infatuated with the idea of what he called a living afterlife though his enthusiasm came to be tempered by his ability to expose fraudulent mediums many of whom employed crude variations of his own well known illusions Using previously unpublished material on the murky relationship between Houdini and Conan Doyle this sometimes macabre sometimes comic tale tells the fascinating story of the relationship between two of the most loved figures of the 20th century and their pursuit of magic and lost loved ones The Rough Guide to Rio de Janeiro Oliver Marshall, Robert Coates, 2009-11-02 The ultimate guide to Rio de Janeiro the Rough Guide offers detailed coverage of sites from the Christ statue at Corcovado to the fun filled beaches of Copacabana and Ipanema together with comprehensive reviews to suit all budgets of accommodation and restaurants in the city and state of Rio de Janeiro The definitive guide to Rio de Janeiro carnival and the best year round Rio de Janiero nightlife in depth advice is provided for finding the best carnival parades and street party blocos how to get to the purpose built parade ground Sambodromo staying safe in Rio finding the best street sambas and all the Rio de Janeiro carnival warm up events at samba schools nightclubs and city shows Rio offers far more than carnival and beaches however With the best coverage of fascinating less visited areas like Santa Teresa downtown and the Zona Norte there are also background chapters on Rio de Janeiro s turbulent history Afro Brazilian influences and the growth of favelas and reviews of tours of them that both informative and beneficial to the community Now a premier destination for sports comprehensive information is given on football matches at the Maracana stadium and on Rio s football clubs as well as coverage of volleyball capoeira Brazilian Ju Jitsu and hiking in the beautiful Tijuca national park one of the largest urban forests in the world Handy information is also provided on getting out of town to destinations elsewhere in the state of Rio sucy as Paraty Petr polis Ilha Grande and B zios Américas .2008 **How Ficta Follow Fiction** Alberto Voltolini, 2006-11-22 This book is devoted to fictional entities or to be more precise fictional entities as they emerge from the literary process of storytelling They encompass the great immortal figures in human literature Don Quixote Faust Sherlock Holmes and so on as well as the protagonists of single novels such as Anna Karenina Emma Woodhouse and Emma Bovary and even the unknown characters in the oral tradition of storytelling developed by small communities of people for their own entertainment This is p sumably how Achilles Penelope and Ulysses originated We must also include among these figures mythological characters such as Apollo Odin and Zeus regardless of the fact that they were originally thought to be supernatural beings rather than fictional individuals The subject of this book is not new which may make it seem less appe ing to a prospective reader just one more book on fictional entities Yet I would argue that this apparent drawback is fundamental to the purpose of the book which is to present a syncretistic doctrine of fictional entities In other words it is a theory which firmly acknowledges that the various other theories already developed on this subject have great merits Their main flaw however is not that they are wrong but rather that they are inc plete Accordingly they are not to be put to one side instead they need to be integrated into a single theory that aims both to maintain their positive results and to overcome their defects **Literary Afterlife** Bernard A.

Drew, 2010-03-08 This is an encyclopedic work arranged by broad categories and then by original authors of literary pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them It includes book series that have continued under a deceased writer s real or pen name undisquised offshoots issued under the new writer's name posthumous collaborations in which a deceased author's unfinished manuscript is completed by another writer unauthorized pastiches and biographies of literary characters. The authors and works are entered under the following categories Action and Adventure Classics 18th Century and Earlier Classics 19th Century Classics 20th Century Crime and Mystery Espionage Fantasy and Horror Humor Juveniles 19th Century Juveniles 20th Century Poets Pulps Romances Science Fiction and Westerns Each original author entry includes a short biography a list of original works and information on the pastiches based on the author's characters Female Corpses in Crime Fiction Glen S. Close, 2018-10-10 This book examines the central significance of sexualized female corpses in modern and contemporary Hispanic and Anglophone crime fiction Beginning with the foundational detective fictions of the nineteenth century it draws from diverse subgenres to describe a transatlantic tradition of necropornography characterized by lascivious interest in female cadavers dissection morques femicide and snuff movies Hard boiled and police procedural classics from the U S and the U K are juxtaposed with texts by established Spanish and Spanish American genre masters and with obscure works that prefigure the contemporary transmedial boom in corpse centered fictions The rhetoric and aesthetics of necropornographic crime fiction are related to those of popular crime journalism and forensic science television dramas This study argues that crime fiction has long fixated disproportionately on the corpses of beautiful young white women and continues to treat their deaths and autopsies as occasions for male visual pleasure male subjective self affirmation and male homosocial bonding The Biography Book Daniel S.
