Samuel Morris Missionary To America:

Samuel Morris Terry Whalin,1996 *Samuel Morris* W. Terry Whalin,2006-01-01 A biography of the son of a Kru village chief who escaped from his cruel captors in Liberia and who was eventually led by the Holy Spirit to make his way to the United States where he in turn led many to God Samuel Morris Kjersti Hoff Baez,2003-09 From slavery to salvation the story of young Prince Kaboo later named Samuel Morris is a testament to the power of enduring faith Samuel Morris Stephen Merritt,1908 Samuel Morris Lindley Baldwin,1987-03-01 The extraordinary story of the young African who came to be called The Apostle of Simple Faith While most missionary biographies detail the lives of Western missionaries this is the story of the African missionary that God called to the United States when slavery and segregation were a way of life Previously published under the title *The March of Faith* this book details the moving life story of Samuel Morris After a miraculous escape from certain death during the ravages of intertribal warfare in Liberia Africa Kaboo was converted to Christ by Methodist missionaries and baptized under the name Samuel Morris Traveling to America for pastoral training in the late 1880 s his trip was a missionary voyage in itself when several seamen were lead to Christ through his godly life At Taylor University his example of faith made him a leader among the students and a challenge to the faulty An unforgettable biography which shows Christ s love felling all racial barriers **Samuel Morris** D. E. Reed,1908 **Glimpses of the Life of Samuel Morris** Hannah Perot Morris,1907 *Samuel Morris* W. Terry Whalin,1996 The story of an African prince who through God s intervention and guidance came to America as a student missionary *Revive! The Oracles of God* Ozakieoniso Charlie,2013-05 I believe that the next revival will come on a personal level for everyone who will pick up his or her bible daily to read study and meditate Engage in personal times of prayer day and night move from selfish Christianity to the place of personal service of others and the will and purpose of the Lord Throughout the Bible we see the Lord moved in the situation of his people when they return to the ordinances of His word for guidance in correction of their ways or even for a new beginning when they have engaged God in prayer and when they have stepped out to do his will I believe that these three constants of our Christian faith also double as oracles of God because in them the power of God is made alive divine answers messages and burdens are granted to those who will diligently ask seek and knock I believe that these three are oracles in their individual standings but never to be practiced individually Rather when all three are embraced as a lifestyle there will be a threefold release of the power of God Revival will break forth within individuals and hence the entire body of Christ This book is a holy cry for the people of God to avail themselves of these one on one connections with the almighty Through his oracles *Movies on a Mission* Glenn Reynolds,2023-09-25 This investigation into the little known genre of mission oriented films uncovers how Protestant missionaries overseas sought to bring back motion picture footage from remote parts of the world In the broader religious community mission films aimed to educate congregants back home about efforts to evangelize communities around the world This book however demonstrates the larger impact of mission films on

American visual culture The evolution and development of the genre is highlighted from an early emphasis on foreign views in the 1910s to interwar films providing a more detailed look at how mission stations functioned in far flung lands to Cold War productions which at times functioned as veritable propaganda tools parroting anti communist discourse emanating from the CIA

The Chance of Salvation Lincoln A. Mullen,2017-08-28 The Chance of Salvation offers a history of conversions in the United States which shows how religious identity came to be a matter of choice Shortly after the American Revolution people in the United States increasingly encountered an expanded array of religious options Evangelical Protestants began an effort to convert Americans while developing new practices that emphasized conversion as an immediate choice Their missionary effort extended to Native American nations such as the Cherokee in the Southeast who received Christianity on their own terms Enslaved and newly freed African Americans likewise created a variety of Christian conversion that was centered on religious hope and eschatological expectation Mormons drawing on earlier Protestant practices and beliefs enthusiastically proselytized for a new tradition that emphasized individual choice and free will By uncovering the way that religious identity is structured as an obligatory decision this book explains why Americans change their religions so much and why the United States is both highly religious in terms of religious affiliation and very secular in the sense that no religion is an unquestioned default **Samuel Morris** Lindley J. Baldwin,1986 **Congregational History, 1700-1800** John Waddington,1876
