When I Look Up Ron Gallo, 2021-11-21 Most Christian books have a problem For they speak from an adult perspective and not a child s They leave out the most important aspect of the foundation when walking with God and that is the child They say do ABCDE to get a better walk with God That s fine but we forget about the growth of the child and there characteristics is the Christian life template for an adult to look at and learn from This is the reason why children come before adults it s so we can see who God sees God doesn t see us as we see each other as adults in arrogance God doesn t care about your social status or you can have more degrees than a thermometer you are his child God sees adults as tall children So now let s look deeper into a child s life and how it relates to Gods foundation the family Understanding the child then you will understand yourself and what God wants from us as adults Looking at the genesis of a child we can see many attributes and characteristics of a child that God wants to see in us We can shadow and be a reflection of childlike not childish as Jesus said in the book of Mathew Jesus clearly states unless you re like a child you shall not enter Right off the bat Jesus is drawing the line in the sand Children have many characteristics that we miss as adults and forget that we went through these same characteristics ourselves From looking up having child like faith being able to be led humility believability no pride or self righteousness etc This fascinating book being different will enhance any reader parent to take a stronger look at their own Christian life and check off the boxes to see if there in alignment with Gods standards There a chapter on being blind when your awake yet we trust him in sleep and other great gems of wisdom

A Manual of Family and Private Devotions; Being a Series of Reflections on the More Practical Portions of the Word of God, and a Prayer for the Morning and Evening of Every Day in the Year Daniel Dewar, 1849 *What the Church Doesn't Want You to Know* Isaac Medina, Stop lying the Bible doesn t teach that The reason I wrote this book is because I am tired of the many lies false and manipulative teachings that continue to be disseminated within our churches especially in small local churches With that said I present to you not what I believe but what the Bible says and teaches Who am I I am no one I am simply an individual who grew up in the Catholic Church at the age of 17 converted to Pentecost and through the years I

have been a Sunday school teacher a Preacher a youth Pastor a Deacon an Elder of the church a musician and I even was the unofficial Pastor of a small church who had difficulties with a rogue Pastor By this I mean to say that I have seen a lot done a lot and experienced much and I am not surprised by the lies deceits and false teachings many present to the body of Christ If you are here looking to find a scathing contemptuous tell all book about the church and God s people you will not find it here What I will present to you is a few insightful truths about what many teach from the pulpit compared to what I have found to be in the Bible I will speak about how ignorance is used to keep God s people in bondage like slaves and why knowledge can set you free if you allow it Again let me make myself clear as clear as I can possibly be I am a Bible thumping God fearing Holy Roller I believe the word of God and I only challenge the teachings of those who would seek to pervert it for their own personal gain or ego If you are truly interested in what I have to say in what I want to share please read on Because God has an order to things and many are taking advantage of good honest sincere people who want to need to and whole heartedly believe in God
