Living in God's True Story Donald L. Morcom,2021-06-09 We all need a reminder of the true story at the heart of the gospel In the face of false teachers and skeptics Peter wrote his second epistle to remind his readers of God s true story They needed to be reoriented to the truth of their identity and status in Christ Christians continue to experience similar challenges to our spiritual foundations today In Living in God s True Story 2 Peter Donald L Morcom shows that remembering the truth is the core theme of Peter s second letter In the midst of false alternatives he encourages believers to live faithful lives that demonstrate love and wisdom Though it may be short 2 Peter is an impactful letter that explains how we can order our lives in accordance with God s true story *Foundations of Christian Faith* Steve Kitchens,2025-05-08 Foundations of Christian Faith is a systematic theology and discipleship book for believers who want to study the Bible and grow in their knowledge and love of Jesus Christ Divided into four sections God and Man Christ and Salvation The Holy Spirit and the Church and Last Things and Eternity this book will guide you through the foundational pillars of Christianity and the biblical essentials of saving faith which include creation sin Christ the gospel salvation the Holy Spirit the church and the return of Christ The author considers questions such as How does God s Word have the power to transform lives What are we expected to do as disciples of Jesus Christ Why is the Holy Trinity so foundational to understanding the Bible How can we be sure we truly know God s will Why is it important for Christians to attend and be part of the church Written with fifty two chapters for the layperson in mind this book can be used for individual weekly study as a discipleship guide for one or more or as a teaching guide for Sunday school and Bible classes No matter how you use this resource it will serve you well as you read your Bible and seek to better understand God s Holy Word

Foundations of our Faith B. Lightsey,2019-08-14 I am part of a vast ocean of Christians that view the Word of God through a different set of eyes than those of many pastors professors and church staff members I have interest in the deep theology of scripture and recognize my need to be exposed to and covered by the Word of God similar to that of my called brothers in Christ Yet I want it delivered to me in a simple worker s language Recent translations have strived toward this end and have made headway Yet the finished product is still from scholars that often describe the original transcripts from a theological standpoint rather than a worker s standpoint The Eastern Standard Version ESV published in 2001 was written to carefully weigh accuracy against the original Hebrew Aramaic and Greek scrolls It stands as one of the better accepted of sound English Bible Translations Because of its wide acceptance I have used this translation for my resource I have certainly considered a host of opinions and writings of a host of scholars but my source of authenticity has always been God s Word In writing this book I strongly encourage our religious leaders to go back to the reading writing and arithmetic basics of God s

Word Just as I believe we need to get back to the basics in educating our children in school in reading writing and arithmetic we also need to get back to the reading writing and arithmetic basics in educating God s people in church Perhaps such consideration is out of touch with the advanced theology of today As a layman not an ordained or seminary graduate I might be considered a doctrine dummy This book entitled Doctrine for Dummies is written for this vast ocean of people We are not dummy people but we are somewhat hindered in our study by deep theological doctrine This book tries to take us back to reading writing and arithmetic doctrine

The Collected Works of Edward Schillebeeckx Volume 8 Edward Schillebeeckx, 2014-09-25 As a result of the publication of Jesus An Experiment in Christology volume 6 and Christ The Christian Experience in the Modern World volume 7 Schillebeeckx was accused of denying the divinity of Jesus and the resurrection as objective reality In this interim report he responds to these criticisms Schillebeeckx argues that the interpretation of his publications depends to a large extent on what the reader takes as a starting point This book therefore is about presuppositions and methods of interpretation Schillebeeckx begins by looking once again at the nature of revelation at the ways in which religious faith is experienced and expressed in the modern world and at sources of authority He then discusses specific criticisms Can he be called a neo liberal Does he devalue the church s tradition Is his Christology inadequate What does he really believe concerning the resurrection Then towards the end in some poetically powerful passages he turns once again to the nature of the Kingdom of God creation and salvation

What Is Life All About? Alan P.

Gill,2009-07-31 What Is Life All About Is life A Grand Conspiracy A Marvelous Mystery An Incredible Accident Or Something Else The surprise is that you can know the truth about life and be 100% confident in that knowledge You will know what is on the other side of death Amazingly your success or failure in life has to do with your attitude The person with the wrong attitude can read see hear the truth and deny it vehemently while the person with right attitude will understand appreciate and believe the truth Life is a perfect and difficult test The process of life itself sorts out good from evil right from wrong and you will succeed or fail depending on your attitude The book defines the attitude you need to succeed and provides evidence and examples to convince What is life really all about It may be true that most people do not care but what is the reason for not caring Generally it is because people DOUBT ANYONE REALLY KNOWS and thus why should anyone care In addition the world brings great confusion to this subject There are scams and frauds around every corner and even honest people push the limits of the truth with exaggeration which is really a lie Greed selfishness covetousness envy and power are behind a lot of the deceit The wonder of heaven will provide infinitely more than people could ever achieve on earth but people want everything NOW and deceit is a frequent companion to achieving earthly desires There are 45 chapters in the book What Is

