And then Rae meets Dustin a poetic soul trapped in a business suit just like her. She starts to hear wedding bells but Dustin's struggles with depression will test their relationship and no amount of financial modeling can project what their future will look like. Can Rae free herself

from the idea she had of what thirty was supposed to look like and let love breathe on its own timeline Or is she too conditioned to stay on the right track to follow her unpaved intuition Moving and timely *The Heart of the Deal* is the story of one woman's reckoning with what success really is in a city an industry and a relationship whose low lows continually challenge the enchantment of the high highs
