San Francisco Vigilance Committee Of:

San Francisco Vigilance Committee of '56 Frank Meriweather Smith,1883 Brief history of San Francisco and its response to lawless conditions In 1851 the citizens formed a Vigilance Committee to rid the city of criminals It tried and hung murderers Again in 1856 stimulated by the murder of James King of William citizens formed another Vigilance Committee This Committee tried and hung murders forced many criminals to leave and confronted state authority before disbanding

Dirty Deeds Nancy J. Taniguchi,2016-10-27 The California gold rush of 1849 created fortunes for San Francisco merchants whose wealth depended on control of the city's docks But ownership of waterfront property was hotly contested In an 1856 dispute over land titles a county official shot an outspoken newspaperman prompting a group of merchants to organize the San Francisco Committee of Vigilance The committee which met in secret fed biased stories to the newspapers depicting itself as a necessary substitute for incompetent law enforcement But its actual purpose was quite different In *Dirty Deeds* historian Nancy J Taniguchi draws on the 1856 Committee's minutes long lost until she unearthed them to present the first clear picture of its actions and motivations San Francisco's real estate comprised a patchwork of land grants left from the Spanish and Mexican governments grants that had been appropriated and sold over and over Even after the establishment of a federal board in 1851 to settle the complicated California claims land titles remained confused and most of the land in the city belonged to no one The acquisition of key waterfront properties in San Francisco by an ambitious politician motivated the thirty odd merchants who called themselves the Executives of the Vigilance Committee to go directly after these parcels Despite the organization's assertion of working on behalf of law and order its tactics kidnapping forced deportations and even murder went far beyond the bounds of law For more than a century scholars have accepted the vigilantes self serving claims to honorable motives *Dirty Deeds* tells the real story in which a band of men took over a city in an attempt to control the most valuable land on the West Coast Ranging far beyond San Francisco the 1856 Vigilance Committee's activities affected events on the East Coast in Central America and in courts throughout the United States even after the Civil War

The San Francisco Vigilance Committee of 1856 Doyce Blackman Nunis,1971 Papers of the San Francisco committee of vigilance of 1851 San Francisco Committee of vigilance,1919 *San Francisco Vigilance Committee of '56* Frank Meriweather Smith,2023-07-18 This book offers an insider's perspective on the infamous San Francisco Vigilance Committee of 1856 an extralegal group that sought justice and order in a rapidly growing and often lawless city The anonymous author provides a vivid and detailed account of the Committee's work as well as an overview of key events that shaped San Francisco's history during this tumultuous period This is a must read for anyone interested in the history of law order and civic life in the American West This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity
