**Samuel Pepys, Administrator, Observer, Gossip** Esther Meynell, 1909      **Samuel Pepys** E. Hallam Moorhouse, 2015-07-15 Excerpt from Samuel Pepys Administrator Observer Gossip IT is inevitable that any book on Pepys should have long and frequent quotations from his Diary inevitable also that however much is put in much that is interesting amusing and characteristic should be left out N O re telling Of Pepys Diary is to be tolerated and that is the justification for ample quotation for there is neither gain nor wisdom in attempting to turn his own inimitable phrases into a modern and most inferior version SO wherever a thing can be told in Pepys words I have so told it any one who writes Of him at the best can only be a showman and the place Of a showman is in the background when the principal actor is on the stage Or in the metaphor Of Sir Walter Scott The subject is like a good sirloin which requires only to be basted with its own drippings therefore discreet cook and retiring showman are the humble parts I have attempted in this book About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
