Samuel Johnson A Collection Of Critical Essays:

Samuel Johnson Donald J. Greene,1985 Samuel Johnson S. Johnson,1965 **Samuel Johnson** Donald J. Greene,1985 Modern evaluations of Johnson as critic editor and lexicographer **Samuel Johnson** Peter Quennell,1972

Samuel Johnson Isobel Grundy,1984 This collection then does not claim to be revolutionary but it hopes to be revisionary It sets out from the assumptions that Johnson is easy to love but hard to understand that there is always some further angle we have not yet grasped that his readers undergo a persistent experience of having not without effort to rethink and that having made such an effort they may then find themselves in a position to offer new information or new insight We have tried in this volume while bearing in mind the wealth of his achievement to set before our readers some aspects of his writing which have been least well recognized and which have strongest contemporary interest Preface page 8

Samuel Johnson Isobel Grundy,1984 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com *The Selected Essays of Donald Greene* Donald Johnson Greene,2004 Part III The Terrain of Literature features Greene s examination of a variety of literary approaches to literature in an era when the subject needs to be referred as well to cognitive science as more conventional critical modes even deconstruction that have long defined it Additionally he illuminates important works by writers as various as Jane Austen and Evelyn Waugh These essays as well as the book as a whole are framed here by Greene s assessment of Canadian literature that calls attention to the native terrain that he originally called home and how the latter contributed to the making of one of the most cosmopolitan scholars of his era Jacket **Aspects of Samuel Johnson** Howard D. Weinbrot,2005 Howard D Weinbrot s Aspects of Samuel Johnson

Essays on His Arts Mind Afterlife and Politics collects earlier and new essays on Johnson s varied achievements in lexicography poetry narrative and prose style It considers Johnson s uses of the general and the particular as they relate to the reader s role in the creative process his complex approach to the concept of literary genre and his resolutely in human view of skepticism **Samuel Johnson** Frank Brady,William Wimsatt,1978-02-07 This is a major new selection of Samuel Johnson s best work delightfully introduced by W K Wimsatt and scrupulously annotated by Frank Brady and Mr Wimsatt Samuel Johnson the only writer in English since the Renaissance to give his name to a literary period was the center of English letters in his time He was Dictionary Johnson the lexicographer who had single handedly settled the English language it was hoped on a firm basis he was the author of a handful of fine poems including two of the most remarkable satires of the century he was a moralist whose Rambler and Idler essays and novel of ideas Rasselas provided a searching view of men and matters And in his final years he produced his greatest work that extraordinary combination of biography and criticism which came to be known as the Lives of the Poets This first extensive anthology of Johnson s writings to be published in many years emphasizes Johnson the writer It responds to those aspects of Johnson s work of special interest to modern readers It comprises a selection of Johnson s letters all of his major poems including London Rasselas twenty one

