Library of Congress Subject Headings Library of Congress. Cataloging Policy and Support Office,2009 **Library of Congress Subject Headings** Library of Congress,2011 The Architectural Review ,1922 *The Rough Guide to Cambodia* Beverley Palmer,Steven Martin,2008 With accounts of all attractions from the atmospheric temples of Angkor and Phnom Penh to the resort of Sihanoukville and the jungle clad hills of Rattanakiri this guide includes a background on Cambodian history religion and cultural life The World's Must-See Places DK Eyewitness,2011-10-03 The World s Must See Places takes you on a tour of over 100 of the world s greatest sights In true DK Eyewitness Travel Guide style each page of the book will show you what other books only tell you with unique 3 D cutaway artworks that let you look inside each building as if you were there Each featured sight has been selected for its uniqueness or its historical or architectural importance and many are included on UNESCO s list of World Heritage Sites Situated across the five continents the sights include iconic landmarks such as Chartres Cathedral and Sydney Opera House and lesser known gems including the Kairouan Mosque in Tunisia and the Toshu gu Shrine in Japan In addition to engaging text that describes each sight sidebars and text panels cover topics such as the architectural style of the building the architect and his works or historic events or people that shaped the building as we know it today This book will not only inspire readers to visit some if not all of the featured sights but will also appeal to armchair travelers who prefer to view the sights from the comfort of their own home

Hindu-Buddhist Architecture in Southeast Asia Daigoro Chihara,2024-07-08 Hinduism and Buddhism have in Southeast Asia prompted impressive architecture including Angkor Vat and the Borubodur with a lasting influence on the architecture of the area This book is the first stylistic history of Hindu Buddhist architecture in the area from the beginning until today The contrasts and similarities described between the religious structures of the different countries shed light on the religious history of the area The Secret of the Temple John Michael Greer,2016-12-08 Over thousands of years the priests and sages of the ancient world discovered that the design and location of certain structures had beneficial effects on the crops that sustained life A body of traditional lore evolved using architecture and ceremonies that made use of these wholly natural but mysterious effects In The Secret of the Temple John Michael Greer painstakingly rebuilds a body of lost knowledge that has been used to accumulate and direct energy throughout history and can be used again today The Temple of Solomon was only one of many ancient structures that drew on the temple tradition The insights of this tradition have been passed down through those in society tasked with protecting ancient wisdom secret societies like the Knights Templar and the Freemasons But over time as cultures and technologies changed the meaning of these cryptic symbols and rituals became obscured until now This book explores the esoteric body of knowledge that shaped the world of our forebears gave rise to the world s most awe inspiring temples and cathedrals and continues to fuel speculation about powerful forces at work in our
