Samoa, a Hundred Years Ago and Long Before HardPress,Turner George ?,2016-06-22 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy Sovereignty Matters Joanne Barker,2005-12-01 Sovereignty Matters investigates the multiple perspectives that exist within indigenous communities regarding the significance of sovereignty as a category of intellectual political and cultural work Much scholarship to date has treated sovereignty in geographical and political matters solely in terms of relationships between indigenous groups and their colonial states or with a bias toward American contexts This groundbreaking anthology of essays by indigenous peoples from the Americas and the Pacific offers multiple perspectives on the significance of sovereignty **Journal of the American Geographical Society of New York** American Geographical Society of New York,1909 **Bulletin of the American Geographical Society** American Geographical Society of New York,1909 **Interconnectivity, Subversion, and Healing in World Christianity** Afe Adogame,Aminta Arrington,2023-07-13 The rise of Christianity around the world has been the impetus for much religious and social change The interconnectivity of religious centers has resulted in theological dialogue and innovation The subversion of long held categories of culture gender race spirituality theology and politics has naturally occurred along with the transgressing of borders and boundaries Yet at the same time there has been occasion for healing through intercultural experiences of forgiveness peacemaking and reconciliation Stimulated by the work and mentorship of Joel Carpenter who has done much to expand the study of world Christianity less through focusing on his own research and writing and more through amplifying the voices of others the international contributors to this volume from all six continents promote a deeper understanding of World Christianity through the exploration of such related themes Whether discussing primal spirituality in northeast India white supremacy in South Africa evangelical women and civic engagement in Kenya or Calvinism in Mexico the contributors draw upon ethnographic case studies to more deeply understand interconnectivity subversion and healing in World Christianity Their essays provoke a reorientation of Christian thought within the study of World Christianity enriching the current discourse and promoting vistas for further interdisciplinary studies **Nature** ,1884 Pacific Ways Stephen Levine,2016-06-01 Examining the politics of each Pacific Island state and territory this well researched volume discusses historical background and colonial experience constitutional

framework political institutions political parties elections and electoral systems and problems and prospects Pacific Island countries and territories included are the original seven member states New Zealand Australia Fiji Samoa Tonga Nauru and the Cook Islands along with all the new member states and organizations A wide ranging political survey this comprehensive and completely up to date reference will appeal to Pacific peoples and anyone with an interest in politics

Textile in Architecture Didem Ekici, Patricia Blessing, Basile Baudez, 2023-06-30 This book investigates the interconnections between textile and architecture via a variety of case studies from the Middle Ages through the twentieth century and from diverse geographic contexts Among the oldest human technologies building and weaving have intertwined histories Textile structures go back to Palaeolithic times and are still in use today and textile furnishings have long been used in interiors Beyond its use as a material textile has offered a captivating model and metaphor for architecture through its ability to enclose tie together weave communicate and adorn Recently architects have shown a renewed interest in the textile medium due to the use of computer aided design digital fabrication and innovative materials and engineering The essays edited and compiled here work across disciplines to provide new insights into the enduring relationship between textiles and architecture The contributors critically explore the spatial and material qualities of textiles as well as cultural and political significance of textile artifacts patterns and metaphors in architecture Textile in Architecture is organized into three sections Ritual Spaces which examines the role of textiles in the formation and performance of socio political religious and civic rituals Public and Private Interiors explores how textiles transformed interiors corresponding to changing aesthetics cultural values and material practices and Materiality and Material Translations which considers textile as metaphor and model in the materiality of built environment Including cases from Morocco Samoa France India the UK Spain the Ancient Andes and the Ottoman Empire this is essential reading for any student or researcher interested in textiles in architecture through the ages

Papers from the Department of Marine Biology of the Carnegie Institution of Washington, 1924 **Bulletin** Salem Public Library, 1901 **Bulletin of the Salem Public Library** Salem Public Library, 1901 **Samoan Art and Artists** Sean Mallon, 2002-01-01 Samoan Art and Artists is a wide ranging survey of both the traditional and contemporary arts of Samoa The author has drawn on an extensive research base to present a contemporary and accessible picture of a vibrant culture The book has a broad sweep covering all facets of the Samoan arts including canoe and house building siapo tapa weaving tattooing oratory adornment all forms of performance art the visual arts and literature An important feature of the book is the inclusion of profiles of living practitioners both from Samoa and the large Samoan communities in other Pacific countries Publisher description **Literary Culture and the Pacific** Vanessa Smith, 1998-01-08 This 1998 book examines a range of nineteenth century European accounts from the Pacific depicting Polynesian responses to imported metropolitan culture in particular its technologies of writing and print Texts designed to present self affirming images of native wonderment at European culture in fact betray the emergence of more complex modes of appropriation and interrogation by

the Pacific peoples Vanessa Smith argues that the Pacific islanders called into question the material basis and symbolic capacities of writing even as they were first being framed in written representations Examining accounts by beachcombers and missionaries she suggests that complex modes of self authorization informed the transmission of new cultural practices to the Pacific peoples This shift of attention towards reception and appropriation provides the context for a detailed discussion of Robert Louis Stevenson s late Pacific writings
