Samuel Gompers Papers Vol 2 The Early Years Of The American Federation Of Labor 1887 9:

The Samuel Gompers Papers Samuel Gompers, 1986 Fighting to preserve labor's place in America after World War I

Labor Histories Eric Arnesen, Julie Greene, Bruce Laurie, 2022-10-17 Is class outmoded as a basis for understanding labor history This collection emphatically answers No These thirteen essays delve into subjects like migrant labor religion ethnicity agricultural history and gender Written by former students of preeminent labor figure and historian David Montgomery the works advance the argument that class remains indispensable to the study of working Americans and their place in the broad drama of our shared national history The Age of Discontent Ralph Brauer, 2025-04 For much of the last century three narratives framed American history The plantation narrative with its Gone with the Wind view of slavery and Reconstruction bolstered racial apartheid The frontier narrative worshipped individualism over collective responsibility and ignored the decimation of indigenous cultures The industrial narrative redefined by Ralph Brauer in this sweeping history of late nineteenth century labor and farmer activism traditionally celebrated laissez faire capitalism and the achievements of wealthy industrialists The Age of Discontent offers an alternative perspective asserting that the largest and most important expression of mass democracy in American history laid the foundations for economic growth and prosperity Main Street not Wall Street was responsible for the American Century Grassroots activists and reformers from the working and farming classes take center stage in this fascinating success story of government programs and legislation **Historical**

Documentary Editions 2000 United States. National Historical Publications and Records Commission, 2000 Monthly Labor Review, 1988 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews *United Apart* Ileen A. DeVault, 2018-08-06 In the late nineteenth century most jobs were strictly segregated by sex And yet despite their separation at work male and female employees regularly banded together when they or their unions considered striking In her groundbreaking book Ileen A DeVault explores how gender helped to shape the outcome of job actions and how gender bias became central to unionism in America Covering the period from the formation of the American Federation of Labor in 1886 to the establishment of the Women's Trade Union League in 1903 DeVault analyzes forty strikes from across the nation in the tobacco textile clothing and boot and shoe industries She draws extensively on her research in local newspapers as she traces the daily encounters among male and female coworkers in workplaces homes and union halls Jobs considered appropriate for men and those for women were she finds sufficiently interdependent that the success of the action depended on both sexes cooperating At the same time with their livelihoods at stake tensions between women and men often appeared The AFL entered the twentieth century as the country's primary vehicle for unionized workers and its attitude toward women formed the basis for virtually all later attempts at their organization United Apart transforms conventional wisdom on the rise of the AFL by showing how its member unions developed their central beliefs about female workers and how those beliefs affected male workers as well *American*

Reform and Reformers Randall M. Miller, Paul A. Cimbala, 1996-01-19 In entries such as Jane Addams and the Settlement House Movement Booker T Washington and Black Self Help and Betty Friedan and the National Organization for Women this dictionary provides in depth examination of major American reformers and the movements they defined With coverage extending from the early republic to today the book considers abolitionism women s rights temperance the social gospel birth control pacifism civil rights environmentalism consumerism and other controversial movements Each entry combines biography with historical analysis to show the historical context and character of the movement and person Individually the entries provide modern interpretive treatments of their subjects Collectively they reveal the direction and dynamics of American reform over two centuries Emphasizing social reform over civic reform the book gives special attention to reformers and reforms that have significantly altered the social order Written by prominent scholars the entries show the importance of personality and historical context in reform movements and the relationship between particular reforms and the temperament of an age With full bodied biographies of the reformers and their movements a time line on American reform up to date interpretations and bibliographies and a wide range of subjects this book provides the most comprehensive and cogent view of American reform and reformers anywhere It also provides the fullest treatment to date of post World War II reform activity and personalities

The German-American Radical Press Elliott Shore, Ken Fones-Wolf, James Philip Danky, 1992 Wilhelm Weitling one of the many German radicals who fled into exile after 1848 noted in the New York newspaper he founded that everyone wants to put out a little paper The 48ers and those who came after them strengthened their immigrant culture with a seemingly endless stream of newspapers magazines and calendars In these Kampfblätter or newspapers of the struggle German immigrant journalists preached socialism organized labor and free thought These little papers were the forerunners of a press that would remain influential for nearly a century From the several perspectives of the new labor history this volume emphasizes the importance of the German American radical press to an understanding of American social history in the age of industrialism and illuminates the complexities of the interaction of immigrant radicalism and American culture Chicago s German language socialist weekly Der Vorbote claimed in 1880 that the history of the workers movement in the United States is at the same time the history of the workers press Hyperbolic perhaps but to judge by the energy and resources German American radicals devoted to their press many immigrants agreed The radical movement in the United States met with problems as well as support Language and culture frequently divided the radicals and class considerations splintered the German American community Cultural radicals like Robert Reitzel and Ludwig Lore ran afoul of rank and file taste or party discipline attempts by the New Yorker Volkszeitung to coach women on proper socialist positions resulted in bitter arguments over the importance of woman suffrage and pacifism At the same time social movements that cut across ethnic lines weakened the power of a foreign language press within the community as immigrants began to identify with a movement rather than a language Contributors to this volume explore these and other issues while

correcting the bias in histories of radicalism which rely on English language sources and thus ignore the competing visions of immigrant radicals

