. Collectively the essays identify and discuss the major components of and trends in southern politics over the past half century. The contributors, some of the foremost scholars in the field, have been heavily involved in researching and writing about southern politics during the past three decades and have observed the development of many of the research projects that form the foundation of southern political literature. In many instances their own writings are included in the body of literature they discuss, bringing unique skills, research, and perspectives to their original essays. In addition to reviewing existing literature, *Writing Southern Politics* also includes suggestions for a future research agenda. Not all aspects of the region's dramatic fifty-year transformation have been fully explored, and the continuation of this development ensures new avenues to examine. The discussion of past research and writing is an invaluable tool for understanding the trends in southern politics over the past half century. By examining these trends and developing an agenda for future research, the authors provide a roadmap for identifying the changes that will likely shape the region over the next half century.

The American Tapestry of Asia Pasquale De Marco, 2025-08-12. *The American Tapestry of Asia* is the definitive guide to the Asian American experience in the United States. Written by Pasquale De Marco, an Asian American author, this book provides a comprehensive overview of the history, challenges, contributions, and future of Asian Americans in America. The book is divided into ten chapters, each of which focuses on a different aspect of the Asian American experience. The first chapter provides a historical overview of Asian immigration to the United States from the early days of Chinese immigration in the mid-19th century to the present day. The second chapter discusses the challenges faced by Asian Americans, including discrimination, racism, and xenophobia. The third chapter highlights the contributions of Asian Americans to American society, including their role in the arts, sciences, and business. The fourth chapter examines the future of Asian Americans in America, discussing the challenges and opportunities that they face. The remaining chapters of the book cover a wide range of topics, including Asian American arts and culture, politics and activism, education, health, business, and economics, media and communications, religion and spirituality, and law and justice. Each chapter provides a comprehensive overview of the topic, discussing the history, challenges, successes, and future of Asian Americans in that particular area. This book is an essential resource for anyone who wants to learn more about the Asian American experience in the United States. It is a valuable addition to the growing body of literature on Asian American studies, and it is sure to be a valuable resource for students, scholars, and activists alike. *The American Tapestry of Asia* is a groundbreaking work that provides a comprehensive overview of the Asian American experience in the United States. This book is essential reading for anyone who wants to understand the history, challenges, contributions, and future of Asian Americans in America. If you like this book, write a review.

Black Student Politics Saleem Badat, 2016-04-29. *Black Student Politics* Higher Education and Apartheid

examines two black national higher education student political organizations the South African National Students Congress SANSCO and the South African Students Organization SASO popularly associated with Black Consciousness It analyzes the ideologies and politics and organization of SASO and SANSCO and their intellectual political and social determinants It also analyzes their role in the educational political and social spheres and the factors that shaped their activities Finally it assesses their contributions to the popular struggle against apartheid education and race class and gender oppression and the extent to and ways in which their activities reproduced undermined and or transformed apartheid and capitalist social relations institutions and practices

Environmental Protest and Citizen Politics in Japan Margaret A. McKean, 1981-01-01

Politics, Governance, and Development in Ghana Joseph R.A. Ayee, 2019-10-16 Since it achieved independence in 1957 the West African state of Ghana has become the torchbearer of African liberation as well as a laboratory for the study of endemic problems facing the African continent In terms of democratic consolidation the country holds a unique position on the continent as beacon of stability and democracy Politics Governance and Development in Ghana takes critical stock of the landmark themes that have dominated its history since independence The contributors address issues such as citizenship civil society the military politicians chiefs transnational actors the public sector and policies the executive branch decentralization the economy electoral politics natural resources and relations with Asia and the diaspora These themes support mobilizing for Ghana's future which is the theme for the diamond jubilee celebration of Ghana's independence Edited by Joseph R A Ayee this book will deepen the literature on studies on Ghana especially in the areas of politics governance economy and development serve as a resource for academics students practitioners and commemorate the diamond jubilee celebration of Ghana's independence

Political Activists Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Activists has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Activists has opened up a world of possibilities. Downloading Political Activists provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Activists has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Activists. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Activists. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Activists, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Activists has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility

it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Activists Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
