Thompson,1993 Attitudes towards arms control have undergone a shift from those that prevailed in the interwar period In the 1920s and 1930s several nations particularly the United States Britain and Japan met to negotiate limits to the arms race Often they approached such negotiations as allies or foes of particular nations and much was written about the alignment and realignment of nations This work examines the alliances that have affected the result of negotiations in the Cold War and post Cold War era **Sam Nunn on Arms Control** Sam Nunn,Kenneth W. Thompson,1987 Senator Nunn stands out among American leaders as a spokesman for a strong defense who recognizes as Churchill did that defense must not be considered an end in itself but as it relates to foreign policy objectives Senator Nunn has made an important contribution to arms control through innovative proposals for such arrangements as risk reduction centers The breadth of his foreign policy thinking goes beyond defense In this book the reader can trace Senator Nunn s views on a variety of arms control issues in the 1980s What is most striking is the consistency of his approach and the continuity of his thought **Environmental Hazards** Eugene Willard Miller,Ruby M.
