Research in Ministry William Myers, 1997-01-01 **Narrative Research in Ministry** Carl E. Savage, Dr William Presnell, 2008 We are in a real sense our stories Who we are what we think and how we act are all shaped by the many large and small stories that make up the discourse embedded in our multi sensory social experience It is this postmodern understanding of identity and reality that has prompted the authors to fashion a new way of thinking about doing research in faith communities today particularly through a Doctor of Ministry program It is our belief that in order for faith communities to define themselves and to know what to do in ministry they must first understand the multiple stories which intersect with a given ministry situation in their specific context Qualitative Research, Second Edition Tim Sensing, 2022-07-05 The second edition of *Qualitative Research* responds to the growing need in Doctor of Ministry programs for a textbook that guides students in Participatory Action Research prospectus and dissertation that reflect the recent trends in the discipline of practical theology The Standards of Accreditation for the Commission on Accrediting of the Association of Theological Schools states The Doctor of Ministry is an advanced professionally oriented degree that prepares people more deeply for religious leadership in congregations and other settings Standard 5.3 states The Doctor of Ministry degree has clearly articulated student learning outcomes that are consistent with the school's mission and resources and address the following four areas a advanced theological integration that helps graduates effectively engage their cultural context with theological acumen and critical thinking b in depth contextual competency that gives graduates the ability to identify frame and respond to crucial ministry issues c leadership capacity that equips graduates to enhance their effectiveness as ministry leaders in their chosen settings and d personal and spiritual maturity that enables graduates to reinvigorate and deepen their vocational calling In accordance with the standards *Qualitative Research* guides students through appropriate research methods to satisfy the objectives of the degree in order to enhance ministerial leadership for the transformation of communities of practice Doing Theological Research Robert W. Pazmiño, 2009-09-01 This concise introductory work explores the essentials of doing theological research and writing It is a handy companion to assist persons as they begin and pursue theological education It provides an overview of expectations that both various professors have shared and students have reported over many years as basic wisdom to foster quality theological work It is a time tested resource to guide those called to seminary study **Hopeful Realism in Urban Ministry** Barry K. Morris, 2016-05-20 What pray tell does a faithful urban ministry require if not a triadic relationship of prayer justice and hope Could such a theologically conjunctive relationship of prayer justice and hope fortify urban ministry and challenge students and practitioners to ponder and practice beyond the box Frequently justice is collapsed to charity hope into wishful thinking or temporarily arrested despair and prayer a grasp at quick fix interventions An urban ministry's steadfast public and prophetic witness longs for the depth and width of this triad Via three countries decades of endeavors one chapter brainstorms urban ministry practices while another

s literature survey signals crucial convictions Amid many seminal theologians are summoned to ground urban ministry intimations and implications Niebuhr on justice Moltmann on hope and Merton on contemplative prayer Evident is passion that fuels compassion in the service of justice hope that engages despair and prayer that draws from the contemplative center of it all thankful resources for long haul ministry The triad presses to illumine a concrete ministry's engagement of relentless forced option issues yet with significant networks resourcing Contrast awareness animates endurance The summary exegetes the original grace based serenity prayer Hence hope vitally balances realism's temptation to cynicism Realism saves hope from irrelevancy

II,2006-07 **Reflections of an Army Chaplain** Dr. Elvernice Davis,2020-03-27 As an army chaplain for 30 years I had opportunity to work with and serve as pastor of the world community of God s greatest creation I never felt called to be a neighborhood pastor though I loved it Reflections of an Army chaplain are just that The book is a composite of written and resurfaced experiences and not always in chronological order I apologize to the many friends who at varied stages of my development encouraged me to publish my thoughts I further apologize for criticizing the many graduate and post graduate level professors whose uniquely inspired presentations were not put in print In spirit for whatever justification I was not ready until today So you get the whole load Whoever you are I love you in Christ Thanks for sharing your time while permitting me to unload on you My goal is consistent Respect our flag and Constitution for whom Americans have fought and died protecting The Christian faith at its core not necessarily in its practice is not the only world religion but the one I believe has the best hope for establishing world peace It is not intended as a scholarly masterpiece though it reveals respect for academia Yet some scholarly works of academia may be the primary cause of contemporary tragic consequences This book is inclusive of 79 years of living **Gays and Grays** Donal Godfrey,2008-04-01 This book tells the story of a unique Catholic
