Rhymes N Reasons: The Lyrical Expressions of Bob Marks Bob Marks,2019-04-19 In that Rhymes and Reasons are songs not poems I ve left them in the accepted patterns necessary to set them to music There may be some repetition but rare is the song sang in its entirety without repeating verses or choruses especially what is now considered the chorus The earlier songs were primarily AABA or ABAC patterns which were the norm back then As patterns evolved into the more contemporary verse chorus mode I d suspect that happened because repetition of the chorus allows for more rousing concert finales in which audience might be tempted to sing along Same Time, Next Christmas

Christine Rimmer,2018-12-01 They re each other s Christmas present But what about the other 364 days Ex soldier Matthias Bravo likes spending the holidays hunkered down in his remote Oregon cabin Until Sabra Bond seeks refuge from a winter storm Now they meet every year for a no strings Yuletide romance But Matthias is changing the rules This Bravo bachelor finally knows what he wants Sabra forever Is she ready to commit to love not just at Christmas but every day of the year *Same Time, Next Christmas* Victoria Alexander,2015-12-14 From 1 New York Times bestselling author

Victoria Alexander comes a romantic Christmas historical which features the happily ever after story of a fan favorite and how one little impetuous moment can lead to the miracle of love My friends have always considered me the most proper among us But no one was more surprised than I Portia Lady Redwell when I decided to flee the matchmaking efforts of my family to spend Christmas in an enchanting villa on the coast of Italy My admittedly impulsive plans were immediately complicated by the presence of a certain gentleman Mr Fletcher Jamison who insisted he had a claim on the villa It was only in the true spirit of Christmas that I agreed to share the villa with him His charm his blue eyes as dark as the December seas and the laugh that oddly seemed to fill my soul were not considerations That I returned again for Christmas is due entirely to the charm of the villa and nothing at all to do with the fact that he too would be there My friend Veronica has often said those least likely to bend are most likely to snap It appears I have snapped Same Time, Next Year Bernard Slade,1975 Story of
