Sandstorm Middle East Conflicts And America:

Sandstorm Daniel Pipes, 1993-06-08 As one of the world's most volatile areas the Middle East receives disproportionate media coverage But this coverage almost invariably presents the events of the day without providing the context needed to understand the implications and meaning of those events The eighteen articles in this volume which originally appeared in *Orbis A Journal of World Affairs* in 1990 and 1991 provide insight into the context of Middle Eastern events Arab politics the Arab Israeli conflict the Persian Gulf and U S policy are examined in detail The main themes covered are security issues such as wars terrorism and hostage taking and attitudes including public opinion in Lebanon and the United States and the Israeli security dilemma Co published with the Foreign Policy Research Institute [American Defence Annual, 1994](#) Charles F. Militant Islam Reaches America Daniel Pipes, 2003 Long before September 11 2001 Daniel Pipes publicly warned Americans that militant Islam had declared war on America yet sadly Americans failed to take heed The publication of *Militant Islam Reaches America* finally brought Pipes the attention he deserves Dividing his work into two parts Pipes first defines militant Islam stressing the large and crucial difference between Islam the faith and the ideology of militant Islam He then discusses the relatively new subject of Islam in the United States and how it has developed rapidly in the last decade In *Militant Islam Reaches America* the product of thirty years of extensive research Pipes provides one of the most incisive examinations of the growing radical Islamic movement ever written The paperback edition includes a new essay *Jihad and the Professors* [The Arab-Israeli Conflict in American Political Culture](#) Jonathan Rynhold, 2015-02-23 This book surveys discourse and opinion in the United States toward the Arab Israeli conflict since 1991 Contrary to popular myth it demonstrates that US support for Israel is not based on the pro Israel lobby but rather is deeply rooted in American political culture That support has increased since 9 11 However the bulk of this increase has been among Republicans conservatives evangelicals and Orthodox Jews Meanwhile among Democrats liberals the Mainline Protestant Church and non Orthodox Jews criticism of Israeli policies toward the Palestinians has become more vociferous This book works to explain this paradox