Life All About and then some extensive helpful appendices another 163 pages The single most influential deceit is in the area of religion The single most prominent reason for being an atheist or agnostic is religion The past 2000 years of religious history includes unspeakable cruelty wars terrorism indoctrination lies and deception and this rightly leads to opposition but also strangely to acceptance indifference excuses by others The critical missing fact is that God had nothing to do with these religions but abhors them What a pathetic assumption to blame God The truth about God and these religious groups could quickly clarify the situation Chapter 16 is a chapter that begins to sort out HOW all this religious mess occurred Here is a partial outline for chapter 16 16 1 What Is Seriously Wrong with Judaism 16 2 What Is Seriously Wrong with Roman Catholicism 16 3 What Is Seriously Wrong with Protestant Groups 16 4 What Is Seriously Wrong with Islam 16 5 What Is Seriously Wrong with Mormonism 16 6 What Is Seriously Wrong with the Jehovahs Witnesses 16 7 What Is Seriously Wrong with Atheism Agnosticism Seriously Wrong means there is NO eternal value in these religions These belief systems were the fabrication of men and or women and did NOT come from God The evidence is overwhelming and deceit runs through these religions like vultures going through a carcass You do not need a forensic analysis but you can do a complete autopsy if you wish The damaging evidence regarding these groups is clearly seen and very logical and understandable from the book This is because AS YOU UNDERSTAND GOD a significant subject in the book you do not need to go very far into these beliefs to see huge problems One of the attitudes you need is a LOVE OF THE TRUTH more than the love of what you currently believe You can understand God His purpose His plan inasmuch as He has revealed Himself Incredibly one major obstacle to overcome will be the MAGNITUDE OF THE DECEIT Lies on top of lies often for many centuries define todays religions Religion has become mans idea of God and there is no consistency just random unrelated doctrines The truth is infinitely different with everything perfectly connected to a single purpose Ultimately your success or failure in life is simply a matter of where you place your trust Is your trust in God or is it in men women who say they are telling you

Living the Life God Wants You to Live Through Jesus Christ Shanna,2012-09-13 Isaiah 61 The Spirit of the Sovereign Lord is on me because the Lord has anointed me to preach good news to the poor He has sent me to bind up the brokenhearted to proclaim freedom for the captive and release from darkness for the prisoners to proclaim the year of the Lords favor and the day of vengeance of our God to comfort all who mourn and provide for those who grieve in Zion to bestow on them a crown of beauty instead of ashes the oil of gladness Instead of mourning and a garment of praise Instead of a spirit of despair They will be called the oaks of righteousness a planting of the LORD for the display of his splendor They will rebuild an ancient ruin and restore the places long devastated they will renew the ruined cities that have been devastated for generations Aliens will Shepherd your flocks foreigners will work your field and vineyards And you will be called priests of the Lord you will be named ministers of our God you will feed on the wealth of nations and in their riches you will boast

Life and Hope J. Scott Duvall, Intended for college and seminary courses on spiritual formation the workbook consists of twelve chapters with three parts each believing behaving and becoming that is what virtues to possess Thus the thirty six lessons are holistic showing that the process of becoming like Christ involves our entire being **The Cause of God and Truth** John Gill,2001-03 [The MacArthur New Testament Commentary Set of 30 volumes](#) John MacArthur,2011-02-21 This set includes the entire collection of the MacArthur New Testament Commentary series Matthew 1 7 Matthew 8 15 Matthew 16 23 Matthew 24 28 Luke 1 5 Luke 6 10 Luke 11 17 John 1 11 John 12 21 Acts 1 12 Acts 13 28 Romans 1 8 Romans 9 16 1 Corinthians 2 Corinthians Galatians Ephesians Philippians Colossians Philemon 1 2 Thessalonians 1 Timothy 2 Timothy Titus Hebrews James 1 Peter 2 Peter Jude 1 3 John Revelation 1 11 and Revelation 12 22 The MacArthur New Testament Commentary series continues to be one of today s top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways **Living by Grace In an Ungracious World** Tom Rhodes,2019-01-22 Living by Grace in an Ungracious World is not accomplished by self effort The word grace can describe the smooth movement of a ballerina or the long stride of an Olympic runner or even geese flying in formation in the sky Certainly this gives some idea that grace is a thing of beauty However the Biblical doctrine of grace has a much greater meaning for the Christian because it is not possible without the intervention of God Himself We will find in this book that biblical grace is granted from the Sovereign God who brings that wonderful life through salvation and sanctification Our part is developed through a personal mindset and personal relationships by yielding to God s power True life in Christ is to be living by grace This is the road less traveled but the best road to walk on through our sojourn on earth as Christians