Rambler nineteen Idlers the Prefaces to the Dictionary and to the edition of Shakespeare and the following Lives of the Poets Cowley Milton Swift Pope Savage Collins and Gray All these works are extensively annotated and printed complete Mr Wimsatt one of the outstanding Johnsonians of this century provides in his Introduction a clear connected biographical account of Johnson stressing his writings An up to date bibliography is also included Johnson s varied accomplishments as poet as moralist as biographer as critic are all amply represented **Dr. Samuel Johnson and James Boswell** Harold Bloom,1986 A collection of critical essays on the works of Dr Samuel Johnson and James Boswell arranged in order of original publication Samuel Johnson and the Theme of Hope T F Wharton,1984-03-29 *The Philosophical Biographer* Martin Maner,2009-01-01 The Philosophical Biographer shows how a shift in philosophical outlook in the seventeenth and eighteenth centuries from an understanding of human knowledge rooted in deductive certainties to one resting on inductive probability influenced the development of biographical narrative in general and in particular the way Johnson dealt with biographical evidence in his Lives of the Poets Examining the psychological and philosophical doubt that lay at the heart of Johnson s character and intellect Martin Maner reveals in the biographical studies of Savage Swift Milton and Pope an ingrained pattern of dialectical argument and a skeptical attitude toward evidence a method that involves the reader in judgments about the poets as it conveys Johnson s own understanding of truth In the Life of Savage Johnson moves from thesis to antithesis generating out of opposing emotional responses irony and sympathy ridicule and pathos an understanding of the man Dialectically undercutting the conclusions of previous biographers of Swift and Milton Johnson fashions a new somewhat acidic estimation of Swift and a portrait of Milton that engages contemporary questions of the probable and the marvelous The Life of Pope Johnson s greatest dialectical achievement alternates between blame and praise public and private realms weaving tone context and analogy into great contrasting patterns of inquiry and judgment Establishing the centrality of a dialectical method in the Lives of the Poets Martin Maner links the rise of biography as well as Johnson s interest in the form to the shift in epistemology brought about by empiricism In the new patterns of thought of the seventeenth and eighteenth centuries biography the estimation of a life through sifting of historical events and evidence was the most philosophical of endeavors and Johnson its greatest practitioner *Johnson Re-Visioned* Philip Smallwood,2009-04 How far does Johnson s mind touch the critical consciousness and how far is the modern experience of his writings a form of historical knowledge This title includes essays by British and American scholars who seek to answer these questions from a sequence of argued perspectives *Canonical Texts Of English Literary Criticism With Selections From Classical Poeticians* Rangoon Kapoor,2004-10 *The Politics of Samuel Johnson* Donald Greene,2009-01-01 First published in 1960 The Politics of Samuel Johnson remains one of the most significant studies of Johnson ever written Contrary to virtually all preceding studies of Johnson s life politics and art Donald Greene declared that the popular image of Johnson one that even pervaded academic circles was a caricature an amalgam of misconceptions inaccuracies and sometimes deliberate untruths drawn

from the works of his well intentioned friend Boswell and his detractor Macaulay In the Introduction to the second edition Greene reasserts in light of three decades of Johnsonian scholarship his attack on the stereotyping of Johnson as a bigoted party line Tory and a crypto Jacobite Utilizing new material such as Thomas Curley s edition of the Chambers Johnson Vinerian law lectures and the sale catalogue to Johnson s library to support his argument Greene also warns that Johnson is still misquoted and misunderstood in situations from classroom lectures to discussions of Britain s role in the 1982 Falklands War

Samuel Johnson Liz Bellamy,2005 This book explores contemporary anxieties over language and genre in Johnson s literature

The New Cambridge Bibliography of English Literature: Volume 1, 600-1660 George Watson,Ian Roy Willison,1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

British Sources of Information P. Jackson,2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual

Samuel Johnson and the Culture of Property Kevin Hart,1999-09-28 Kevin Hart traces the vast literary legacy and reputation of Samuel Johnson Through detailed analyses of the biographers critics and epigones who carefully crafted and preserved Johnson s life for posterity Hart explores the emergence of what came to be called The Age of Johnson Hart shows how late seventeenth and early eighteenth century Britain experienced the emergence and consolidation of a rich and diverse culture of property In dedicating himself to Johnson s death Hart argues James Boswell turned his friend into a monument a piece of public property Through subtle analyses of copyright forgery and heritage in eighteenth century life this study traces the emergence of competing forms of cultural property a Hanoverian politics of property engages a Jacobite politics of land Kevin Hart places Samuel Johnson within this rich cultural context demonstrating how Johnson came to occupy a place at the heart of the English literary canon

Twentieth Century Interpretations of Boswell's Life of Johnson James Lowry Clifford,1970 Boswell s Life of Johnson is universally acknowledged as a masterpiece in the field of biography and Boswell is acclaimed as a unique subjective chronicler In this volume you will find the most significant recent criticism having to do with the Life showing both its strengths and weaknesses You will

discover how Boswell collected his material decided what he would use and how he fashioned a revealing and memorable portrait You will discover how faithful the Life is to the historic Dr Johnson and what was contributed by Boswell s creative imagination But most important of all you will learn why almost two hundred years after its first publication the Life of Johnson is regarded not only as a factual biography but also as a highly artistic literary work Stanley Wyatt
