South of South Beach Keith G. Laufenberg, 2014-07-05 South of South Beach takes the reader back in time to the 60 s and 70 s during a time when South Beach was nothing like the glitzy Art Deco district it is today but more of a dilapidated run down section of real estate where Chris Dundee runs the 5th Street Gym and many transplanted prizefighters Muhammad Ali among them roam the streets looking for something to while away the hours while they prepare their bodies for the task of fighting another highly trained boxer who wants to beat their brains out even as they wish to do much the same to them The girls stroll parts of South Beach in bikinis and the Beatles have even visited the 5th Street Gym recently the beat generation is giving way to the hippie free love generation so come back in time and visit what today is one of the world s great vacation centers but at this time during the 1960 s was more of a slum or a ghetto to avoid at your own peril especially a small stretch of beach just south of South Beach
