Sams Special Prize A Happy Day:

Tortured Jeff Holmes, 2020-10-05 Tortured The Sam English Story is the fascinating yet tragic tale of a footballer destined to become one of the greatest goalscorers in Scottish football history but who by his own admission became an embarrassing grizzly peep show English was a veritable goal machine at Yoker Athletic in the late 1920s netting nearly 300 in three seasons and was soon being chased by a posse of big name clubs Legendary Arsenal manager Herbert Chapman offered him a blank cheque but 22 year old English chose Rangers He hit 44 league goals in his debut season still a record today but tragedy struck early in the campaign In the first Old Firm match of the season Celtic keeper John Thomson lost his life after bravely diving at the feet of the entirely blameless English In an instant English became one half of a tragic accident and his life changed forever He moved to Liverpool but was haunted by the fatality and its accompanying demons He was cast as a villain and made a pariah His life would be defined by that one tragic incident **Our Darlings**, 1882 **High**

Expectations Wayne W. Lamson, 2011-07 Pap set off to one side just listenin to both sides of that conversation He had a real big smile on his face but he had nothin to say Finally I said I d be most interested to hear what you got to say on the matter Pap A man has a few choices to make during his life If you make good choices you turn out like Otis You make bad choices you end up somethin less Lately I ve been worryin if I m even smart enough to know the difference You and Otis just appear to come by it natural Pap said A little worry can go a long way in the makin of a man Then Pap went back to sippin his coffee and he was done talkin That old boy was always doin that to me Just give me enough to think on and then go real quiet again before I had the full answer It was a time of great adventure and great danger around every bend For Matt Dobson it was a time to become a man With the guidance of good friends and good family Matt is challenged with a tough road to travel As Matt learns about integrity courage and love will he be able to meet his High Expectations Travel back in our nation s history to the Old West when a man made his own opportunities Throughout the land a person was only as good as their word It was a time when a handshake and a smile were a person s contract If a person broke one of those contracts there was nothing they could say or do after that to redeem their reputation These are the lessons that Pap Franklin knew all so well In the second book of the Pap Franklin series follow along as Matt Dobson tries to become the next great member of his family

Arthur's Lady's Home Magazine, 1887 **We Fly At Dawn** Tony B. Ratliff, Sr., 2009-09-03 The stories contained in this book are some of Tony s favorites which he has written down through the years Heavy in metaphor and abstraction they are designed to make one dwell on the values of commitment and responsibility Although the lead story is about a flock of migrating mallards it will quickly become obvious that the story is really about our life and how to deal with disaster or tragedy The other stories are equally thought provoking but also designed to entertain and inspire *Simple's Uncle Sam* Langston Hughes, 2000-05-15 Twentieth century African American writer Langston Hughes final collection of stories based on his Chicago Defender newspaper character Jesse B Semple a simple man who commented on a wide range of everyday

topics within the context of race and politics