Historical Documentary Editions, 2000 *Radical Unionism in the Midwest, 1900-1950* Rosemary Feurer, 2006 In *Radical Unionism in the Midwest 1900 1950* Rosemary Feurer examines the fierce battles between Midwestern electrical workers and bitterly anti union electrical and metal industry companies during the 1930s and 40s Organized as District 8 of the United Electrical Radio and Machine Workers UE and led by open Communist William Sentner workers developed a style of unionism designed to confront corporate power and to be a force for social transformation in their community and nation Feurer studies District 8 through a long lens establishing early twentieth century contexts for these conflicts Exploring the role of radicals in local movement formation Feurer argues for a civic unionism that could connect community and union concerns to build solidarity and contest the political economy District 8 s spirited unionism included plant occupations in St Louis and Iowa campaigns to democratize economic planning and local strategies for national bargaining that were depicted as a Communist conspiracy by a corporate influenced Congressional committee in Evansville Indiana District 8 was destroyed through reactionary networks and the anti Communist backlash of the mid twentieth century but Feurer argues that its history tells another side of the labor movement s formation in the 1930s and 40s and can inform current struggles against corporate power in the modern global economy A website with more photographs and documents is available at www.radicalunionism.niu.edu

America, History and Life, 1997 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide

Report of the Librarian of the State Library of Massachusetts State Library of Massachusetts, 1888

The Struggle for America's Promise Claire Goldstene, 2014-04-17 In *The Struggle for America s Promise* Claire Goldstene seeks to untangle one of the enduring ideals in American history that of economic opportunity She explores the varied discourses about its meaning during the upheavals and corporate consolidations of the Gilded Age Some proponents of equal opportunity seek to promote upward financial mobility by permitting more people to participate in the economic sphere thereby rewarding merit over inherited wealth Others use opportunity as a mechanism to maintain economic inequality This tension embedded with the idea of equal opportunity itself and continually reaffirmed by immigrant populations animated social dissent among urban workers while simultaneously serving efforts by business elites to counter such dissent Goldstene uses a biographical approach to focus on key figures along a spectrum of political belief as they struggled to reconcile the inherent contradictions of equal opportunity She considers the efforts of Booker T Washington in a post Civil War South to ground opportunity in landownership as an attempt to confront the intersection of race and class She also explores the determination of the Knights of Labor to define opportunity in terms of controlling one s own labor She looks at the attempts by Samuel Gompers through the American Federation of Labor as well as by business elites through the National Association of Manufacturers and the National Civic Federation to shift the focus of opportunity to leisure and

consumption The Struggle for America's Promise also includes such radical figures as Edward Bellamy and Emma Goldman who were more willing to step beyond the boundaries of the discourse about opportunity and question economic competition itself **Report of the Librarian of the State Library** State Library of Massachusetts, 1890 *Pure and Simple Politics*

Julie Greene, 1998-06-28 Scholarship on American labor politics has been dominated by the view that the American Federation of Labor the dominant labor organization rejected political action in favor of economic strategies Based upon extensive research into labor and political party records this study demonstrates that despite the common belief the AFL devoted great attention to political activity The organization's main strategy however which Julie Greene terms pure and simple politics dictated that trade unionists alone should shape American labor politics Exploring the period from 1881 to 1917 *Pure and Simple Politics* focuses on the quandaries this approach generated for American trade unionists Politics for AFL members became a highly contested terrain as leaders attempted to implement a strategy which many rank and file workers rejected Furthermore its drive to achieve political efficacy increasingly exposed the AFL to forces beyond its control as party politicians and other individuals began seeking to influence labor's political strategy and tactics *History of the Labor Movement in the United States* Philip Sheldon Foner, 1975 **An Index to American Jewish Historical**

Quarterly/American Jewish History: A-K American Jewish Historical Society, 1995 *Report of the Librarian of the State Library of Massachusetts*, 1890 **Public Documents of Massachusetts** Massachusetts, 1890 *History of the Labor Movement in the United States*, 1962

The book delves into Samuel Gompers Papers Vol 2 The Early Years Of The American Federation Of Labor 1887 9.
